WEEKLY BULLETIN

3rd May 2024

Good afternoon Parents and Carers,

Thank you to year 8 parents who joined us last night for Options Evening. I hope that you found the information useful. The deadline for returns to Mr Hollis or year 8 tutors is Wednesday 15th May. If any student needs further guidance, please contact us at school. We're very happy to support important conversations around choices.

Last weekend...

What a busy weekend it was. Thanks to staff and parents for making some excellent opportunities happen either on the netball trip, year 10 D of E, or *Mass in Blue* at Worcester Cathedral.

What's inside this week...

Welcome Miss Pass

I'm delighted to welcome Miss Pass to the staff team this week. Miss Pass will be covering Miss Nemeshanyi's maternity leave in art and photography. Miss Nemeshanyi was certain that she had a few more working weeks ahead but with regret, her baby thought very differently! It's certainly time for a rest before the baby arrives! Good luck Miss Nemeshanyi. We hope Miss Pass will be very happy with us and we thank her for starting slightly earlier than expected.

Alliance Update

Positive work continues across the five alliance schools. I'm proud to say that we will be called The Three Rivers Alliance based upon the geography of each school site. There will be a press release to this affect very soon.

Our next event will be a joint sustainability conference for some year 9 students in June.

Mental Health May

On Wednesday 8th May we are holding a non-uniform day and asking for all staff and pupils to join us in raising awareness about mental health by participating in *Wear It Green Day*.

This can be a subtle accessory or a full outfit of head to toe green! However you choose to participate, by wearing it green as one school community we are showing each other, and those around us, just how much we care and how important it is to promote positive mental health and wellbeing.

To participate we are asking for a donation of £1, with all proceeds going towards the Mental Health Foundation.

Inter School Bake Off— Food Festival Saturday 18th May

Be sure that your son or daughter has signed up for this with Miss Wincup or Mr Tuckey.

Behaviour going to and from school

I have had three concerns raised this week by members of the community about the conduct of our children going to, or from school. This includes tampering with gardens, doorways and posting items through residents' letter boxes. Please can you speak to your child/ren about this. We will act to reduce this type of behaviour, and we take the behaviour of any individual discovered to be bringing the Academy into disrepute very seriously.

And finally, I'm sure that you will join with me in wishing our year 11s all the luck in the world as they head into their written GCSE exams next week. The first exam is science (Biology) on Friday 10th May. This means that we all transfer to 3:2 days during the duration of the summer exams.

Congratulations to 60 year 11s leaving with a commendation letter attached to their final school report ever. This is huge! We are so proud of you all.

Letter of Commendation

For years 7-10, it also means that the alternative timetable is underway from Thursday 9th May with year 7-10 school classes potentially having other familiar teachers looking after classes whilst our specialists prepare year 11s for their exams.

We are thinking of you all year 11 and know that you've got this. Good luck to everyone!

Next week there is the year 7 Harry Potter Studio trip (separate details have been sent out). The final meeting for the Paris trip takes place on Wednesday 6-7pm and a PTA Friends are meeting on Thursday at 7pm. Before then of course though, we can all enjoy a lovely bank holiday weekend. Have a lovely May Day and I'll be in touch again next week.

Best wishes,

Sarah Mellors—Headteacher

Bronze DofE Practice Expedition

Last weekend we took 48 year 10 students on their Bronze Practice expedition. On Saturday morning we met the Resilient team at the campsite in Aston Cantlow, and the students pitched their tents and practiced using the Trangias to make hot drinks.

sleep was had due to the noisy rain and low temperature. In the morning the campsite was drenched and it continued to rain as the students cooked breakfast, packed away their tents and re-packed their rucksacks. It was a tough, very soggy and cold morning, but spirits remained

high for most and the groups set off unsupervised for day two.

We then set off for a supervised navigation walk. The students led the way, navigating using maps and compasses and practicing the skills they've learned on the training days in school. All groups walked 12-14km carrying their bags, along a variety of routes ending back at the campsite, where they unpacked the bags and began cooking their evening meals. We saw some impressive meals being cooked and lots of marshmallows toasted.

All groups had a successful practice expedition and should now be well prepared and looking forward to their assessed expedition in July. Hopefully it will be a little warmer and drier!

Mrs Jones

There was lots of wildlife at the campsite and one group was taken by surprise when a group of cheeky resident ducks ran up to them and pinched a beak full of pasta straight out of the saucepan. The students enjoyed a very large game of catch involving almost every student there. This lasted for about two hours until it was too dark to see the ball. It was lovely to see so many different friend groups playing together. As the night drew in it started to get very cold, the rain began and the students rather reluctantly retired to their tents for the night.

Overnight saw torrential rain which woke most of us up and the majority of students ended up with water in the tents and wet belongings. Not a lot of

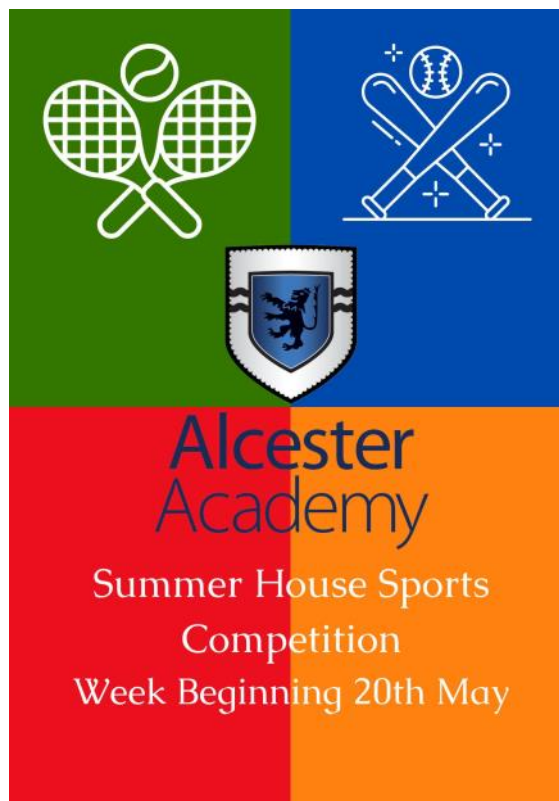

Exciting News: Summer House Sports Competition!

We are thrilled to announce that the highly anticipated Summer House Sports competition will take place during the week beginning Monday 20th May. This exhilarating event will see students from each year group showcasing their sporting prowess in the summer sports of tennis, rounders, and softball, all within their PE lessons.

The competition promises to be fierce as students proudly represent their respective houses: Ragley, Oversley, Billesley, and Greville. With each house vying for victory, the question on everyone's mind is: who will emerge as the ultimate champions?

Stay tuned for updates and results as we witness thrilling displays of sportsmanship, teamwork, and determination throughout the week.

Let the games begin, and may the best house win!

Mass in Blue—Cathedral Spectacular!

There are no words to describe just how proud I am of the pupils that took part in a unique music project culminating in a performance at Worcester Cathedral on Saturday 27 April.

Through a programme of teaching and learning, both in school and at weekend massed rehearsals, the pupils worked directly with the project's musical director and conductor Neil Ferris (BBC Symphony Chorus Director) and were part of a 170 strong choir. The concert featured international saxophone superstar Jess Gillam MBE as guest artist, and the choir were accompanied by Will Todd—*Mass in Blue* composer and his professional jazz orchestra.

The pupils sang in Latin, learnt how to read professional music scores and sang their absolute hearts out. This will be a musical memory for life.

Scholastic Book Fair

There will be a Scholastic Book Fair in the LRC from Monday 20th to Thursday 24th May.

It will be open to students at break and lunch times.

Payments can be made in cash or by using the online payment link at:

www.bookfairs.scholastic.co.uk/pay

and simply selecting Alcester Academy from the drop-down menu.

Pre-paid gift vouchers are also available in £5, £10, £15, £20 and £25. Go to www.bookfairs.scholastic.co.uk/gift-vouchers to buy vouchers for your child before the fair.

Your child can also order books via a Wish List—available on the LRC GC or please ask Mrs Hands if you would like one of those.

All books ordered will be given to students either at the time of purchase or by the end of Friday 25th May—perfect for a half term read!

Mrs Hands—LRC Manager

WANTED SAUCEPANS AND ELECTRIC WHISKS

The Food Technology department would like to request donations of stainless steel medium sized saucepans (16cm or 18cm), and electric hand held whisks.

Do you have any of these items at home that are no longer needed? Would you be willing to donate them to school?

In addition, any left over empty Celebrations or Roses tubs would be gratefully received as well.

*Thank you! Mr Tuckey—Food
Technology teacher*

HELP EARN FREE BOOKS FOR YOUR SCHOOL*

Scholastic is one of the largest providers of free books to schools via our Reward scheme which helps to ensure that as many children as possible have access to books that support reading for pleasure. Every time you buy from the Book Fair, you help to make a difference by supporting literacy in your child's setting. Last year, with your help, we gave over £5.3M worth of free books to schools nationwide, which stocked school libraries and classrooms.

*Free books are subject to terms and conditions. Please contact your Book Fair Organizer or Scholastic Book Fairs for details.

LEAVE OF ABSENCE DURING TERM TIME UPDATED INFORMATION FOR PARENTS

The Supreme Court clarified has clarified the law on unauthorised leave, including holidays, during term time (Platt v Isle of Wright 2017). The Supreme Court has made clear that attending school 'regularly' means that the children must attend school on every day that they are required to do so. As such, the parents of any child who is absent from school without authorisation for any length of time are likely to be considered as committing an offence under s444 of the Education Act 1996.

The regulations regarding Leave of Absence (The Education (Pupil Regulations) (England) Regulations 2006 as amended by Education (Pupil Regulations) (England) (Amendment) Regulations 2013.) advise:

- Head teachers **shall not grant any** Leave of Absence during term time **unless they consider** there are **exceptional** circumstances relating to the application.

If the leave is granted, Head teachers are able to determine the number of school days a child can be absent for.

It is for the Head teacher to decide what is 'exceptional' and it is at their discretion if the circumstances warrant the leave to be granted. When making an application for Leave of Absence in advance parents are advised to give sufficient information and time to allow the Head teacher the opportunity to consider all the exceptional circumstances and to notify parents of their decision. It is advised that if the resident parent has not received notification or a response regarding the leave of absence application, it is their responsibility to ascertain if the leave is authorised prior to the start of the leave.

The school can only consider Leave of Absence requests which are made by the 'resident' parent ie the parent with whom the child normally resides.

Where applications for leave of absence are made in advance and refused, the child will be required to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an unauthorised absence, which may result in legal action being taken against the parent(s), by way of a Fixed Penalty Notice.

Where a leave of absence is requested, but additional days taken either prior to or after the request may be considered as part of the leave of absence and could result in a Fixed Penalty Notice being issued to the parent(s).

Each application for a leave of absence will be considered on a case-by-case basis and on its own merits.

Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as 'unauthorised'. This may result in legal action against the parent, by way of a Fixed Penalty Notice. All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service, part of Warwickshire County Council.

It is important to note, Fixed Penalty Notices are issued to each parent of each absent child, (for example 2 children and 2 parents, means each parent will receive 2 invoices in the amount of £120 each, totalling £240 for both children, this is reduced to £60 per child if paid within 21 days).

Where a Fixed Penalty Notice is not paid within the required timeframe as set out on the notice, the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal proceedings under S444 Education Act 1996.

Fixed Penalty Notices are issued in accordance with Warwickshire County Council's Code of Conduct for Penalty Notices.

Your child's progress academically as well as socially is our shared priority

**Warwickshire School pupils recorded 96,366 half day sessions of absence
due to holiday in the Academic year 2021/22.**

Teacher of Physical Education

Salary: MPS/UPS

Contract: Full time

Required for September 2024

[ADVERT ON THE SCHOOL WEBSITE](#)

PE Department

An exciting opportunity has arisen for a well-qualified, enthusiastic and talented teacher to join the Physical Education team at Alcester Academy. It is an exciting time to join the department as it continues to evolve in a subject area that is extremely popular amongst students at the school. The successful candidate will be expected to teach a broad and varied PE curriculum across KS3 and KS4 and contribute to the range of sporting activities that our students experience outside of the classroom during lunchtimes and after school. It is expected that the successful candidate will make a significant contribution to the school's extra-curricular offer and continue to work alongside the Head of PE to provide further opportunities for House Sport. Student Leadership is a key priority within the subject area and the successful candidate will be expected to contribute to the opportunities offered to our school's Sports Leaders.

Curriculum PE at KS3 is taught in mixed gender groups set by ability, following a baseline assessment of student performance carried out in Autumn term. Students who opt for Sport as an option in KS4 currently go on to study on the OCR Cambridge National (Sport Studies) course. Experience of teaching this qualification is desirable although not essential for the successful candidate.

Informal visits to the school are welcomed, contact admin@alcesteracademy.org.uk to book in a visit to the school with the Head of PE.

The application deadline is midday Friday 17th May 2024

Interviews will take place week commencing 20th May 2024

We reserve the right to follow up references provided in person.

Please note that this school is committed to safeguarding, equality of opportunity, and promoting the welfare of children and young people.

An enhanced DBS check will be required.

Science Teacher (Maternity cover)

KS3 and KS4 Science - flexible on specialism

Salary: TMS

Location: Alcester, Warwickshire

Contract Type: Full Time

[ADVERT ON THE SCHOOL WEBSITE](#)

A vacancy has arisen to become part of an outstanding science department within a high performing and friendly school. Alcester Academy enjoys a strong reputation locally and nationally as a result of our caring ethos and excellent academic performance. The successful applicant will join an ambitious and supportive science team as maternity cover. At Alcester Academy, teachers enjoy the freedom to deploy their individual skills, and talents, whilst conveying a passion for their subject and delivering excellent outcomes.

The science department is proud of the progress that students make. As a team, we have an established record of excellent results; in 2022 results far exceeded National Averages: P8 for the whole school was +0.46 and science achieved a VA of +0.55. In 2023 86% achieved a minimum of 2 grade 4s in science with 71% achieving at least 2 grade 5s. Applicants will be considered from all points of experience, including early career teachers.

If you feel that Alcester Academy could be for you, please feel free to arrange a conversation or a school tour with our Head of Science, Debbie Marshall or simply complete the application form.

Closing date: Wednesday 15th May 2024

Interview date: W/C 20th May 2024

For more details regarding this post please email: admin@alcesteracademy.org.uk.

Alcester Academy is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Student Spotlights

Sam (year 9)

Sam travelled to Scotland to take part in the Taekwon-do UK Scottish Championship. He engaged in three different events:

- Sparring—where he aimed to gain an advantage over his opponent through scoring points for kicks and punches;
- Patterns—which consists of a series of fundamental movements focused on attack and defence, serving as a measure of an individual's technique;
- and the special technique competition—which involved flying kicks used to enhance strength and flexibility.

In the competition, Sam achieved remarkable success. He secured the gold medal in the 5th-3rd Kup junior patterns category, demonstrating his proficiency in executing the prescribed movements. Additionally, he triumphed in the junior special technique event, by executing kicks of superior height compared to all other

competitors. Sam achieved the highest score and was awarded a gold medal.

Lastly, Sam attained the silver medal in sparring, competing in a highly competitive division.

Congratulations Sam, on your outstanding achievements within Taekwon-do.

Kobe (year 10)

Kobe has had a fantastic season of basketball where he has represented the U16 team at Warwickshire Hawks (a year above) at shooting guard. The Warwickshire Hawks U16s finally won their Midlands Conference 1 league, winning 17 out of 18 games in an impressive season on the court. Kobe's team were unfortunately knocked out in the semi finals of the National Knockout (all league winners) by Leeds in Headingley, although it was a fantastic experience and

learning opportunity for the team to take on some of the best teams from across the country.

To add to Kobe's already successful season he was also selected in the England fast track programme, called Aspire, and made it through 7 of 10 selection rounds. A phenomenal achievement for Kobe to train, compete and learn against some of the best basketball talent in England.

Will (year 9)

Will continues to excel within athletics and this week represented Alcester Academy in the Warwickshire 2024 combined events championships. With some tough competition for Will with the best athletes in the county, he performed exceptionally well to finish 2nd place overall. Will also achieved new PBs in both hurdles and shot put at the event. Well done on an excellent performance Will as we head into the summer athletics season.

Darcie (year 10)

Many congratulations to Darcie in year 10 who this week competed at the Warwickshire 2024 combined events championships this week, representing Alcester Academy.

As a younger competitor, competing in the inter-girls competition, Darcie was up against the best talent in the county in both year 10 and year 11. Some incredible performances from Darcie and a first time competing in many of the heptathlon events saw her come away with a bronze medal, finishing in 3rd place overall, within a large and talented field of athletes from across Warwickshire.

An exceptional performance and incredibly encouraging first performance in combined events—well done!
