

Alcester Academy WEEKLY BULLETIN

02nd October 2026

Dear Parents and Carers,

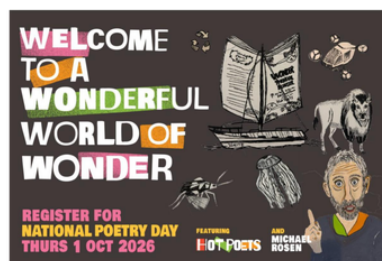

The week started brilliantly on Monday at school as the entries for the European Day of Languages cake competition flooded in. I was so impressed, and quite overwhelmed with the hours of time and commitment shown by so many of the students, and I know that the MFL team have featured some of the unique designs for you later on in this edition. Various foreign language activities then took part over the week. In other updates, we held a planned whole school evacuation on Monday afternoon. The students responded in a mature and sensible way to this.

Mrs Hands organised a very successful Macmillan Coffee Morning on Tuesday in the LRC raising a whopping £340.89 for the charity. Wow! We must love cake at Alcester Academy. We appreciated all of the cake contributions for this, thank you. Our student librarians were wonderful assistants for the day.

Yesterday, we then celebrated National Poetry Day, and subject areas wove their literary links into lessons throughout the timetable for all year groups.

Friends of Alcester Academy – PTA

Our first meeting was held on Tuesday. Thanks to our committed group of parents/carers who attended this. Whilst small in number, the members of the PTA are absolutely huge in terms of whole school impact. If you are interested in supporting any school events this academic year, please e mail Friends@alcesteracademy.org.uk

Friends of Alcester Academy – PTA continued....

How else can you support?

- Become a member of our 200 Club; details to follow soon
- Support school raffles when we have them. Do you have any connections with organisations that could sponsor raffle prizes?
- Attend events such as Family Bingo Night SAVE THE DATE Friday 19th March 2027, or the Round Table Santa Run (Date to be confirmed)
- Volunteer to support events where PTA are present. The School Show needs stall volunteers
- Donate via Easy Fund Raising; details are attached to this edition. This is a very easy way for us all to support the school as we all make routine purchases such as weekly food shopping.

Where does the money go that is raised by Friends of Alcester Academy?

The Friends of Alcester Academy supports Sports Awards Evening and Sports Day. It contributes to Celebration Evening in the summer. Staff at school can then make bids throughout the year for resources to support teaching and learning. Examples of previous bids have included staging for school performances, a sublimation printer in DT and a set of laptops for use in LSU.

Alcester Division – Royal British Legion

You can now sponsor a perspex poppy by contributing through the School Gateway. All proceeds go towards the Alcester Division of the Royal British Legion. The display will go up outside of school very soon now.

Assembly themes for the academic year

You can find all of our fascinating and informative assembly themes published on the website for your interest: Pastoral Development

[Assembly Rota & Tutor Programme](#) [CLICK HERE](#)

The themes are mapped against our personal development curriculum and are planned across a five-year cycle taking into account festivals and national days of celebration or remembrance.

This week, Mrs Weatherley spoke about Alzheimer's and Dementia in assemblies, and this work is then followed up in personal development sessions. The students have been told that if they wish to seek any additional support around these topics, they can approach LSU.

We also celebrated the wonderful fund-raising efforts of the FTD Adams brothers who are a local family and are close to achieving £2 million pounds raised for this cause by running 33 marathons in 33 days.

Post 16 Information

Our Year 11s have started to hear from our Post 16 partners about the opportunities available to them after Year 11. We were grateful to here from Mr Slater, Vice Principal from AGS last Friday and today from Mrs Webb, Director of sixth form from Prince Henry's. Be sure to follow up these talks at home as our students begin to make important applications. With the exception of a few students now, all Year 11s have had their first careers interview with Miss Bartlett discussing applications for post 16.

Cycle Safety.

Students who cycle or scoot to school must wear a safety helmet. Thank you.

Warwickshire Wellness Pack.

You'll find the link for the Warwickshire Community Wellness Park signposting us all to various self-help and support groups to include information on immunisations, healthy eating, mental health and being a carer.

[CLICK HERE](#)

The first Saturday rehearsal for Matilda takes place tomorrow. I'm very grateful for the staff team who give up their weekends to do this.

We are all wishing Year 8s an amazing week in Skern Lodge from Monday. Watch out on our socials for photographs of their adventures throughout the week. Stay safe everyone!

All the best!

We wish Miss Radbourne all the best as she head's off on maternity leave today. Dr Wheatley is ready to step into the science team from Monday and has thoroughly worked with Miss Radbourne on the hand over required.

Wishing you a lovely weekend ahead

Best Wishes

MACMILLAN CAKE SALE

A Sweet Success for Macmillan in the LRC!

A huge thank you to everyone who supported our Macmillan Coffee Morning cake sale, held in the Learning Resource Centre (LRC) this Tuesday and Wednesday. Thanks to the overwhelming generosity of our school community, we are delighted to announce that we raised £340.89 for Macmillan Cancer Support!

The LRC was overflowing with an incredible variety of delicious homemade and donated treats. We extend our heartfelt gratitude to all the parents, students, and staff who baked, donated, and came along to buy goodies in support of such a vital cause.

A special shout-out goes to our dedicated Student Librarians, along with Miss Home and Miss Lewis, who gave up their time to manage the busy stalls and keep the sales running smoothly.

Thank you all for coming together to make this event such a fantastic success!

Mrs Hands

LRC Manager

EDUCAKE

Educake is a platform used by all students in science to support and enhance their learning. It may be used in class, for homework or by students to support their revision. Educake includes teaching notes for all areas of KS3 and KS4 science that students can access. This is particularly useful if a student has been absent. It also includes 1000s of tiered questions that can be used to aid retrieval and retention across all topics. Details of how to use Educake are posted on each Google Classroom.

Mrs Marshall

Science Lead/Head of year 11

POST-16 EDUCATION

Important Post-16 Education Updates for Year 11 Students and Parents

This week, Miss Bartlett visited The Heart of Worcestershire College at Redditch, where Principal Michelle Dowse and Vice Principal Peter Robinson delivered an informative training session about the forthcoming changes to the national post-16 curriculum.

The new curriculum changes will begin to be introduced from September 2027, with new V Levels forming part of the updated programme. The changes will be introduced through a rolling programme, continuing through to 2030, when the full programme of reforms will be in place.

The brand-new Heart of Worcestershire College prospectus is now available for students and parents to explore. The prospectus provides information about both existing and new courses, including the entry requirements for each programme, helping students to make informed decisions about their post-16 options. New copies of the College Prospectus are now available in the Careers Zone for students to collect and explore.

We are also pleased to announce that Josie Wilson, Schools Engagement Officer, and Peter Robinson, Vice Principal, will both be attending the Year 11 Post-16 Fair in January. They will be available to speak with students and parents, offering advice, guidance and information about the range of courses and opportunities available at Heart of Worcestershire College.

We encourage Year 11 students and their parents to take the opportunity to speak with them and find out more about the exciting post-16 options available. Further information regarding the curriculum changes and what these will mean for students will be shared with parents and students in due course as the programme of changes develops.

Miss Bartlett

Careers and Enterprise Co-ordinator

NATIONAL POETRY DAY

On Thursday we celebrated National Poetry Day. This year's theme was 'Wonder', and focused on exploring not only the wonder of the written word, but the wonder of the natural world and how we can do more to support our eco-systems.

Year 7 and Year 8 have started their poetry competition in tutor time.

Year 9 explored the poem 'Nature bites back' in English on Thursday and explored how they can create poetry about nature rewinding industrialised places. Well done Year 9 for some brilliant work on this! Year 9 have also been exploring conflict poetry within Art lessons this week to support them in their conflict project.

Year 10 have been delving further into their work on their Power and Conflict poetry anthologies. Well done to set 1 for some brilliant discussions on the fragmented iambic pentameter within 'Storm on the Island'.

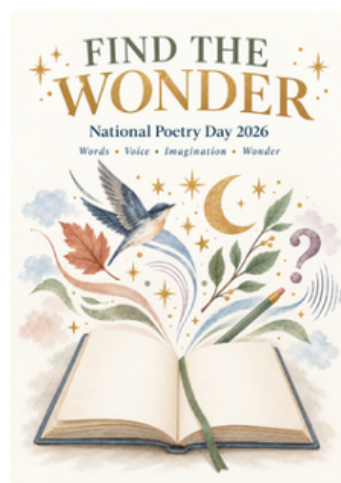

Year 11 have been using their English Language paper 2 skills to debate whether it is right for poetry and novels to be turned into Hollywood films. They have also been writing some poetry!

Although we have had fun celebrating National Poetry Day this week, poetry remains at the heart of literature all year round.

We can't wait to see what the theme will be next year!

Miss Lewis

Literacy co-ordinator

Could your child be the next Young Poet Laureate?

An Ambassador for Poetry

The Young Poet Laureate is an ambassador for poetry across Warwickshire. The appointed laureate works closely with Warwickshire Libraries and partner organisations to:

- Perform at events and festivals.
- Lead poetry workshops for young people.
- Write commissioned poems for special occasions.
- Promote poetry as an inclusive and inspiring art form.

This role offers invaluable experience in public speaking, creative writing, and leadership, while providing opportunities to collaborate with professional poets and engage with diverse audiences.

South Warwickshire Indoor rowing competition

A massive congratulations to all the Alcester Academy students who represented the school in the South Warwickshire Indoor Rowing Competition, which we were proud to host earlier this week! Our athletes showed fantastic determination, grit, and team spirit on the ergometers against tough local competition.

Special mention goes to our Year 7/8 Boys, who took 1st Place overall with an incredible total distance of 3,785 meters, and our Year 9/10 Boys, who secured an impressive 2nd Place overall with 4,356 meters!

Below is a summary of the full competition results across all age groups:

Indoor Rowing continued....

Year 9 Football v Aylesford

Aylesford School 1 – 5 Alcester Academy

Year 9 Boys Football: Victorious Start to the Season!

A huge congratulations to our Year 9 boys football team, who kicked off their league campaign in style this week with an emphatic 5–1 away victory against Aylesford School in Warwick!

In what was their first league match of the school season, the boys put in a tremendous team effort, showing outstanding determination, skill, and work rate from the opening whistle to secure an important first win.

Year 7 Football v Aylesford

Alcester Academy 6 – 5 Aylesford School

Year 7 Boys Football: Thrilling Victory in Season Opener!

Well done to our Year 7 boys football team, who played their very first match representing Alcester Academy this week in an incredible home fixture against Aylesford School!

In what turned out to be an absolute nail-biter, the boys showed remarkable resilience, teamwork, and attacking flair in an action-packed 11-goal thriller. Showing fantastic spirit right to the final whistle, Alcester Academy came away with a hard-fought 6–5 victory!

What an unforgettable way to kick off their school football careers—well done to all the boys on a brilliant effort and a memorable first win! The boys showed outstanding resilience to come back from behind in the match to take victory.
