Alcester Academy WEEKLY BULLETIN

20th September 2024

Dear Parents and Carers,

Good afternoon. I hope that you have all had a super week. At the Academy this week, we have been thinking about the School Values in our assemblies with year 7-10. We have been talking about respect for our environment and in particular, the IT equipment that students use every day. We invest heavily in this for them as a school.

Thank you to the huge number of year 8 parents that attended the Skern Lodge meeting on Wednesday. It's not long to go now!

And, it won't be long before we launch this to our current year 7s ready for next year https://www.skernlodge.com/

Our Berlin trip 2025 launched for year 9 and 10 historians this morning, as did Wimbledon for our sports students. Miss Buckthorp hopes to publish the remainder of the trips offer to you all next week. I like you to be able to see what opportunities will be available in order to make informed choices. Parents are expected to sign the Home Academy Agreement in order for students to be eligible to be considered for trips. I referred to this in last week's bulletin.

Our year 11s heard from Stratford College in a bespoke assembly this week with regard to Post-16 opportunities, and many of them have been enjoying their geography field work residential in the Lake District. I look forward to updating you more on this experience in next week's bulletin. There are some super photos of their work so far on X, and the environment that they are studying in. Do have a look on X this week as lots of subject areas have posted wonderful updates during the week for you @AlcesterAcademy.

Reminder—Open Week

Next week is Open Week. This is just a reminder that we do close school at 1.40pm on Thursday 26th September in order to prepare for Open Evening. Thank you for your cooperation with this. Miss McKenzie and Miss Bartlett have toured our priority area feeder school this week, on my behalf, in order to invite year 5 and 6 students to Open Evening.

Safeguarding Training

All staff were trained on Monday this week with regard to *Keeping Children Safe in Education*. We take our safeguarding duties extremely seriously. Miss Buckthorp is the Designated Safe guarding lead for the school.

My Mate Fancies You— Year 7 Super Learning Day with Loudmouth

PSHE Workshop: Puberty, Growing Up & Transition to Secondary School | Loudmouth

Year 7s enjoyed a sensitive look into some of the factors around growing up on Wednesday. This was delivered by one of our external partners, Loudmouth. As a guide, it covered the following aspects:

⇒ The key facts about puberty and the changing adolescent body, including physical and emotional changes.

⇒ Key facts about the menstrual cycle including what is an average period, range of menstrual products and the implications for emotional and physical health.

⇒ Support for pupils' emotional and physical development so they are prepared for the changes that adolescence brings.

We always write to parents in advance of any of our Super Learning sessions in order that you are prepared to support conversations that might arise at home.

KS3 Homework Parent Forum

Details have been sent out about the KS3 Parent Forum. This will be a virtual event taking place on Thursday 3rd October at 6pm. Mr Cooke, Deputy Headteacher will be joined by Mr Hall to take you through how you can access your child's homework record on Google Classroom. And, all from the comfort of your own home too! We will record the forum for you to access afterwards. This will be kept on the school website.

Year 10 Work Experience

There are just sixteen work experience places secured to date with year 10s. We have reminded the students to be organising these now. Last year saw a record 92 students going out on Work Experience. This is such a valuable opportunity for post-16 preparation.

Thank you Stratford Girls' Grammar School

We were so grateful to receive a baby grand piano from SGGS this week and I look forward to you enjoying hearing students playing as you visit the school from time to time. You should have received an Alliance update this week from me in order to update you on the work in progress between the Three Rivers schools. This continues to be really exciting.

Instagram Changes

I'm sure that you saw the proposed changes to children's Instagram accounts published this week. In case you didn't catch this, here is a useful link: Major Instagram update to give parents more control with new teen privacy settings | Science & Tech News | Sky News

If these areas can be imposed, the new guidance will be a welcome improvement on safeguarding grounds.

Parent Drop In

This continues each Wednesday 3.30-4.30pm. There is no appointment needed. For new parents to the school, the senior and extended leadership team have a rota for this each week and therefore two assigned staff are available as needed each week. With regret, you cannot drop in and request to see a specific teacher without notice.

What's happening next week at Alcester Academy?

We are looking forward to our Cake Bake sale for Macmillan on Wednesday in the LRC. Our student librarians are supporting this wonderfully. This is open to students and staff. Students might need some cash to buy cakes on Wednesday. If you are able to donate any cakes to sell, please mark these for Mrs Hands' attention and leave them at reception.

MACMILLAN CANCER SUPPORT

On Thursday, we are celebrating European Day of Languages. The MFL department have worked hard on various activities for the students to enjoy throughout the day.

Finally, on Friday, we welcome AGS in to speak with our year 11s about post-16 opportunities.

Wishing you a wonderful weekend ahead. Thank you all for your continued support to ensure a wonderful start to this academic year.

Sustainable Conservation Area

Through our work with The Sustainability Academy, things have been moving at an exciting pace at Alcester Academy in terms of embedding sustainability into our curriculum and becoming an eco-friendly school.

I am incredibly grateful and exceedingly proud to be part of a school where staff and pupils are equally as passionate about the environment and taking action to combat climate change at a local level.

Last Friday, staff and ex pupils began work on our beautiful new conservation area. This area now has a home and source of food for hedgehogs, birds and other wildlife. We have an area where new seating will be assembled and are working towards clearing the far corner to have raised beds, a water feature and begin growing herbs and vegetables which will be used by our food technology pupils.

Plea for Gardening Equipment, and Sponsorship for our Conservation Area

This is just the very beginning of developing our conservation area and we are asking our school community if there is anyone who could help us source, donate or sponsor the following items:

- Gardening Equipment
- Garden Shed
- Bird and Hedgehog Food
- Raised Beds
- Any other decorative items for gardens

Any donations would be gratefully received. Please contact me at charliemckenzie@alcesteracademy.org.uk if you are able to help.

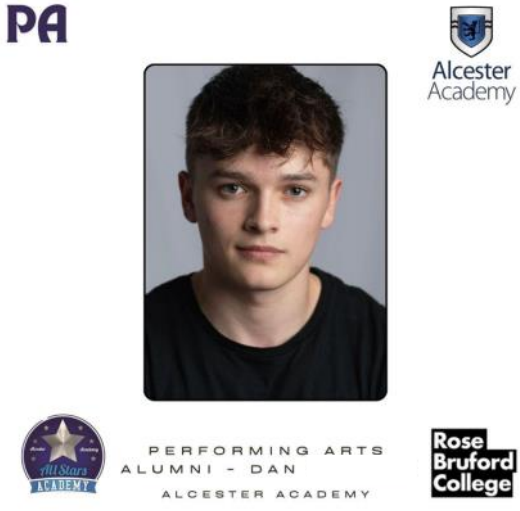
Alcester Academy Alumni Spotlight: Dan—The Next Chapter at Rose Bruford College

We are incredibly proud to celebrate the achievements of our former student, Dan, as he embarks on an exciting new journey at the prestigious Rose Bruford College, one of the UK's top drama schools. Known for producing some of the most talented actors in the industry including, Gary Oldman, Lake Bell, and Hayley Squires.

Rose Bruford is the perfect place for Dan to continue his passion for performing arts.

Dan was a shining star here at Alcester Academy, impressing both his teachers and peers with his commitment, creativity, and talent. He played a key role in many of our school productions and has inspired countless younger students through his dedication to the arts. We know he will continue to thrive at Rose Bruford, and we look forward to seeing where his talent and hard work take him in the future.

Dan, you've made us all proud, and we wish you the very best as you take this next step in your career. Keep shining, and we know you'll do amazing things! *Miss Sacco*



Post-16 Destinations—Stratford-upon-Avon College

This week saw the first assembly for year 11 regarding post-16 destinations from Stratford-Upon-Avon College and we sincerely thank them for their valuable input.

We work closely with colleagues across the district to ensure that students receive as much information about opportunities available to them to support their decision making.

Year 11 will have an assembly once a week into next half term. Further details may be found on the Post-16 Google Classroom.

KS3 Parent FormHomework

You are warmly invited to attend our first parents' forum of the term which covers information about the Alcester Academy homework process, how we assess your child at KS3, and information about the use of Epraise.

The date of our virtual TEAMS forum is Thursday 3rd October 6.00pm and we anticipate the session will take 30 to 40 minutes.

If you are a year 7 parent, and able to attend, we strongly recommend you join us. For year 8 parents, the forum will serve as a refresher of our processes also.

Please confirm attendance by clicking here to register for the KS3 Parent Forum.

A link to join the Parent Forum will then be sent out on Wednesday 2nd October 2024.

Kind regards
Mr Cooke—Deputy Headteacher

MFL Bake-Off Challenge

Do you enjoy baking? If yes, then this competition may be for you. As part of European Day of Languages, we would like to you to either:

⇒ Research cakes, pastries, biscuits and baked goods from another country in the world. Make a cake/cakes/biscuits of your choice. OR

⇒ Make any cake of your choice and decorate it with a European Day of Languages theme.

Please provide an information card with your entry to describe what you have made and why.

Bring your entries to the conference room during tutor time on Monday 23rd September.

Entries will be judged by Mrs Weatherley, Miss Gruszczynska and Mrs Mellors. You will be able to take your entries home at the end of the day.

European Day of Languages—26 September 2024

In order to recognise the 6000 different languages spoken in Europe, we will be celebrating this year's European Day of Languages through a variety of activities which will take place during the week beginning Monday 23rd September.

Some of the activities include:

⇒ Year 7-11 cultural tutor quiz with prizes for the best tutor groups!
⇒ Year 7 and 9 Bake Off Competition
⇒ Poetry competition in MFL lessons
⇒ Guess your teachers' links to countries abroad—tutor competition.

On Thursday 24th September all staff at Alcester Academy will be greeting students in a different language.

Miss Heitmüller, Miss Gruszczynska and I look forward to seeing students getting involved with these activities.

Teamwork Day at Blackwell

Last Friday, year 7 embarked on their first rewards trip from Alcester Academy to Blackwell Adventure. This was a superb opportunity for students to get to know each other whilst participating in a wide range of activities. The focus of the day was 'teamwork', and I'm delighted to say that the students were a credit to us. They threw themselves into challenging situations and worked together to ensure each activity was a huge success.

There were an array of various activities, and only a couple which kept feet firmly on the ground! Archery has always been a firm favourite and it transpires we have some very skilled archers in year 7. Many 'bullseye' cheers were heard throughout the grounds during the course of the day. Laser Tag was superb and the students had a ball chasing each other around in the glorious sunshine. The staff were keen to join in too!

For those more adventurous students, there were a number of activities involving heights. The zip wire and the various climbing walls were great for pushing students to their limits. It was wonderful to see those who were confident supporting those who were a little more apprehensive. With the support from their peers, everyone who tried was successful and should be extremely proud of themselves. My favourite activity to watch was the crate stack. Here students had to support each other and work as a team to reach dizzy heights before the crates were pushed over.

Overall the students had a fantastic time and many new friendships were formed. We sincerely thank staff at Blackwell for once again helping to create the perfect day.

Miss Bartlett

Macmillan Coffee Morning— Wednesday 25th September in the LRC

Our student librarians are holding a cake sale to raise funds for Macmillen Cancer Support.

The sale will be held in the LRC on Wednesday 25th September at break and lunchtime, and will be open to students and staff.

We would be very grateful for any cake and biscuit donations, which should be brought into school from Monday 23rd September until the morning of the Wednesday 25th September.

We are a nut free school and I ask that parents please support this.

Many thanks
Mrs Hands
and the student librarians

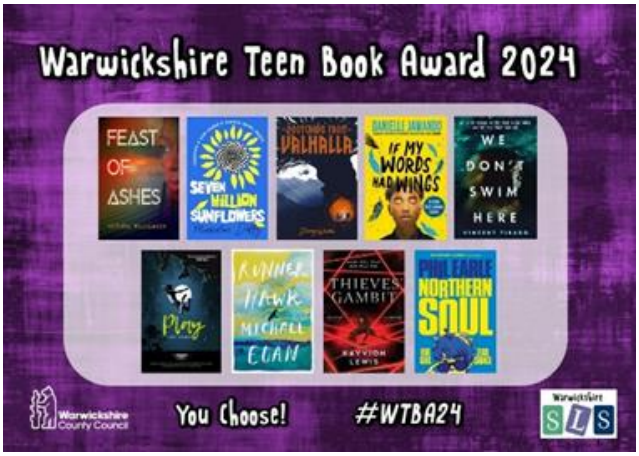
Warwickshire Teen Book Award 202



Shortlisting for the Warwickshire Teen Book Award will begin next week. For this award the students themselves choose the four books for the shortlist from a longlist of nine books that were chosen by staff at Warwickshire Schools Library Service (WSLS).

During English lessons, some students in years 9 and 10 will spend five minutes with an extract from each of the nine longlisted books. They will then each vote for the four they think they would most like to continue reading. The results from Alcester Academy will be sent off to WSLS to be counted with votes from all the other Warwickshire schools that are taking part.

We are looking forward to seeing which four books will be chosen and can't wait to start reading!

Accelerated Reading

The Accelerated Reading system is now available for all students in years 7 and 8, and English sets 4 and 5 in year 9 to quiz on the books they are reading.

Home Connect letters have been sent out to parents this week.

Please only quiz on new books that you have read since the start of September.

To access Accelerated Reader quizzing at home:

Make sure are using Google Chrome and this link/ URL to access the system:

Spotlight on Lunchtime Music Clubs at Alcester Academy

At Alcester Academy, we believe that music is not only an important part of education but also a powerful way for students to express themselves, develop new skills, and build lasting friendships. We are proud to offer a variety of lunchtime music clubs, providing students the opportunity to explore different musical styles and instruments, all while enjoying the benefits of creative collaboration.

Here's what's on offer:

Monday: Acoustic Group
Tuesday: Pop Band
Wednesday: Orchestra
Thursday: Rock Band

These clubs give students the chance to immerse themselves in music, whether they enjoy the softer tones of acoustic instruments or prefer the dynamic energy of rock and pop. Participating in extracurricular activities like these can boost students' confidence, improve teamwork, and develop performance skills—all while having fun!

If your child is interested in any of the music clubs or would like to know more, they can speak to Mr Badham in the music department.

The School

Alcester Academy is a highly successful 11-16 school with 640 pupils currently on roll. Alcester is located between Studley and Stratford-upon-Avon. The school has an excellent reputation based on examination results, a progressive approach to educational development and a strong sense of community. At our last inspection in 2022, Ofsted judged us good. The school's overall average Progress 8 score for at least the last two years places us as one of the top performing non-selective schools in Warwickshire, and in the top 5% nationally.

Further details about the school can be found on our website (www.alcesteracademy.org.uk), including our current curriculum information. Our X (formerly Twitter) feed (@AlcesterAcademy) is another excellent source for a feel of the school.

Student Spotlight
Courtney (year 10, Billesley)
Water Polo

Congratulations to Courtney in year 10 who continues to excel within the sport of Water Polo. Following a recent Team GB trial, Courtney has now been selected to join a talent centre which is a pathway to be selected to play for England and GB in the future. We wish Courtney the very best of luck for the year ahead!

Will (year 10, Oversley) and
Darcie (year 11, Greville)
English School's Combined events

We would like to wish the very best of luck to Academy students Will and Darcie who will be representing Warwickshire at the English School's combined events championships this weekend. This is a fantastic achievement to make the Warwickshire team and compete at the highest level against the best athletes from across the country. We look forward to sharing their experiences in the bulletin next week.

Fixture Round Up

We have had a great first week of sport with after school practise and fixtures resuming in various sports for our students.

Many congratulations to all students who have represented the Academy in football fixtures this week, with 4 of our teams in action.

In true Alcester Academy spirit, I would like to thank our students Toby (year 9, Greville) and Dylan (year 10, Oversley) who gave up their time to support officiating of the year 8 football fixture v Studley.

Gloucester Rugby Coaching

Many thanks to Mr Rogers from Gloucester Rugby who has began his coaching sessions with Alcester Academy students this term. In a fantastic opportunity for our students our KS4 boys took part in a brilliant training session last week with our KS3 students beginning next Thursday 26th which till take place from 1.35-2.35pm due to the early finish time for open evening.

Archery Coaching

We would like to thank the Bowmen of Alcester for continuing their archery coaching with Alcester Academy students in a long running partnership with the school. Our newest year 7 cohort took advantage of the expert coaching this week and we look forward to seeing their skills progress over the coming weeks. Many thanks to Ed in Year 11 also gave up his time to support our young and aspiring archers.
