WEEKLY BULLETIN

24th May 2024

Dear Parents and Carers,

Good afternoon. Welcome to half term. I'm not quite sure where the last seven weeks went! I know that I say that to you all often, from a school perspective! Thank you to the students for a superb half term.

The year 7-10s have worked with us so well towards some different arrangements in school during the GCSEs. The alternative timetable will continue after the school break. The last exam is Thursday 20th June. I wish the year 11s a restful half term break and I have written separately to year 11 parents about the forthcoming arrangements.

Following the news this week, Miss Bishop is putting together a bespoke session for the students on the importance of a general election. Naturally, this will be totally unbiased but it remains a great opportunity for us to have some topical conversations on a learning basis with the students.

Here are some specific updates this week for your interest

Year 7 Parents' Evening

Thank you to parents and carers for joining us last night. If there is anything further that you would like to pursue

Parents
Evening

following parents' evening, please do reach out to us.

Faith Walk—year 7s

What a delight to be able to arrange a Faith Walk yesterday for our year 7s. Thanks so much to staff for accompanying students. We are so proud of our year 7s. Miss McKenzie has written about this specifically, later on in this edition. I'm grateful to the Ministers of Alcester for supporting this wonderful morning.

What's inside this week...

Congratulations to our Town Bakers!

There were some outstanding entries for Saturday's Food Festival Bake Off at The Town Hall, and I'd like to sincerely thank parents, staff and students who gave up their time for this event. Here are just some of the entries to see what the *World Bread Theme* manifested.

A special well done goes to:

KS3 Winners

1st Place Eva
Runner up Anna

KS4 Winner

1st Place Marijke

Thanks to our esteemed judges Stephen Leadley from the West End, and our own Mayor of Alcester, Councillor Mike Bowe, and his consort.

Thank you students

I was moved that so many students wanted to attend the funeral this week of District Explorer Scout Commissioner, Gareth Onens. Thank you to students and parents for supporting such a sad day, yet one that encompassed so much that was good about such a short life. We continue to send our thoughts to Gareth's family at this time.

Support for students with special educational needs

Please be aware that with regret, Mrs Bush, SENCo is not in school currently. Please do reach out to appropriate members of staff if needed in Mrs Bush's absence. We wish Mrs Bush a speedy recovery.

Bus Behaviour

Thank you to a new parent for relaying such a positive story from one of the students' bus drivers about their wonderful behaviour. It was a fabulous start to the week to hear this.

Congratulations Amelie in year 7

Thank you to everyone who contributed to Amelie's charity drive (featured last week). She has now raised £820 for the Little Princess Trust and HistioUK, and has donated a good proportion of her hair to good causes also. We are very proud of you!

Welcome Miss Goddard—Science

We welcome Miss Goddard to the science team after half term to cover Miss Taylor's maternity leave. I will make a formal introduction to you after the break.

Engines

Please can I continue to ask you to switch engines off when you are waiting to pick children up at the end of school. Thank you. I do get regular feedback from concerned Kinwarton parish members if this causes concern. I'd appreciate being able to resolve this matter with your absolute support and help.

Lions Young Leaders in Service Awards

All of our student librarians are given the opportunity to use their student librarian duties towards Lions Young Leaders in Service awards. The students log their hours over twelve months, with the goal of completing either 25 (Bronze) 50 (Silver) or 100 (Gold) hours of service to the school. Hours from volunteering time to others, such as scouts, brownies, elderly family members or neighbours can also be used.

Two students were awarded certificates and badges on Wednesday by David Henderson, from Alcester Lions.

Molly year 9—Bronze Certificate
Maya year 10—Gold Certificate

Huge congratulations to both of them!
If other students volunteer their time anywhere, then please do come and see Mrs Hands for details of how they can use this time to achieve these awards.

The LRC and the English Department encourage pupils to develop a lifelong love of reading with Accelerated Reader.

Did you know that Accelerated Reader (AR) produces an average of two years' reading age growth, in just one year while promoting reading for pleasure? Students from years 7, 8, 9 and 10 who are on the AR system, have been avidly reading and taking quizzes this term. Please encourage your child to read, and quiz because:

People who read are more likely to be involved in the world around them: Research shows that reading makes you more engaged in life around you, helping you to make the most of opportunities that come your way in life.

Reading helps your memory: Every time you read something new, your brain 'makes room' to fit it in. With these new spaces, you can take advantage of any new information. Good news when you need to revise for exams!

Reading helps to boost your analytical thinking: Reading helps you to recognise various patterns that occur in writing. If you are looking for a law or medicine career, this is important!

Reading expands your vocabulary: The more that you read, the more words you will come across.

The more often you read these words, the more likely you are to understand them, and use them in your own writing and speaking.

LEAVE OF ABSENCE DURING TERM TIME UPDATED INFORMATION FOR PARENTS

The Supreme Court clarified has clarified the law on unauthorised leave, including holidays, during term time (Platt v Isle of Wright 2017). The Supreme Court has made clear that attending school 'regularly' means that the children must attend school on every day that they are required to do so. As such, the parents of any child who is absent from school without authorisation for any length of time are likely to be considered as committing an offence under s444 of the Education Act 1996.

The regulations regarding Leave of Absence (The Education (Pupil Regulations) (England) Regulations 2006 as amended by Education (Pupil Regulations) (England) (Amendment) Regulations 2013.) advise:

- Head teachers **shall not grant any** Leave of Absence during term time **unless they consider** there are **exceptional** circumstances relating to the application.

If the leave is granted, Head teachers are able to determine the number of school days a child can be absent for.

It is for the Head teacher to decide what is 'exceptional' and it is at their discretion if the circumstances warrant the leave to be granted. When making an application for Leave of Absence in advance parents are advised to give sufficient information and time to allow the Head teacher the opportunity to consider all the exceptional circumstances and to notify parents of their decision. It is advised that if the resident parent has not received notification or a response regarding the leave of absence application, it is their responsibility to ascertain if the leave is authorised prior to the start of the leave.

The school can only consider Leave of Absence requests which are made by the 'resident' parent ie the parent with whom the child normally resides.

Where applications for leave of absence are made in advance and refused, the child will be required to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an unauthorised absence, which may result in legal action being taken against the parent(s), by way of a Fixed Penalty Notice.

Where a leave of absence is requested, but additional days taken either prior to or after the request may be considered as part of the leave of absence and could result in a Fixed Penalty Notice being issued to the parent(s).

Each application for a leave of absence will be considered on a case-by-case basis and on its own merits.

Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as 'unauthorised'. This may result in legal action against the parent, by way of a Fixed Penalty Notice. All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service, part of Warwickshire County Council.

It is important to note, Fixed Penalty Notices are issued to each parent of each absent child, (for example 2 children and 2 parents, means each parent will receive 2 invoices in the amount of £120 each, totalling £240 for both children, this is reduced to £60 per child if paid within 21 days).

Where a Fixed Penalty Notice is not paid within the required timeframe as set out on the notice, the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal proceedings under S444 Education Act 1996.

Fixed Penalty Notices are issued in accordance with Warwickshire County Council's Code of Conduct for Penalty Notices.

Your child's progress academically as well as socially is our shared priority

**Warwickshire School pupils recorded 96,366 half day sessions of absence
due to holiday in the Academic year 2021/22.**

Year 7 Faith Walk around Alcester

The whole cohort of year 7 were welcomed with open arms this week by our local faith community as the pupils visited St. Nicholas Church, Our Lady and St Joseph Church, Alcester Baptist Church and Alcester Methodist Church.

This was a very inspiring cultural development opportunity that fed into their current Religious Studies Curriculum where pupils have been exploring spirituality.

The pupils were exemplary throughout the Faith Walk and a huge thank you to our local Ministers for devoting your time to Alcester Academy and sharing the history of your church, information about your own denominations and the wonderful work you do to support the local community. We feel incredibly lucky to have had this opportunity.

Student Spotlight

Courtney (year 9)

Well done to Courtney in year 9 who, following several trials at water polo, has been selected to play for U16s West Midlands regional team. The tournament will take place in Walsall on 29th and 30th June, where Courtney will have the opportunity to compete against some of the best water polo players from across the country.

This is an amazing achievement considering Courtney will be competing against players who are three years her senior. A truly outstanding achievement Courtney, well done from us all at Alcester Academy.

Jack (year 10)

Congratulations to year 10 student Jack, who recently won the Midland Junior Premier League U15 vase with his club side Racing Club Warwick.

This is a fantastic achievement for Jack and his team. The MJPL is of a high standard within Football and puts Jack and his team mates against some of the best U15 talent within region.

Alice (year 9)

Well done to Alice in year 9 who was awarded the *Keith Morris Award* when she attended her end of Season Rugby awards.

The award was chosen by the coaching team and club management.

Alice was chosen for the award because of her commitment to Womens and Girls Rugby and for demonstrating TREDs (Teamwork, Respect, Enjoyment, Discipline and Sportmanship).

Alice was congratulated for another outstanding season, for always attending training sessions, for supporting and encouraging her team mates and her enthusiasm for growing the sport and her team.

Alice is always the first person to welcome anyone new and always puts her team first.

Fixture summary U13 and U15 Boys Tennis v Henley

Our boys tennis teams took on Henley this week in a competitive fixture as a warm up to this year's LTA league campaign. Some brilliant tennis was played by both teams with a 3-1 match victory secured at both the U13 and U15 age groups. It was brilliant to see the support amongst our players at both age groups as well as some fantastic ability on court.

Year 10 Rounders Tournament

Unfortunately, the year 10 rounders tournament was postponed due to the rain this week. We will be in touch regarding a rearranged date for this tournament.
