Alcester Academy Weekly BULLETIN

21st November 2025

Good afternoon,

This week has been dominated by the 2025 production of Grease and, many staff and students have been involved in the last two nights at school with performances. Thank you to a number of Governors, staff and Alcester dignitaries who have already come to see the show with others expected this evening for the final performance. I am very grateful to you as parents and extended family members for supporting the cast so well during this busy period of time too.

What's inside this week

We hosted nearly 130 children on Tuesday from some of our priority area primary schools for the matinee performance. This is always a thrilling afternoon as we 'go live' for the first time.

My particular thanks must go to the staff team, led ably by Miss Sacco, our Show Director and a number of adult volunteers without whom we would have no production at all. They dedicate so many months to this for the students and I am very grateful. Thank you to Strong Feet Dance Academy for their sponsorship also. We were all bursting with pride to see the students performing so brilliantly. There will be a full Grease report in the coming weeks for you.

We now move on to our Rock Academy concert next Tuesday at the Greig Hall. We're looking forward to seeing you there.

Friends PTA Bingo

We were gutted to have to cancel Bingo last Friday at short notice but feel that it was the safest decision in light of the extreme weather warnings. We will look forward to seeing you in January 2026 for the next event. Save the date.

The PTA will be on the Round Table Santa Run on Tuesday 16th December. Look out for them on the Birmingham Road.

Odd Socks Day

On Monday, we celebrated Odd Socks Day, a national day to embrace diversity and difference. Thank you to staff and students who participated in this. This led into assemblies taken by Miss Bishop, our Equality, Diversity and Inclusion lead around the International Day of Disabilities too.

Alcester Division of the Royal British Legion

Year 7s heard from the Chairman of the Alcester Division of the Royal British Legion in their separate assembly on Monday, Cllr Mark Cargill. This linked nicely with the personal development work taking place in Prism time.

Safeguarding Lockdown

We were extremely proud of all of the students on Tuesday during our lockdown practice. This was conducted brilliantly and extremely seriously by everyone.

Gerard Road Safety—Vehicles

I appreciate that the weather conditions last Friday were highly unusual and caused more parents to collect children from school in vehicles at the end of the day. However, please can you respect the following requests at all times:

- Drivers should never mount the pavement in a bid to try and alleviate the traffic circumstances. The pavement should be safe zone for our children and supporting staff to walk on without fear of meeting a car.
- Drivers should not be stopping randomly on Gerard Road because they happen to see their child. This was causing congestion totally unnecessarily on Friday and was stopping other drivers from safely using the road system.
- Please do not park on the solid white lines. The children need safe spaces to cross the road with clear gaps to see where this is safe to do so.
- Please do not park on the school grounds. On safeguarding grounds, drivers are not permitted to enter or exit the car park whilst any students are leaving.
- If you are asked to give way, or reverse slightly, SLT would appreciate your cooperation. Thank you. A stand off situation does not help anyone.
- Gerard Road has a 30mph speed limit. If drivers could remain well within this, I'd be grateful.

Thank you if you always do this in order to keep our children as safe as possible. After last Friday, Warwickshire's Safety Engineering Team did finally come out and survey the road conditions at the end of the day on Wednesday this week. I'll keep you updated on any progress towards a making Gerard Road a safer zone.

Next week

Year 11 mocks start next week fully, and we move to 3:2 days for a number of weeks. Thank you to the MFL team for conducting the speaking exams this week. Teaching assistant support in class is reduced whilst this team aid those students who have additional access in place for this period.

Save the date—year 10 parents

We are looking forward to seeing you on Thursday 4th December for year 10 parents' evening on School Cloud. A communication will be sent out very shortly for you all.

schoolcloud Parents Evening

And, wishing you all a restful weekend. That was the week that was Grease 2025 here at Alcester Academy! Another wonderful and uplifting week facilitated by the Performing Arts team for the students with more memories of fantastic school days.

Best wishes
Sarah Mellors—Headteacher

The cast of Grease 2025 were joined on the night by local Alcester dignitaries.

October Half Term Football Touring Team

Some of our year 8s have continued to provide tournament reports from their half term trip to Spain. Here are a few more extracts for you.

From Elliott

The next day we prepared for our first three games. They didn't go well as we lost all of them but we were playing academy teams. After the tournament we got the coach back and played in the pool.

The next day we got ready for our last two games. The first one started off well until they got a penalty. It was all up to me... they shoot … I save it! It was a great save we were playing great till they scored, and they got another penalty but they just about scored but it ended up 2-0 in the end to them. The next game we lost as well but it was our last game. When we got back, we just played in the pool and that was it.

From Kai

Day 3

We all got dressed ready for football. We all met outside the rooms to walk down to breakfast. It was good. I had bacon and scrambled eggs and then we headed to the bus for about 10 minute drive to the Barcelona ground. We were going to play against Drogheda United and we lost 7-1. Casey scored. The second team were progressive youths. We lost 5-1.

From Casey

Day 4

On Day 4 we only had two games so we woke up and got kitted up again like yesterday and headed to breakfast where I had churros. And after we finished, like yesterday, the coach was here to take us to the games. When we arrived, at the same place as yesterday, we only had two games. We had a long wait until our first game against Lyngby from Denmark. The score was 3-0 to Lyngby. Our final game of the tournament was against Clontarf from Ireland and again we lost 3-0 and that was the end of the tournament and we got our medals. On our last day at the hotel, we played in the pool.

From Jorga

Day 6

Today we did some more sightseeing around Barcelona, we went to the Olympic Stadium which is where we got crisps and cookies for breakfast, then we took the underground to Español Stadium and we got let in on their 125th anniversary to take pictures and learn a bit about the history of the stadium.

And Part 2 after last week from Noah….

Day 2 (continued):
I came back on, and the match ends at 7-1, our first match comes at a loss, but it doesn't matter we are here for the experience.

The next team we were up against were a professional Norwegian Team called SK Brann. Their men's first team were in the Europa League. It was just pass after pass and they were dazzling and mind-blowing skills throughout. We were losing within the first 5 minutes. On the pitch, we ran cluelessly in hope to find a loose ball or just something, but we just couldn't, they had perfectly cut passes and never lost the ball or made any mistakes! But as the goals kept going in, we started to take more risks, beat defenders, but it purely wasn't enough to score a goal. We had been beat 12-0.

Meanwhile, back at the hotel we jumped in the pool, played more and more football and managed to have a great day. Obviously though, we went out to watch Manchester United before dinner. Manchester United had won 4-2 against Brighton and we came home with our bellies full of Burger King and faces full of joy. After hide and seek, we went back to our rooms and I played a few games of cards with my dad and went straight to sleep, ready for the next day.

Day:3
I woke up on a glum rainy morning ready for breakfast. We went down for breakfast and took in the light strokes of rain coming down slow, sly-like almost, as if the rain was hiding something.

We all walked down the clubhouse together and performed a few stretches before our first game. I was now sitting in the clubhouse like we were in a furnace being red-hot meat getting cooked slowly, but then we took our coats off, we were now fine.

Meanwhile, our first game was about to take place. As we walked to our first game, we certainly took notice of the variation of this Spanish weather because it was undeniably not scorching hot right now, it was back to that glum morning we woke up in.

The final game came, before the match we pumped ourselves up and were ready to win. At this point, defeat was not an option. As we lined up, I screamed my final 'COME ON ALCESTER', then focused. The halftime whistle had blown, 1-0 to them. We were grasping for that 1-1 and as we were so close the Irish boys clenched another goal

Day 3: Second day of the tournament

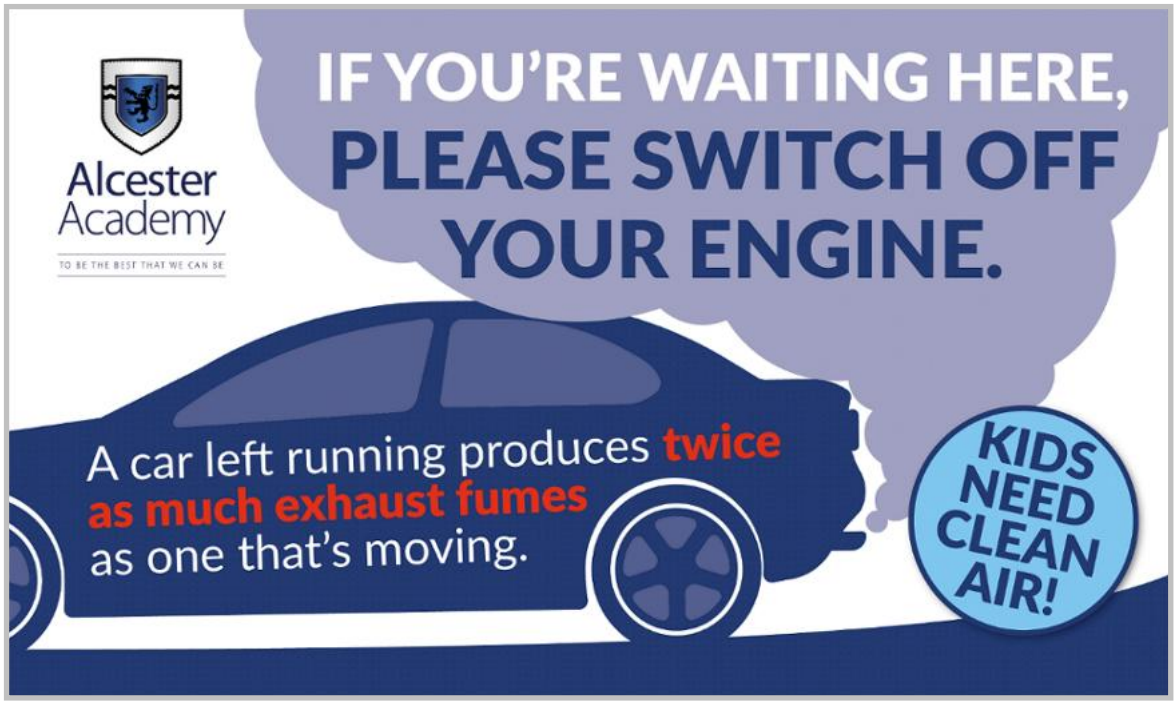
From Will, year 8

We woke up around 7am to go and get breakfast. After breakfast we got on our private coach to the grounds, where the tournament was held. We had a semi finals match first, that we lost 2-0. The first goal was good, their second goal was a penalty. Then we had the play off for 15 and 16 which we lost. I didn't play that game because I broke my toe. Next was the medal ceremony where we all got our medals for participation. After that we headed back to the hotel to depart tomorrow.

in the last 5 minutes. However, it does not assure their victory, we could come back. But now, as one more goal sneaked past our whiskers, the mountain is colossal, and they have put this match to bed. There is one last attack for us and as Corey shields the ball, I screamed for it as I have a clear shot on goal outside the box. I get it, I correct my feet, trap the ball and strike the ball with almighty power, as I see the ball and gliding across the sky coasting into the net, my heart races (nearly skipping a beat), but then it bends and settles out wide. My heart sinks to my stomach, and I am wholeheartedly gutted, extremely disappointed and feel a panging pain in my chest. That was the last kick of our tournament because the whistle had been blown, it was over 3-0. Therefore, we had lost. However, we were all disappointed but grateful for the wonderful experience.

Day 4: The Final Day!
As I woke up, later than usual, I relaxed... I knew there were no more games to play!

Thank you to the team for these fabulous diary entries! *Mrs Mellors*



Planting for the Future

Our Sustainability Ambassadors have been hard at work this week making our school grounds more beautiful and biodiversity-friendly! We're thrilled to announce that we successfully planted hundreds of spring-flowering, pollinator-friendly bulbs across the school, thanks to a fantastic partnership with one of our alliance schools, AGS, who secured the necessary funding.

This effort will transform our grounds into a colourful spectacle, supporting essential insects when they emerge next spring. Our ambassadors wrapped up warm, due to the spell of cold weather we are experiencing and to our surprise we found the ground to be soft enough to dig deep and get planting.

Alongside our bulb planting, Biffa, have kindly donated three new fruit trees for us to plant which we are hoping will be deliciously fruitful!

Help Us Stock Our Shelves: The School Library's Amazon Wishlist!

Our Learning Resource Centre School Library (LRC) is a vital hub for learning, imagination, and discovery, but keeping our collection fresh, diverse, and up-to-date is an ongoing challenge. We want to ensure every student can find a book that sparks their curiosity and supports their studies, but our budget can only stretch so far.

Why a Wishlist?

We've created and are continuing to add to a special Amazon Wishlist filled with titles that our librarian, teachers, and students will be excited about! This list includes:

- **Bestsellers and New Releases**: Books that students are buzzing about and requesting now.
- **Diverse Voices**: Stories that reflect the rich diversity of our school and the wider world.
- **Non-Fiction Resources**: Up-to-date materials to support classroom assignments and independent research in science, history, and more.
- **Graphic Novels and Manga**: High-interest items that help engage reluctant readers.

By using the Wishlist, you can purchase a book that goes directly to the school library. It's a simple, transparent way to know exactly what your donation is providing for our students. Every book donated becomes a shared resource for the entire school community for years to come!

How You Can Help

Supporting the library has never been easier! Here's how you can make a difference today:

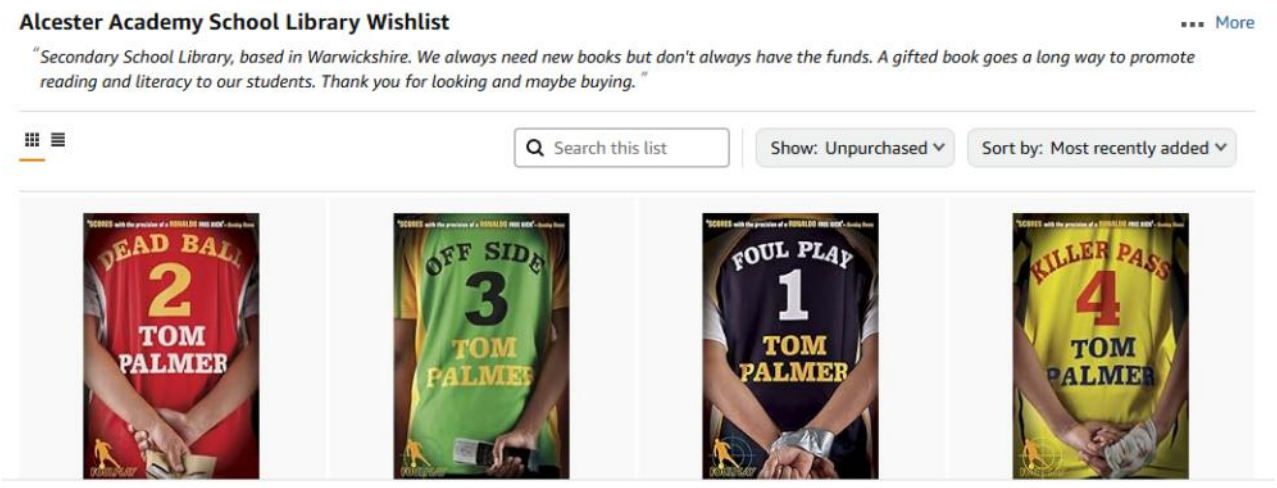
- **Find the List**: You can access the Wishlist by visiting https://www.amazon.co.uk/hz/wishlist/ls/3EPAIJEMK3OSC?ref_=wl_share

Please note that it is no longer possible to directly search for a 'wishlist' on Amazon, and so this link is the only way to find it.

- **Pick Your Book**: Browse the items and choose a book (or several!) that you'd like to donate.
- **Check Out**: When purchasing, select the school's address (often listed as the "Gift Registry Address" during checkout) so the book is shipped right to us. Don't forget to include your name in the gift message if you'd like a thank-you note!

Even purchasing a single paperback can make a significant impact on our collection and put a smile on a student's face. Thank you in advance for helping us nurture a lifelong love of reading and learning in all our students! For more information, please contact the LRC Manager juliehands@alcesteracademy.org.uk.

Mrs Hands—LRC Manager



Thank You for Your Generous Donations from the Amazon Wishlist

On behalf of the students and staff, I want to express our deepest thanks for your incredibly generous donations to the school library.

We were thrilled to receive eleven new books this week from our Amazon Wishlist. Your generosity in purchasing these items for us is truly appreciated.

These fantastic new titles are a significant addition to our collection and will play a vital role in our ongoing efforts to promote and foster a love of reading across the entire school community.

Thank you once again for your remarkable support and commitment to our library and students.

Mrs Hands—
LRC Manager

Important notice regarding library stock and the School Library Amazon Wishlist

We have made a decision not to stock the popular Maple Hills series by Hannah Grace (which includes Icebreaker, Wildfire, and Daydream) in the school library, and have therefore removed it from our Amazon Wishlist.

We understand that the book covers for this series may lead you to believe they are aimed at a younger young adult (YA) audience. However, upon review, these books contain explicit content and mature themes that we have determined are not suitable for our student body and fall outside the guidelines for our school library collection.

We are also aware that some students, particularly in year 8, may be reading these books outside of school. We encourage all parents to be aware of the content in the books their children are choosing to read to ensure it aligns with your family's values and your child's maturity level.

Thank you for your understanding as we maintain a collection that is appropriate and supportive of all our students.

LEAVE OF ABSENCE DURING TERM TIME

UPDATED INFORMATION FOR PARENTS

The Supreme Court has clarified the law on unauthorised leave, including holidays, during term time (Platt v Isle of Wright 2017). The Supreme Court has made clear that attending school 'regularly' means that the children must attend school on every day that they are required to do so. As such, the parents of any child who is absent from school without authorisation for any length of time are likely to be considered as committing an offence under s444 of the Education Act 1996.

The law states a leave of absence may only be granted by a school if an application is made in advance and if it considers there are exceptional circumstances relating to the application.

Schools must judge each application individually considering the specific facts and circumstances and relevant background context behind each request.

A leave of absence is granted entirely at the school's discretion. Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance.

Where a leave of absence is granted, the school will determine the number of days a pupil can be absent from school.

When making an application for Leave of Absence parents are advised to give sufficient information and time to allow the Head teacher the opportunity to consider all the exceptional circumstances and to notify parents of their decision. The school may also request further information on the application and supporting documentation where appropriate.

It is advised that if the resident parent has not received notification or a response regarding the leave of absence application, it is the parents' responsibility to ascertain if the leave is authorised prior to the start of the leave.

The school can only consider Leave of Absence requests which are made by the 'resident' parent ie the parent with whom the child normally resides.

Where applications for leave of absence are made in advance and refused, the child is expected to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an unauthorised absence. Where a leave of absence is requested, but additional days taken either prior to or after the request may be considered as part of the leave of absence.

Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as 'unauthorised'.

All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service, part of Warwickshire County Council. Penalty Notices are issued in accordance with Warwickshire County Council's Code of Conduct for Penalty Notices and in the first instance, as an alternative to prosecution proceedings.

Leave of Absence taken after the a19th August 2024.

The law relating to Penalty Notices changed with effect from 19 August 2024. Therefore, Penalty Notices issued for Leave of Absence taken from September 2024 will be issued in accordance with the updated legislation.

Penalty Notices are issued to each parent of each absent child, (for example 2 children and 2 parents, means each parent will receive 2 invoices – 4 in total).

First Leave of Absence offence: The Penalty Notice amount of £160 to be paid within 28 days, this is reduced to £80 each child if paid within 21 days.

Second Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): The amount of £160 paid within 28 days. No reduced amount.

Payment plans will not be offered and/or payments received outside of the 28 day period will not be accepted. Where a penalty notice expires unpaid the matter will be referred to Warwickshire County Council's Legal Services to consider criminal prosecution.

Third Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): A penalty notices will be not be issued and the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal prosecution proceedings under S444 of Education Act 1996.

Your child's progress academically as well as socially is our shared priority.

Notice for Parents

To comply with the School Attendance (Pupil Registration) (England) Regulations 2024 and Data Protection expectations, it is vitally important that Alcester Academy keeps accurate and up to date information relating to every pupil on roll.

The information we are required to record includes:

- Pupil's full legal name (and if appropriate, their preferred name).
- The name, address and contact details of every person known to the school/academy who is a parent* to the pupil with whom the pupil normally resides (this is the address that has been used to register with their GP).
- The name, address and contact details of any additional parent*.
- Any other emergency contact details.

In order to gather this information parents are asked to review the data collection form on MCAS. If you need to make changes, please do so via MCAS or email admin@alcesteracademy.org.uk.

Alcester Academy requests that if you change your contact number, move home or there are any other circumstances which may impact your child, the school is notified as a priority.

N.B. *The Education Act 1996 defines a 'parent' as a). any natural parent, whether married or not, b). any parent who, although not a natural parent, has parental responsibility as defined in the Children Act (1989) for a child or young person c). any person who, although not a natural parent, has care of a child or young person.

Alcester Academy

If a pupil is ten minutes late to school or lessons each day, they will miss seven days of learning over a year.

Year 10 Boys South Warwickshire Football Tournament

Year 10 put in some brilliant performances at the Boys Football Tournament held at Stratford School this week. Our team remained unbeaten throughout the tournament to take the win overall. This is a brilliant achievement and a tournament this group of players have now won for 2 years in a row. Many congratulations to you all.

Year 7 South Warwickshire Basketball Tournament

Following their successful first basketball fixture in the cup against AGS, our year 7 team were excited to have the opportunity to compete at the District Basketball Tournament against our other local schools.

Our team put together some positive performances to reach a 3rd place finish overall in the District.

Opportunity: American Football—Coventry Phoenix Phutures

Please see below information about an American Football opportunity in Coventry:

Coventry Phoenix are excited to introduce the Coventry Phoenix Phutures—the youth development program of the Coventry Phoenix American Football Club.

Their goal is to give young people in Coventry and the surrounding areas the opportunity to experience and enjoy one of the fastest-growing team sports in the UK.

Age Groups

We currently offer three levels of play, suitable for a range of ages and abilities:

U14 Flag (Non-Contact) – for ages 10 to 14
A fun and inclusive introduction to the sport, focusing on teamwork, agility, and coordination without physical contact.

U16 Contact (5 v 5 Small Field) – for ages 13 to 16
A great next step for players looking to experience full tackling in a controlled, smaller format.

All age groups are led by experienced and qualified coaches who prioritise player development, safety, and enjoyment.

Upcoming Taster Sessions
We invite students to attend our free taster sessions at Butts Park Arena, Coventry on: Sunday 30th November, and Sunday 14th December. 1-4pm. We would love to work with you to introduce more young people to the sport.

Pre-Season Training
Our pre-season begins in January 2026, with weekly training every Sunday through to September. All sessions and home games take place at Butts Park Arena.
