Alcester Academy Weekly BULLETIN

17th October 2025

Good afternoon everyone,

Congratulations to all of our cross country athletes who spent last Saturday in Stratford competing. Our school team achieved 6 of the top 10 places! Wow! That is quite some achievement. Mr Moffatt, Head of PE has written in more detail later on for you about this. Our athletes had tremendous staff and parental support that I'm very grateful for.

The theme to assemblies this week was *Show Racism The Red Card*. Miss McKenzie led these. Home - Show Racism the Red Card.

We also met our Sustainability Student Ambassadors and heard about their great work. School Councils met this week and discussed a number of topics to include the new summer polos and the school rewards system.

Tips for keeping your child healthy at school

The DfE published this recent guidance for all parents: Top tips on how to keep your child healthy at school – The Education Hub

What's inside this week

Thank you Stratford Upon Avon College

We appreciated the talk today in year 11 assembly about the opportunities available at Stratford College, Post 16.

Live Event—Year 11 Parents' Evening

Year 11 Parents' Evening next Thursday 23rd October is a live event in the school hall.

Meet the Tutor Year 7 Evening

It was super to see so many of you at our event last night. The aim of the evening was a review of the first half term at secondary school. We have also sent out a link to a transition survey for year 7 parents. Do reach out to us if there might be areas to address after last night.

Farewell Miss Howard

We say farewell to Miss Howard, Teaching Assistant next Friday as she takes a new direction in her career. We wish her all the very best for the future from Alcester Academy.

Introduction to Mrs Parr, new Exams Officer

Hello! I'm Charlotte Parr, the new Exams Officer.

I'm really happy to be joining Alcester Academy as the new Exams Officer. I actually went to the school myself over 30 years ago, and now my eldest daughter is in year 7 here too! I also have a younger daughter in primary school, so I know how important these years are for families.

I spent over twenty years at NFU Mutual before setting up a small business with my husband. More recently, I've worked as an exams invigilator, which sparked my interest in supporting students through the exam process.

In my spare time, I love to crochet and curl up with a good book. I'm here to help make exams as smooth and stress-free as possible—please don't hesitate to get in touch if you need anything.

Apology from last week

In the bulletin last week, I relayed that it was the *Year 10 Employability Workshop* this week when it was actually for year 11. Year 10 is next week.

And, I referred to the Loudmouth year 7 Super Learning Day as *Bully4U*. It has been renamed this year *A Step Too Far*.

PSHE Workshop: Online, Homophobic & Sexist Bullying

Non Uniform Day

Next Friday is a non uniform day in aid of a collection for the next Friends of Alcester Academy fundraiser. Thank you all.

We are also remembering Breast Cancer Awareness Day and students have been invited to wear an array of pink to mark this. Mr Tuckey and his keen student bakers are also making cupcakes to sell in school on this date for Breast Cancer Now.

Don't Forget— the Coffee Morning next week

There is a parent, family and friends coffee morning next Wednesday in school 9.30-10.30am. This is as part of our Mayor's 100 Coffee Mornings for the Dementia Cafe in Alcester. If you can't attend the event, but can donate a cake, please do so next week. Huge thanks. SLT will be around during the hour if you want a chat about anything.

We have also combined this with support for any parents wishing to explore whether their child might be eligible for free school meals. We will have a staff member available with a laptop to help complete any online forms at this event if you might like to pop by? No appointment needed.

Remembrance

We are supporting the Alcester Division of the Royal British Legion again this year. You'll see our wonderful poppy display taking shape at the front of school very soon. You can sponsor a poppy via the School Gateway if you would like to. All proceeds will go to the Alcester RBL.

As you can see, we really are trying to support as many genuine causes as possible this term.

We start next week with *Motivational Monday*. For new parents, we use several opportunities a year in order to purposefully reflect on the students in school and send you uplifting messages to start the week and share with your children. Look out for potential messages coming your way.

Work has now begun in earnest on the new Rock Academy premises. Look out for an article about this in next week's Stratford Herald.

Wishing you all a lovely weekend.

Sarah Mellors—Headteacher

Year 11 Take Part in Employability Workshop

As part of our Post-16 Support Programme, year 11 students took part in an Employability Workshop on Wednesday, led by Professor Jo Andrews, formerly of the University of Birmingham.

The workshop helped students develop key employability skills in preparation for their mock interviews next half term. It provided valuable insight into what employers look for and how students can best present themselves in interview settings.

We are very grateful to Professor Andrews for giving her time and expertise to support our students. Her session was both engaging and inspiring, and it made a valuable contribution to their post-16 preparation.

We were delighted to offer this opportunity as part of our ongoing commitment to supporting students in their post-16 pathways.

Miss Bartlett

Assemblies this week— Show Racism the Red Card

Our assemblies have focused on our equality, diversity and inclusion topic racism. Pupils were informed about what racism means, what this can look like in our communities and most importantly where to seek help, support, guidance and who to report to if they come across anything like this in their everyday lives.

Alcester Academy is a safe place where we celebrate different cultures and traditions, showing mutual respect to all.

Miss McKenzie

Year 7 Personal Development—First Aid

Always a highlight on the KS3 Personal Development Curriculum is our first aid session where all of year 7 come together and learn about essential life-saving skills.

Pupils were taught about Primary Surveys, how to respond in an emergency situation, administrating CPR and defibrillation.

All of the pupils were fully engaged in this practical session and contributed brilliantly to our question-and-answer session about what can be the cause of someone becoming unconscious, and most importantly how to respond safely and quickly to give them the best life chances.

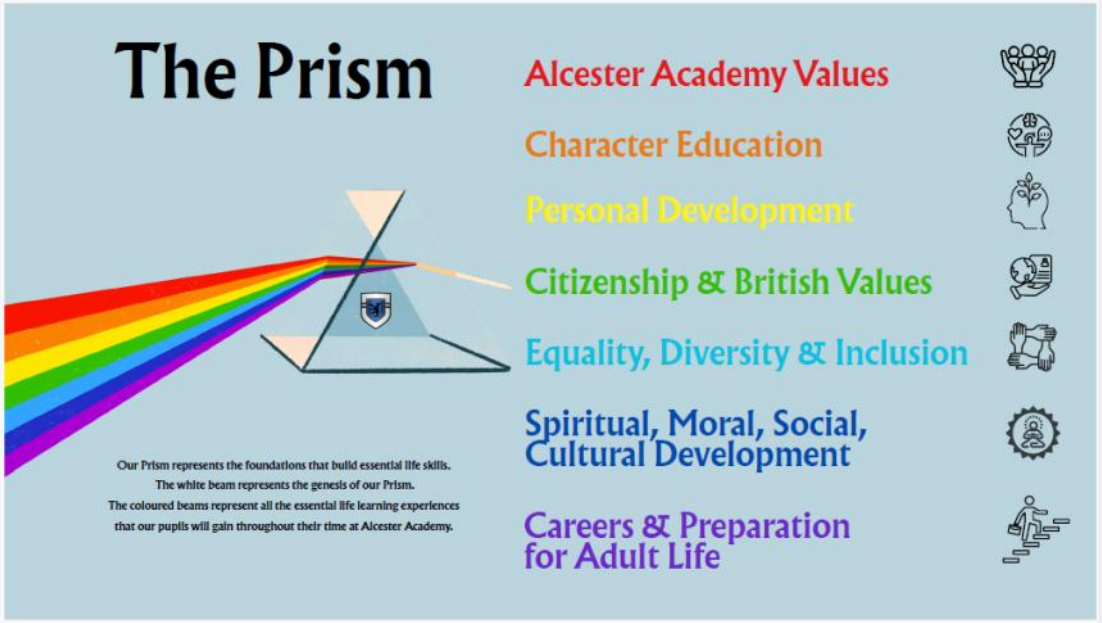
Thank you to year 7 for their excellent participation with the school values very much on display and at the heart of your learning.

The Prism

This academic year we are very proud to introduce The Prism. It represents the foundations that build essential life skills. The white beam represents the genesis of our Prism. The coloured beams represent all the essential life learning experiences that our pupils will gain throughout their time at Alcester Academy. The Prism underpins our Personal Development Programme with our assembly and tutor programmes aligned specifically to each of the key areas within it:

- Alcester Academy Values
- Character Education
- Personal Development
- Citizenship & British Values
- Equality, Diversity & Inclusion
- Spiritual, Moral, Social & Cultural Development
- Careers & Preparation for Adult Life

Miss McKenzie



From Pupil to Textile Graduate: Karis Inspires the Next Generation of Designers

Last week it was lovely for the DT department to host a visit from an ex-pupil. Karis, who left us early in year 11 due to the first lockdown, has since graduated from university in Bath after completing a degree in textiles!

She came back to talk to our students about her experiences over the last five years, and we had the pleasure of looking through her amazing portfolio of work.

After talking to us about her courses at college and university, she then hosted a workshop for the students to make their own sequins using acetate. It was lovely to see how well she has done and how much she has enjoyed completing her degree. Her dream is to work in the children's wear sector of design. Hopefully, this has given some of our current students some 'food for thought' about their next steps as we have some very talented designers in year 11.

If you are interested in seeing more of Karis' work her Instagram is @karisdevontextiles.

Thursday 18th December—Year 9 annual panto for year 7s

Friday 19th December—Break up at 12.40pm

This list is not exhaustive.

LEAVE OF ABSENCE DURING TERM TIME

UPDATED INFORMATION FOR PARENTS

The Supreme Court has clarified the law on unauthorised leave, including holidays, during term time (Platt v Isle of Wright 2017). The Supreme Court has made clear that attending school 'regularly' means that the children must attend school on every day that they are required to do so. As such, the parents of any child who is absent from school without authorisation for any length of time are likely to be considered as committing an offence under s444 of the Education Act 1996.

The law states a leave of absence may only be granted by a school if an application is made in advance and if it considers there are exceptional circumstances relating to the application.

Schools must judge each application individually considering the specific facts and circumstances and relevant background context behind each request.

A leave of absence is granted entirely at the school's discretion. Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance.

Where a leave of absence is granted, the school will determine the number of days a pupil can be absent from school.

When making an application for Leave of Absence parents are advised to give sufficient information and time to allow the Head teacher the opportunity to consider all the exceptional circumstances and to notify parents of their decision. The school may also request further information on the application and supporting documentation where appropriate.

It is advised that if the resident parent has not received notification or a response regarding the leave of absence application, it is the parents' responsibility to ascertain if the leave is authorised prior to the start of the leave.

The school can only consider Leave of Absence requests which are made by the 'resident' parent ie the parent with whom the child normally resides.

Where applications for leave of absence are made in advance and refused, the child is expected to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an unauthorised absence. Where a leave of absence is requested, but additional days taken either prior to or after the request may be considered as part of the leave of absence.

Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as 'unauthorised'.

All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service, part of Warwickshire County Council. Penalty Notices are issued in accordance with Warwickshire County Council's Code of Conduct for Penalty Notices and in the first instance, as an alternative to prosecution proceedings.

Leave of Absence taken in the academic year 2024-25

The law relating to Penalty Notices changed with effect from 19 August 2024. Therefore, Penalty Notices issued for Leave of Absence taken from September 2024 will be issued in accordance with the updated legislation.

- Penalty Notices are issued to each parent of each absent child, (for example 2 children and 2 parents, means each parent will receive 2 invoices – 4 in total).
    - First Leave of Absence offence: The Penalty Notice amount of £160 to be paid within 28 days, this is reduced to £80 each child if paid within 21 days.
    - Second Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): The amount of £160 paid within 28 days. No reduced amount.
- Payment plans will not be offered and/or payments received outside of the 28 day period will not be accepted. Where a penalty notice expires unpaid the matter will be referred to Warwickshire County Council's Legal Services to consider criminal prosecution.
- Third Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): A penalty notices will not be issued, and the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal prosecution proceedings under S444 of Education Act 1996.

Your child's progress academically as well as socially is our shared priority.

Attendance News

Whole School Attendance this week is 93.8%

Top tutors this week:

7WI with 98.8% attendance

8RW with 100% attendance

9AN with 98.2% attendance

10GA with 97% attendance

11MR with 96.2% attendance

If your child will be absent from school, please notify our Attendance Officer, Ms Louise Hatcher, with the reason before 8:30am each day. You can do this via:

SchoolComms
Phone: 01789 762285
Email: louisehatcher@alcesteracademy.org.uk

Medical appointments and other absences can also be reported through the MCAS app.

We kindly ask parents and carers to remind students who are leaving for appointments during the school day to come to the office a few minutes early so they can sign out promptly.

Thank you for your cooperation.
Ms Louise Hatcher—Attendance Officer

Notice for Parents

To comply with the School Attendance (Pupil Registration) (England) Regulations 2024 and Data Protection expectations, it is vitally important that Alcester Academy keeps accurate and up to date information relating to every pupil on roll.

The information we are required to record includes:

- Pupil's full legal name (and if appropriate, their preferred name).
- The name, address and contact details of every person known to the school/academy who is a parent* to the pupil with whom the pupil normally resides (this is the address that has been used to register with their GP).
- The name, address and contact details of any additional parent*.
- Any other emergency contact details.

In order to gather this information, every year we send out data collection forms. Parents are asked to complete the form with as much information as possible and then return to the school, signed and dated. We would ask that even where there are no amendments to the data collection sheet, parents return the form, signed and dated.

Alcester Academy requests that if you change your contact number, move home or there are any other circumstances which may impact your child, the school is notified as a priority.

N.B. *The Education Act 1996 defines a 'parent' as a). any natural parent, whether married or not, b). any parent who, although not a natural parent, has parental responsibility as defined in the Children Act (1989) for a child or young person c). any person who, although not a natural parent, has care of a child or young person.

MFL Culture Competition

Mauerkunst: the art of the Berlin Wall

To celebrate the Day of German Unity (Tag der deutschen Einheit) on the 3rd of October, I would like to invite all students of Alcester Academy to take part in our Mauerkunst competition.

Mauerkunst means "wall art" and is synonymous with the Berlin wall. The wall, and its art, is a cultural phenomenon and is the home of some of the most iconic cultural / political artwork of the 20th century.

Your task:
1. Research the art of the Berlin wall.
2. Create your own piece of art inspired by it: digital or handmade.
3. Submit your art to Mrs Laventine-Lee in L2 (paper copies).

Deadline: Wednesday 22nd October
Prizes: Winners and runners-up will be announced on Friday 24th Oct.

Sport Roundup
Inter Area Cross Country

The Warwickshire Inter-Area Cross Country event was a fantastic success, and we are incredibly proud of the South Warwickshire team's brilliant representation!

A huge congratulations to all the students who competed. It is a brilliant achievement just to be there, as every attendee had to qualify to represent South Warwickshire at a prior qualifying event held at AGS.

Furthermore, our school is thrilled to announce we had the second most attendees across all schools in the county, demonstrating the exceptional talent and dedication within our cross-country programme.

Well done to all the athletes who participated and gave their all! We now eagerly await the official Warwickshire County Selection results, which will follow shortly.

* SPORTS NEWS * SPORTS NEWS *

Year 8 Girls Football v Myton

This week saw our year 8 girls' football team travel to Myton School for a hard-fought cup fixture, ultimately being narrowly beaten 2-1.

Despite the final scoreline, our team put in a performance that was truly dominant for long periods of the match. The girls controlled the midfield, created numerous scoring opportunities, and dictated the pace of the game with excellent passing and movement.

Unfortunately, football can be a cruel game. Both of Myton's goals came from swift counter attacks against the run of play, catching our defence slightly out of position as we pressed forward in search of goals. To concede twice in this manner, after dominating possession, was undoubtedly tough to take. Our single goal was a deserved reward for the constant pressure applied.

The team spirit and level of talent on display were immense, providing so many positives to take forward into future games.

A special and huge well done must go to the five year 7 students who stepped up to represent the year above.

While the cup run ends here for our U13s, the commitment and quality shown by the year 8 team this week prove that they are a fantastic age group with bright prospects. Well done to everyone!

Year 11 Girls Football v Stratford

Our year 11 girls' football team exited the cup this week following a 4-1 loss against a formidable opponent: Stratford upon Avon School, the current cup holders from last year.

From the moment the draw was made, we knew this would be a difficult fixture, and circumstances off the pitch added to the challenge. The team struggled with numbers and bravely fielded a bare 11 players, meaning there were no substitutes available. Having no opportunity to rotate players against such a strong side.

Despite the odds, the girls produced a performance filled with courage and determination. They fought fiercely in every area of the pitch, making Stratford work hard for every goal they scored. Alcester Academy managed to break through to score a brilliant goal, a much-deserved reward for their relentless effort.

While the result sends us out of the cup, the attitude shown by the squad was exemplary.
A huge well done to the team for giving it their absolute all. They represented the Academy brilliantly, and we now look forward to seeing this dedication transferred to the upcoming matches.

* SPORTS NEWS * SPORTS NEWS *

South Warwickshire Rowing

U13 / U15 Girls Rowing

4th place finishes were achieved by both our U13 and U15 girls rowing teams at the indoor competition held this week.

U13 / U15 Boys Rowing

It was the turn of our boys rowing teams on Tuesday night to take on other South Warwickshire schools in the district rowing competition.

Some outstanding independent and team performances saw both age groups achieve 2nd place overall.

* SPORTS NEWS * SPORTS NEWS *

U14 South Warwickshire Netball Tournament

Well done to all of our year 9 girls who were selected to represent the school team at the South Warwickshire Netball Tournament this week. The girls showed great improvement throughout the tournament and finished in 6th place.
