

Alcester Academy WEEKLY BULLETIN

18th February 2022

Good afternoon,

I hope that you had a great week.

I was delighted to host a visit from Councillor Piers Daniell this week for a catch up. Miss Buckthorp joined us to talk about the Outdoor Education Strategy growing in Warwickshire. Thank you to Piers for giving up his time to brainstorm some ideas.

We were also visited by David Hyner from Stretch Development who spoke with our year 11s about their forthcoming second series of mock examinations. David is a motivational speaker and kindly left our year 11s with an array of revision materials. Mr Bastock will be

setting up a Google Classroom to house all of these for the students shortly. This was then followed by a busy week for our year 11s who also had controlled assessment practical sessions in hospitality and catering and child development. The standard of practical work produced was exemplary. I was so proud to see the students' work as they now come close to completing the course. I tweeted some photographs of this work and Miss Wincup has popped some in the bulletin later on for your interest. A good proportion of the cohort then went to Bristol on Wednesday in order to complete their geography field study. Thank you to all of the staff here at school for making these opportunities happen.

Epraise Awards

In other news this week, Mr Hall has spent time putting together the most recent Epraise Awards that students have earned. I'm so delighted to share

these with you later on in the bulletin and many congratulations to these students on behalf of all of the staff and Governors. The Gold Awards are now creeping in for some of our students as you will see.

Tutor work this week

We have been reflecting this week on Children's Mental Health Week and Women In Science as two themes this week. I have outlined some useful resources for mental health towards the end of the bulletin for you. There are so many. Please contact LSU if you need bespoke advice. SLT met with year 10s specifically to discuss the new tutor groups being designed for after half term. These are in response to recent exam results. We were also excited to begin discussing the forthcoming work experience week with students.

There is an online Chemistry session on Monday 21st February 2022 10-12 noon. Thanks to Miss Taylor for this. We wish our year 11s the very best for their second round of mocks after half term.

Year 7 Parents' Evening

Thank you to parents and students who joined us by School Cloud last night. We were thrilled to meet some of you for the first time. The next parents' evening is for year 8 on Thursday 3rd March via School Cloud. This begins the start of the options process. I will write to you after half term with more details of the time line for this if you are a year 8 parent. Exams for year 8s begin on Monday 14th March.

Phones

We are noticing more and more that students seem to bring two phones to school in a creative way to hand in an unused phone if caught by a member of staff. On a safeguarding basis, please can I ask all parents to ensure that students do not carry two phones to school. We remain very strict on our 'no phones' policy.

Year 10 reports

Year 10 written reports and exam results have been sent out this week. I was thrilled to sign so many Letters Of Commendation to go along side these. We do recognise where students improve at each report round and will celebrate this at the end of the academic year. Mr Cooke keeps a very close eye on this for us all. Thank you to Miss Home and Miss Lewis in maths and English conducting online catch up sessions over half term for year 10s.

Year 11 communication

We have now sent year 11 parents the updated information on the summer 2022 exam series following Ofqual's recent publication. We hope that you have found this of use.

Attendance

We are beginning to see a recovery on student attendance now. Thank you for your support with this. I hope to see this continue after half term. I enter the attendance statistics for the DfE every day and have done since the start of Covid-19. Yes, that's a good number of entries by now! My target is for us to reach 600+ students in school on any day very soon all being well. We managed to reach 590 this week so let's try and aim for the big 600 very soon together!

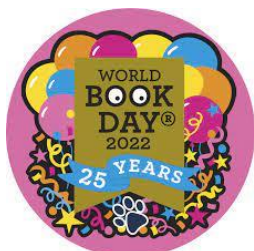

We have done a brief exercise looking at motivation levels with our year 11s as they head towards their next mock exam round. As a result of this, we sent 55 praise messages home this week for students going above and beyond with their preparation right now. Well done to these students.

Uniform

Thank you all for the super drive on uniform standards over recent weeks. If students can avoid having long nails and eye lashes fixed over the holiday, I'd be most grateful.

Thursday 3rd March is World Book Day

Year 7 and 8 students can dress as their favourite character or wear uniform. There will be prizes for the best dressed. Book characters must be recognisable please. Jeans and a t-shirt sadly won't cut it I'm afraid. If any KS4 students wish to dress as a character, they need to approach a member of SLT in advance please.

Half term

We all return to school on Monday 28th February 2022.

Safeguarding over half term

In the case of needing urgent support with a safeguarding issue over half term, please contact:

Warwickshire MASH

If a child is at immediate risk of serious harm requiring immediate action, call

Warwickshire MASH on 01926 414144.

Lines are open from: Monday to Thursday: 8:30am – 5:30pm, Friday: 8:30am – 5:00pm.

Out of hours

If you need to get in touch out of usual office hours, please contact the Social Care Emergency Duty Team immediately on 01926 886922.

Covid Cases today

Year 7 - 1 case
Year 8 - 4 cases
Year 9 - 1 case
Year 10 - 1 case
Year 11 - 2 cases

We have provided students with another set of lateral flow tests today. Please search at the bottom of bags if you haven't seen these yet. Thank you to LSU for organising these again.

We are expecting some national changes to restrictions with Covid-19 over half term. If these are

significant and will impact school life, I will write to you towards the end of the half term week with updates.

We are thinking about those students affected by Covid-19 as we go into the half term break. We hope that they get better very soon. If your child tests positive over half term, please let us know early on Monday 28th February 2022 as we return to school (Mrs Hodges, Attendance Officer). If you could continue to lateral flow test over the week off please in order to be most vigilant, I'd appreciate that.

This half term has flown by I'm sure you will agree. As yet, we have no further Ofsted news for you all. As soon as the report is confirmed and in the public domain, we will let you know. We are slowly beginning to feel like we are finally clawing back some lost time now as a result of Covid-19. Long may a more stable period of time continue!

I'd like to take this opportunity to thank everyone for their continued support. To parents, for responding so positively to my relentless requests! To our staff and Governors also for their hard work. Our students continue to lift our spirits everyday with their behaviour, progress and conduct. I regularly get asked now 'how are you?' in the corridor or whether I'm having a good day. The atmosphere around school this half term has been exemplary, and I certainly hope for our wonderful students to be formally recognised that way by Ofsted when we do see a report. They are a delight to be around.

Wishing you all a restful half term break ahead.

Best wishes
Sarah Mellors—
Headteacher

Mental health support for your children

There are some superb strategies and programmes outlined on numerous websites for your support.

Here are just a few:

<https://www.kooth.com/> A digital platform for support mental health. To include free counselling.

<https://www.youngminds.org.uk/> We provide young people with tools to look after their mental health. Our website is full of advice and information on what to do if you're struggling with how you feel. We empower parents and adults who work with young people, to be the best support they can be to the young people in their lives. And we give young people the space and confidence to get their voices heard and change the world we live in. Together, we can create a world where no young person feels alone with their mental health.

<https://www.nspcc.org.uk/keeping-children-safe/childrens-mental-health/>

<https://www.mind.org.uk/information-support/for-children-and-young-people/>

<https://www.actionforchildren.org.uk/our-work-and-impact/children-and-families/good-mental-health/>

World Book Day 2022

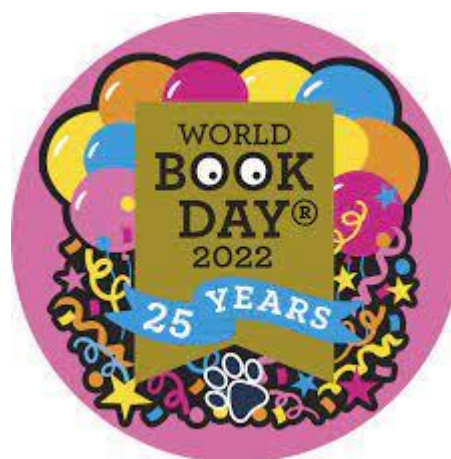

It is World Book Day on 3rd March and Alcester Academy will be celebrating with a range of literary activities!

We are inviting KS3 students to dress up to dress up as a character from their favourite book or short story, and the best dressed will win a Kindle, with runner up prizes of book tokens.

Throughout the day, years 7 and 8 will listen to sections of a short story and the ending will be revealed during period 5. Students can then enter a competition where they answer questions about the story.

In addition, there will be a tutor group quiz for all tutor groups to take part in.

World Book Day book tokens will be handed out to KS3 students in English lessons—we are also hoping to have a selection of books in school that the tokens can be exchanged for.

Could you win £2,500 for your school or college?

The Young Green Shoots competition is a way for young people to learn about climate change through creativity, to contribute to discussions about the environment and become advocates for positive change.

The competition challenges children and young people in Coventry and Warwickshire to learn about climate change and to explore how each of us can take action to be a climate hero. Each of the category winners will win £2,500 for their school or college to spend on projects related to climate change and their work will form part of a showcase to leaders from the public and private sectors at the Coventry & Warwickshire Climate Summit event in March.

Entries should be submitted by the competition deadline of 27 February 2022.

Who can enter?

Children and young people aged 4 to 19 who are in full-time education in either Coventry or Warwickshire. They should enter the category for their age at the time of entry:

Ages 8-11 * Ages 12-15 * Ages 16-19

How to enter

To apply, simply answer the question:

What does being a climate hero mean to you?

Climate heroes do both big and small things, from planting a huge forest to turning off the lights when they aren't needed. And anyone can be a climate hero – it could be somebody famous, a government, a business leader, a local council, or it could even be you! Show or tell us how your hero will protect the environment and fight climate change.

For all the details please visit:

<https://www.childfriendlywarwickshire.co.uk/get-involved/young-green-shoots>

School Attendance — up to 17.2.22

Year 7	Year 8	Year 9	Year 10	Year 11	Whole School

Well done! Mrs Hodges

Attendance Matters!

Every Student, Every School, Every Day

Photography of the Week

A GCSE photography coursework piece, inspired by the work of Antonio Mora,
by James in year 11.

Outstanding work. *Miss Simpson*

Year 11 practical exams

This week our hospitality and catering students completed their practical exams. We had some fabulous end results and we are very proud of the hard work and effort put in.

Miss Wincup and Mrs Megee

Year 11 Geography trip to Bristol

On Wednesday, we braved the wind, rain and elements in our visit to Bristol. This was a chance for students to explore the central zone of the city and look first hand at urban change. We studied how the harbour side area has changed since its historic beginnings and how it has become modernised and regenerated overtime, along with Cabot Circus. In fact we were looking at, over the course of the day, £800 million worth of regeneration! The year 11s were absolutely brilliant (despite the rain) and really engaged in the day. There were some mixed feelings about the effectiveness of the regeneration but this didn't stop all of us from squeezing a tiny bit of shopping in during the last hour of our day.

Outstanding students, for their enthusiasm, engagement and brilliant answers were: Andy, Oscar, Freija, Louie and Ellie-Anne. As always Alcester Academy students did us proud. Thank you to staff and students. A fantastic day of geography had by all!

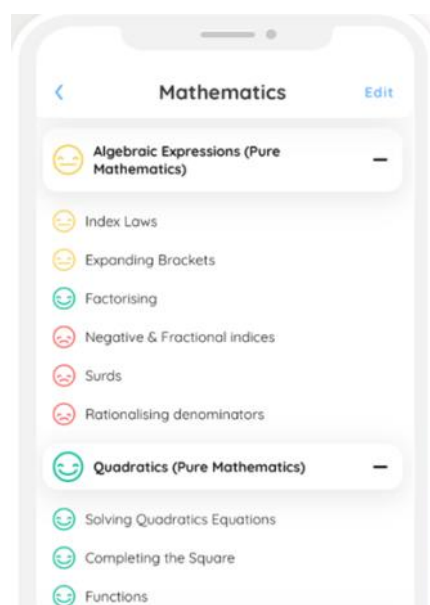

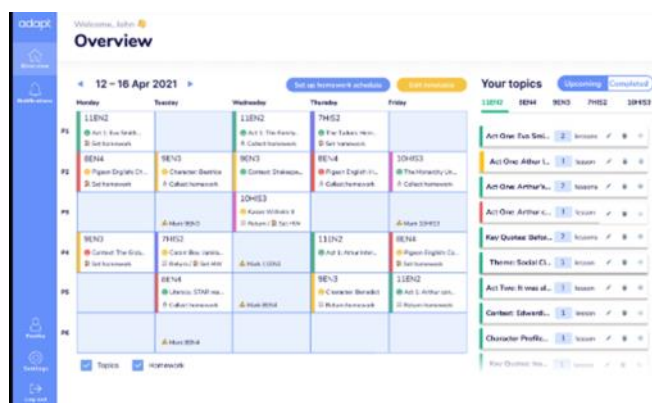

Mrs Stedman

Adapt – a useful revision planner for year 11

There is a free app that can be downloaded on all platforms called Adapt.

Once you have entered all your subjects (and exam board) the app will automatically create a revision timetable for the lead up to exams. The benefit of the app is that it will break down each subject into smaller topic based revision plans – all for free. This will help the students focus on the needed topics for the exam.

Visiting speaker for year 11s...

On Monday we invited David Hyner to deliver a memory skills seminar to year 11. David is well known for his motivational revision skills talks, having delivered sessions internationally. The ses-

sion was highly entertaining with David sharing life experiences and drawing together memory techniques from a wealth of research.

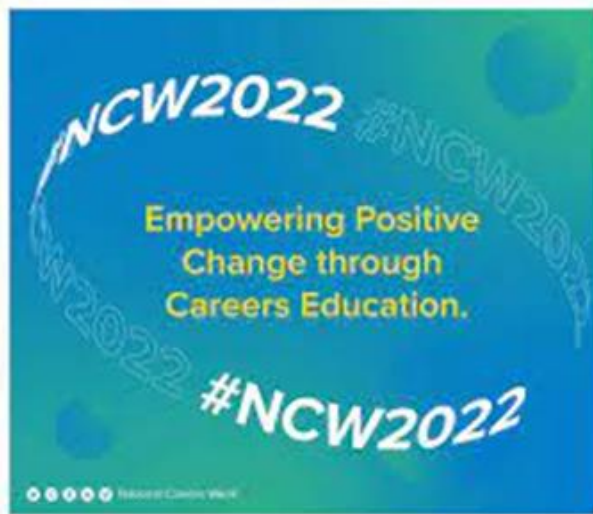

The main approach they have learnt is memory stacking. The technique works by creating a story which links together what you are trying to re-

member through the use of imagery and emotion. During the session students were given a list of in excess of 20 random items and facts. Within 10 minutes the whole group called recall (in order) the items. Wow! Just as impressive was Ellie who recalled all facts in order on her own. Ellie was also able to recall the facts in a random order when asked. Year 11, as always, were fantastic. Good luck to year 11 as they prepare for their final set of mocks; they now have a great new tool to help them prepare.

Mr Bastock

National Careers Week

NCW

NatWest Group

National Careers Week (NCW) is a celebration of careers guidance and free resources in education across the UK. The aim is to provide a focus for careers guidance activity at an important stage in the academic calendar to help support young people leaving education.

Here at Alcester Academy, we empower students by providing resources and linking education with the world of employment to ensure students get an important insight to the future of work and further learning. CEIAG (Careers Education, Information, Advice and Guidance) is designed to prepare students for life in modern Britain by providing the knowledge, understanding, confidence and skills that they need to make informed choices and plans for their future learning and career. Better informed students result in better decision making. Throughout National Careers Week, students will be accessing information through tutor work with a view to promoting positive discussions regarding future careers.

For more detailed information about National Careers Week please see the links:

LEAVE OF ABSENCE DURING TERM TIME

INFORMATION FOR PARENTS

The Supreme Court recently reached a decision in the case of *Platt v Isle of Wight Council* which has clarified the law on unauthorised leave, including holidays, during term time. The parents of children of compulsory school age are required to ensure that they attend school on a regular basis. The Supreme Court has made clear that attending school 'regularly' means that the children must attend school on every day that they are required to do so. As such, the parents of any child who is absent from school without authorisation for any length of time are likely to be considered as committing an offence under s444 of the Education Act 1996.

Head Teachers retain the ability to authorise leave in accordance with the Education (Pupil Registration) (England) Regulations 2006. When considering such requests for a leave of absence, the school are obliged to act within the law. Head Teachers may not grant any leave of absence during term time unless there are exceptional circumstances relating to the application. If the leave is granted, head teachers are able to determine the number of school days a child can be absent for.

It is for the Head Teacher to decide what is 'exceptional' and it is at their discretion if the circumstances warrant the leave to be granted. The school can only consider Leave of Absence requests which are made by the 'resident' parent.

Each application for a leave of absence will be considered on a case by case basis and on its own merits.

Where applications for leave of absence are made in advance and refused, the child will be required to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an unauthorised absence, which may result in legal action being taken against the parent(s), by way of a Fixed Penalty Notice.

Failure to make an application for leave in advance can also result in a Fixed Penalty Notice being issued to the parent(s).

All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service, part of Warwickshire County Council

It is important to note, Fixed Penalty Notices are issued to each parent of each absent child, (for example 2 children and 2 parents, means each parent will receive 2 invoices in the amount of £120 each, totalling £240 for both children, this is reduced to £60 per child if paid within 21 days).

Where a Fixed Penalty Notice is not paid within the required timeframe as set out on the notice, the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal proceedings under S444 Education Act 1996.

Fixed Penalty Notices are issued in accordance with Warwickshire County Council's Code of Conduct for Penalty Notices.

Your child's progress academically as well as socially is our shared priority

Warwickshire School pupils recorded 31,196 half day sessions of absence due to holiday in the Autumn term 2019.

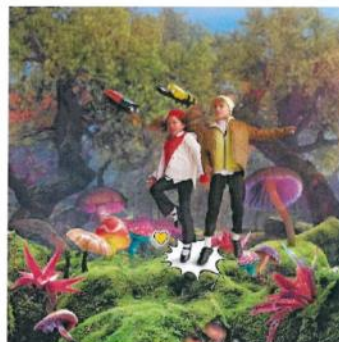

WHY NOT BOOK A SLOT TO TAKE ADVANTAGE OF OUR EXPERT FITTING ADVICE?

From their very first crawling shoes to robust and stylish school shoes or shoes for those big weekend adventures, our kids in-store fitting experts will help you find the perfect fit for their growing feet. Plus, we have a personal shopping and fitting service for adults too.

With hundreds of Clarks stores to choose from, skip the queues and book a 15 minute measure and fit appointment at a time that suits you.

Clarks combine almost 200 years of expert shoemaking with everything they know about caring for growing feet to provide unbeatable all-day comfort. Their shoes pass up to 60 tough tests, from flexing leather 500,000 times to pulling laces to destruction. The results?

The best shoes ever, keeping little feet happy all day long.

To book your in-store fitting appointment visit www.clarks.co.uk or contact your local store

IN-STORE FITTING

Avoid the queues and book your in-store measure and fit appointment online now at www.clarks.co.uk

Choose **Clarks Stratford upon Avon** and a time slot that suits you.

Plus, take along your child's most recent pair of Clarks shoes, and they'll check if they're still a good fit.

QUIET IN STORE FITTING?

Shoe shopping can be overwhelming for some children. If you think a shopping experience without crowds, noise and bright lights would be better, then book a Quiet Time appointment.

To do this, contact **Clarks Stratford upon Avon** on **01789 296068**

Opening hours,
Mon to Fri 9.30am-7:00pm
Saturday 9:00am-6:00pm
Sunday 10:00am-5:00pm

SPORTS NEWS * SPORTS NEWS * SPORTS NEWS

Year 7 swimmer Arturo has been going from strength to strength with his Club Stratford Sharks this season. As well as racking up a number of impressive personal bests, he has recently been commended for his sportsmanship which reflects very well on this determined and driven young man. Congratulations Arturo and we wish you well in your future swimming endeavours.

A busy week of Jr. NBA fixtures saw our year 7 and 8 teams in action with fixtures against St.Bede's, Shipston and AGS. Tuesday saw the year 8s travel to St.Bede's for a double header against the hosts and Shipston. A chastening loss in the first game with St.Bede's taught them a lot which they put to good use in an emphatic victory against Shipston in the second game.

Wednesday saw the year 7s and 8s in action at AGS. The year 7s kicked things off and started really well, opening up a 10 point lead following some excellent play by the whole team. A nervy last quarter led to AGS getting back to within two points but the team managed to hold on for a deserved victory against well-drilled opposition.

The year 8 game was a see-saw affair with the lead changing hands on numerous occasions. As time ticked down the tension mounted but, in the end, we again managed to cling on for a two point victory.

Both year 7s and 8s should be commended for their determination to not buckle under pressure, and all concerned should be praised for the way they went about their basketball, playing with great skill and teamwork. Thanks to everyone involved and on to the next one!

Mr Powell

Warwickshire Cricket Board February Half Term—Girls Only Cricket Camp

Kineton School on the 24th and 25th February 2022 from 10-2pm.

Ages 7-14, Girls of all abilities welcome.
