

Alcester Academy WEEKLY BULLETIN

19th May 2023

Dear Parents and Carers,

Good afternoon. I hope that you have had a great week. Wasn't it lovely to see some sunshine finally!

We are so proud of all of our students again this week. Congratulations to year 11s who made a really superb start to their written GCSEs this week. We saw huge commitment and dedication. I'm also very grateful to the staff for providing early morning sessions, lunchtimes and physical breakfast for the students. Mrs Kirby and her invigilation team need to be mentioned also for their hard work in supporting the students.

Year 11 Saturday School

It is year 11 science Saturday School tomorrow morning from 9-11am. Invited students only. Thank you to the staff for being in over their weekend.

Food Festival

We are wishing our year 7, 8 and 9 students the very best of luck for the Coronation Cup Cake Bake Off being held tomorrow at the Town Hall as part of the Alcester Food Festival. I look forward to seeing many of you around town during this event.

Friends of Alcester Academy—PTA

Thanks to parents who joined Miss Buckthorp and I at our new, summer term PTA meeting venue in Alcester last night. Thank you to The Turks Head, Alcester! We have two main PTA events left this year—the Summer Bash and the Bottle Collection for this year's Street Market. Thanks.

If you want to join our amazing fund raising team, please just email us.

Friends@alcesteracademy.org.uk

Meetings are usually on TEAMS with a more personable approach in the summer because of the lighter evenings.

Face painter needed

We are searching for a face painter with full liability insurance for work at our Summer Bash on 15th July 12noon—5pm. Please contact head@alcesteracademy.org.uk.

Open Events 2023

Our *Open Evening* for 2023 will be on Thursday 21st September, with *Open Week* from Monday 18th September to Friday 22nd September.

Year 6 Updates

Thank you to new parents who visited us for the pre-loved uniform sales recently. We will have a few items on sale at New Parents' Evening on Tuesday 4th July.

We will very shortly be sending out the Transition Trip information to year 6 parents in readiness for the September team building day for students and we are rapidly getting our Summer School offer ready for you. Week of 31st July – 4th August.

Year 7 Exam Prep Week

Next week sees year 7s starting to get prepared for their exam week starting on 5th June, directly after half term. Year 7 exams take place in classrooms. We will be looking at the Super 6 next week with them all. Mr Cooke has written to year 7 parents about this.

Year 8 Taster Week

Our year 8s got some real experience of Key Stage 4 subjects this week before finally choosing their options. Miss Bartlett, in careers also connected year 8 students with year 10 and 11s to talk about why they had chosen the subjects that they had.

Options deadline is Thursday 25th May. If students start to decide over the weekend, please be sure that option forms are returned on Monday, thank you.

Behaviour Policy Updates

I wrote to you on Wednesday with details of the updates to the school Behaviour Policy. This now includes sanctions with regard to vaping and behaviour outside of school that brings the Academy into disrepute.

I have been reliably informed by residents of

Throckmorton and Gerard Road that several of our students are choosing to vape on the way into school. We will be conducting checks over the next few weeks to ensure that students understand that this is unacceptable.

[Behaviour and Discipline Policy](#)

Car Speed—Gerard Road

Please can I ask all drivers to be careful to adhere to the speed limit along Gerard Road. With thanks.

False eyelashes

False eyelashes or extensions are not permitted at school. With thanks.

Summer—socks

For students who want to wear socks, instead of tights, with skirts over the summer term, we ask that plain black cycling shorts are worn underneath the skirt please. The skirt length should be longer than the shorts.

We are responding positively to student and parent voice in a change over the warmer, summer months. Thank you for the feedback.

Performing Arts Trip

Many congratulations and huge thanks to our year 9s and 10s who visited Stratford Playhouse this week as part of their KS4 curriculum. They watched Musicals Rock! The XIII – The Final Stand performed by Stratford College students.

Congratulations Mrs Goldsby!

Many congratulations to one of our fabulous midday supervisors for running a 5k in Bromsgrove last weekend in aid of Blood Cancer UK.

Thank you Courtney

Many thanks to Courtney and her family in year 8 for laying flowers at Chipping Campden School this week.

Courtney has recently taken up playing water polo at the school and wanted to pay her respects after the recent accident.

Energy drinks/fizzy drinks

Just a reminder that these drinks are not permitted in school.

Further teacher industrial action

I have been made aware that further ballots will take place on industrial action. The NASUWT are now also involved in this. I will keep you updated as I hear more.

I think that covers everything in school for this week. Wishing you all a super, restful weekend ahead. I'll see some of you in town tomorrow I'm sure.

Mrs Sarah Mellors—Headteacher

LEAVE OF ABSENCE DURING TERM TIME

UPDATED INFORMATION FOR PARENTS

The Supreme Court recently reached a decision in the case of *Platt v Isle of Wight Council* which has clarified the law on unauthorised leave, including holidays, during term time. The parents of children of compulsory school age are required to ensure that they attend school on a regular basis. The Supreme Court has made clear that attending school 'regularly' means that the children must attend school on every day that they are required to do so. As such, the parents of any child who is absent from school without authorisation for any length of time are likely to be considered as committing an offence under s444 of the Education Act 1996.

Head Teachers retain the ability to authorise leave in accordance with the Education (Pupil Registration) (England) Regulations 2006. When considering such requests for a leave of absence, the school are obliged to act within the law. Head Teachers may not grant any leave of absence during term time unless there are exceptional circumstances relating to the application. If the leave is granted, head teachers are able to determine the number of school days a child can be absent for.

It is for the Head Teacher to decide what is 'exceptional' and it is at their discretion if the circumstances warrant the leave to be granted. The school can only consider Leave of Absence requests which are made by the 'resident' parent.

Each application for a leave of absence will be considered on a case by case basis and on its own merits.

Where applications for leave of absence are made in advance and refused, the child will be required to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an unauthorised absence, which may result in legal action being taken against the parent(s), by way of a Fixed Penalty Notice.

Failure to make an application for leave in advance can also result in a Fixed Penalty Notice being issued to the parent(s).

All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service, part of Warwickshire County Council.

It is important to note, Fixed Penalty Notices are issued to each parent of each absent child, (for example 2 children and 2 parents, means each parent will receive 2 invoices in the amount of £120 each, totalling £240 for both children, this is reduced to £60 per child if paid within 21 days).

Where a Fixed Penalty Notice is not paid within the required timeframe as set out on the notice, the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal proceedings under S444 Education Act 1996.

Fixed Penalty Notices are issued in accordance with Warwickshire County Council's Code of Conduct for Penalty Notices.

Your child's progress academically as well as socially is our shared priority

Warwickshire School pupils recorded 37,021 half day sessions of absence due to holiday in the Autumn/Spring terms 2021/22.

Reporting Absences

Parents must report any absence from school, including medical appointments requiring absence and any Covid related ill health leading to absence, to the student absence line by 9.30am on each day of absence—01789 762285 and press 1.

Where there has been no contact from parents and carers and the child remains absent without explanation Academy staff will make contact with parents and carers to ask the reason for absence.

In the first instance School Comms will be used to send a message via the app or text, followed by contact via phone, if no response is received. Medical evidence (for example, this could be medical appointment cards, prescribed medication labels) can be requested to support student absences from school.

Our Attendance Officer will follow up unexplained or concerning levels of absence as outlined in our Attendance Intervention Process.

Mental Health Awareness Week

This week, all year groups, had an assembly based around anxiety.

Anxiety is a normal, human feeling of fear or panic. When we face stressful situations, it can set off our brain's in-built alarm bell system, which tells us something isn't right and that we need to deal with it.

Most of us worry sometimes – but afterwards we usually calm down and feel better.

But when you're not in a stressful situation, and you still feel worried or panicky, that's when anxiety can become a problem.

Photography of the Week

I recently visited Silverstone Circuit to watch the Intelligent Money British GT Championship, a three-hour-long race featuring forty-eight GT3 and GT4 class cars. In addition to this main event, there were also several other races, such as the GB3 and GB4 Championships, Ginetta GT Championship, and a supercar meet-up.

As a photographer, I was excited to view this event, as I knew it would provide me with many opportunities to capture some amazing shots of the cars and drivers in action. Throughout the day, I snapped thousands of images, of which I sorted through once I went home, and edited some of my favourites.

Student Spotlight

This week's student spotlight focuses on the achievements within football of Sophie in year 9. Sophie had played football from a young age but has really shone this season in particular, representing all of school, club and county.

Alongside playing for multiple sports teams within school, Sophie has scored 20+ goals for her regular Stratford team, that is actually U15s (a year above). Additionally, she has had some quite impressive achievements including being selected to play for the county (Warwickshire) as well as being on trial for Birmingham City Ladies.

Well done on your outstanding achievements within football this season Sophie!

This week's sport round up SW Athletics Trial

On Monday many of our Junior and Inter Boys and Girls Athletes competed in a District trial to attempt to gain selection for the South Warwickshire Athletics team next month. Outstanding effort was shown by all of our Alcester Academy in what was a tough field.

We would like to congratulate the following students who have been selected to represent the South Warwickshire District team at the County Championships in June.

Junior Boys:

Will (year 8) – 800m/80m Hurdles

Tom (year 9) – Long Jump

Junior Girls:

Scarlett (year 8) – 100m/200m/Relay

Morgan (year 8) – 300m

Marijke (year 8) – 1500m
