

# Alcester Academy Weekly BULLETIN

5<sup>th</sup> September 2025

Good afternoon and welcome back everyone,

It's been fabulous to see the students back in school after their summer break. We've had a great first week back, but naturally we are all looking forward to a more normalised school week next week, as must you be also. It's just a very short version of the bulletin this week. Lots of reminders have been sent out to you this week and I'm aware not to overwhelm you with more information than needed.

This week, you should have received:

- A start of term reminder letter with some key dates on from me
- An update on our changes from Epraise to Bromcom (parents in year 8-11). On Monday, we will be sending out the start of term parent pack for your consideration to include the Home Academy Agreement, general consent etc. You will need to have the new MCAS App installed in order to access these documents.
- A School Fund Letter
- Details of the Grease Production rehearsals for our cast members. We are all so excited about this.
- And on Monday, Miss McKenzie will write to you with details of the Personal Development Curriculum for 2025-26.

*The Summer School 2025 feature is on page 6!*

## What's inside this week

All of our parent/carer letters are kept on the website for your reference; [Communications](#) area. There is also a section for previous bulletin editions should you need these. If you are struggling with the new MCAS App in anyway, please do contact school reception.

## School Fund

Thank you all so much for the school fund contributions received so far. I regret having to ask you all for these but sincerely appreciate the overwhelming support that we have already received in response.

## Outcomes 2025

I referenced the headline figures for our 2025 cohort in my letter to you this week. We were overwhelmed with the results yet again, and I congratulate all of the students. We send our very best wishes as they start their post 16 pathways this week. Thank you to our Post 16 feeders for their hard work on results day supporting our students. Many students will return to support our Open Evening later this month as ambassadors for the school.

Of particular note were results from:

**Osian**—4 grade 9s, 1 D2, 3 grade 8s, 2 grade 7s and a grade 5

**Daragh**—1 grade 9, 1 D2\*, 1 D2, 4 grade 8s, 2 grade 7s, 1 grade 6 and 1 grade 5

**Charlie**—1 grade 9, 1 D2, 6 grade 8s, 2 grade 7s and 1 grade 5

**Em**—1 grade 9, 5 grade 8s, 4 grade 7s and 1 grade 6

**Darcie**—1 grade 8, 1 D2\*, 1 D2, 4 grade 7s, 2 grade 6s, 2 grade 5s

**Chloe**—6 grade 8s, 2 grade 7s, 2 grade 6s, 1 grade 5

**Evie**—7 grade 8s, 2 grade 7s and 2 grade 6s.

There are so many others that I could select. We offer our warm congratulations to our former students who collected year 13 results this year also.

## Meeting staff

Please can parents pre-arrange to meet with staff when needed. Thank you. The only time that this is not necessary is for the Wednesday Weekly Drop In, 3.25-4.25pm. Pre-arranging helps to avoid disappointment and means that staff members can prepare fully for any meetings.

## Welcome new staff

I'm delighted to introduce you to the following new staff at the Academy.

Hello, I'm Mrs Kirk, teacher of English. I started with the school in June last year and have already been impressed by many of our delightful students. I have over twenty years of experience teaching English, a Masters Degree in Literature (because fourteen years ago I thought I'd have too much spare time during my maternity leave!), and a particular passion for all things Agatha Christie. I'm very much looking forward to the year ahead, meeting our new year 7 groups and supporting our KS4 students through their crucial GCSE years.

I'm Mrs Linford and I'm really happy to be joining Alcester Academy—as a teacher of Media and English—this year. I have been fortunate enough to work at Alcester Academy, before, and was overwhelmed by the positive energy and sense of community within the school, so I couldn't be happier to be back! When not in school, I enjoy: spending time with my family, enjoying good food, being outdoors and exercising (but not all at once!).

Mr Rowberry—  
Religious Studies

I am thrilled to be returning to Alcester Academy for the first time since 2021, to teach Religious Studies. I am an enthusiastic and passionate teacher who enjoys bringing lessons to life and encouraging curiosity about the world's beliefs and traditions. Outside the classroom, I have plenty of geeky hobbies and interests, including Star Wars, Lord of the Rings, Dungeons & Dragons, and Warhammer. I am really looking forward to the year ahead and to meeting all the students.

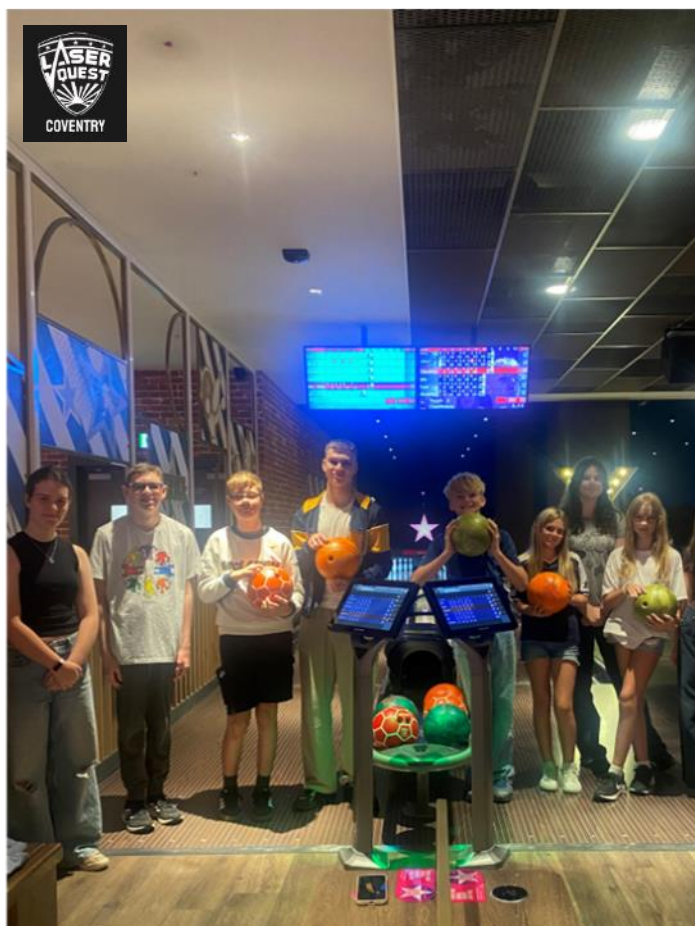

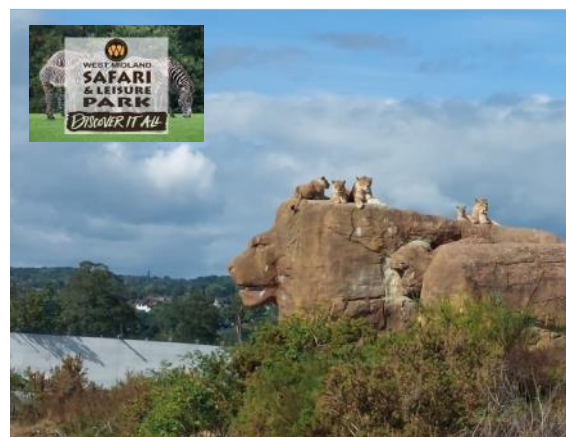

## Reward Trips

Congratulations to the students on a super, well-deserved day out today around the country; West Midlands Safari Park, Drayton Manor, Alton Towers and Bowling at Resorts World, to name a few venues.

We've managed to get some photographs in this edition as follows. Do have a look at X too for fun throughout the day. Thank you to a huge staff team today for making this happen either on the trips themselves or behind the scenes.

## Summer Scout trip to Kandersteg International Scout Centre, Switzerland

It's an absolute joy to see this article written collaboratively by several of our year 11s who enjoyed this wonderful experience over the summer break. See page 8.

## Attendance reminder

This is just a reminder for parents NOT to book holidays in term time. Positive school attendance, and a focus on behaviour in schools was announced as the most recent drive by Bridget Philipson as we returned to school this week. She said:

'I am calling on parents, schools and families to join us in playing their part to get children in class and ready to learn for the start of the new school term. We have already made progress with five million more days in school this year and are backing parents and supporting schools through our Plan for Change. But we all need to do more, and when it comes to getting kids in and behaving – this includes mums, dads and carers too... We know what works - strong leadership, consistent attendance and schools standing shoulder to shoulder with families...so that schools facing the biggest challenges can get the support they need.'

[Government to crackdown on bad behaviour and boost attendance - GOV.UK](#)

## Three Rivers Alliance

The Academy continues to enjoy a very positive relationship with Shipston High School, Alcester Grammar School, Stratford Girls' Grammar School and King Edward VI Shakespeare's School as part of The Three Rivers Alliance.

The new Development Plan themes for this academic year are:

1. Developing Adaptive Teaching
2. Aligning the curriculum with the new DfE guidance (expected autumn term 2025)
3. Preparing for the new Ofsted Framework
4. Joint CPD and peer collaboration
5. Develop further opportunities for students' Personal Development

## Looking ahead to next week:

In addition to any Grease rehearsals, there is a year 11 geography Blencathra trip parent meeting on Wednesday 10th September at 6pm, in school. Separate details about this will be sent out. Year 7s go on their Blackwell Adventure trip on Friday 12th September.

## Remembering Gary Strain

Our sincere thoughts and love go out to the family of Gary Strain, from Alcester and Ragley Cricket Club who sadly passed away recently. We know that a lot of our students and families would have known Gary very well.

The Club posted on social media recently; 'There's a hole in our club that'll likely never be replaced, but we will carry on as he would have wanted (and we will endeavour to "always bat the overs").'

## Early finish note:

School finishes at 1.35pm on Thursday 25th September so that staff can prepare for Open Evening. There will be no school bus service running at this time. We will send out details of the one-way Gerard Road traffic system needed in order to facilitate a smooth collection. This is especially for new parents to school. Please inform relatives of this in advance if they are due to pick up family members.

We have asked for volunteer student guides to help us on the evening, and subject areas love to have their helpers too. Your child should have a letter about this if they have volunteered. With the darker nights rapidly approaching, I'm keen to be sure that students get picked up safely after the event if they are helping out.

## We are looking for a wood carver

Do you know anyone? Please let me know at school [head@alcesteracademy.org.uk](mailto:head@alcesteracademy.org.uk). Thank you. We are looking for a specific idea to mark our 60th school birthday this academic year!

## Good Luck Mrs Goldsby

Huge luck goes to Mrs Goldsby on 14th September, as she runs her first half marathon for the charity Scope, in Worcester. Mrs Goldsby is one of our teaching assistants and midday supervisors.

So, have a lovely weekend ahead. I'm sure that as much as everyone enjoys the summer break, it feels good to get back into our normal routines once more.

Best wishes,

*Sarah Mellors—Headteacher*

## Year 9 Textile Student Dresses Arrive in Ghana

Over the summer holidays, the beautiful dresses designed and created by our year 9 textile students safely arrived in Ghana. Each piece was carefully made using tie-dye techniques and finished with detailed embroidery, showcasing the creativity and hard work of our students.

The dresses were donated to an orphanage supported by the Awisi Foundation. We are delighted to know they reached the children safely and are being enjoyed.

A special thank you goes to Ms Hirji for connecting us with Becky at the Awisi Foundation, whose support made this wonderful project possible. *Miss Wincup*

We had a very busy first week of the summer holidays at Alcester Academy, as we welcomed 106 of our new year 7 students for a week of activities at Summer School 2025. On the first day there were a few nerves, but later in the week we loved seeing them run down the front path to come into school each morning.

We had an absolutely amazing week and loved getting to know all our new students.

Throughout the week many new friendships were made and all of those who attended said it really helped with them feeling less nervous about starting in September.

We did lots of activities that helped the students to get to know each other, and the week started off caving and with a chance to see Alcester Academy from the highest level from the top of the climbing wall. There was a treasure hunt around school, where we even allowed running in the corridors!

There were new skills to be learnt in the freestyle football session as we welcomed back Rebaz a world champion freestyle footballer into school to show us his skills.

We were lucky to have the Bowmen of Alcester come in to deliver archery sessions, and in our science activity we made Miss Radbourne's famous water wheels, Miss Lee had everyone dancing away to *Matilda* in the musical theatre session.

We had a day out in the middle of the week at *The Heart of England Forest* for a den building and survival challenge, tug of war, orienteering and art activities.

Throughout the week back in school we played lots of dodgeball, king ball, basketball and very competitive games of capture the flag.

On the final day students were treated to sensational chocolate sessions with *The Ministry of Chocolate* making their own sweets and the week

finished off with Bingo and lots of prizes up for grabs—Alcester Academy style!

Thank you to all the students who attended and made the week such a success, we were blown away by the enthusiasm of all of them all, their great behaviour as they learnt about the expectations and values of Alcester Academy.

And to the staff for giving up a week of their holidays to put on such a great week. Thank you to Miss Bartlett, Miss Lewis, Miss Lee, Miss Radbourne, Miss Butler and Mrs Bove.

Thank you to the parents for feedback and the lovely comments we received, they have been very much appreciated. Please see a few here:

*"The whole week was brilliant. He really enjoyed all the activities and being able to find his way*

*around the school and meet new friends before term actually starts has really helped with nervous and confidence"*

*"Really value the effort that went on to providing such a range of activities and the opportunity to grow in confidence before starting school."*

*"Fantastic week, my child went from anxious to excited about starting in September after a week at summer school"*

*"Each day my daughter came home buzzing and I could see her confidence increasing through the week. It was worth every penny and I am very thankful for the hard work and effort that went into to it. Thank you to everyone involved."*

## Summer Scout Trip to Kandersteg International Scout Centre, Switzerland

It's an absolute joy to see this article written collaboratively by several of our year 11s who enjoyed this wonderful experience over the summer break. *Mrs Mellors*

Through raising generous amounts of money by volunteering for Alcester town events such as car parking for multiple of our towns festivals, as well as throwing scouting community events ourselves, our first Alcester explorer troupes, as well as our scout and cub group successfully fundraised our 10 day trip to the Kandersteg International Scout Centre.

Following a 21 hour bus journey through Europe, we arrived at the centre which was located in the middle of a Swiss valley, surrounded by mountains covered in forest. Many other troops were there and there was a huge sense of community between everybody, and often throughout the week we participated in team challenges and ice breakers to get to know them. Though the weather may have not

been the best, the views from our campsite made up for it and over the course of ten days we participated in many amazing activities.

These include a hike up the Bunderspitz mountain, going up the Jungfrauoch railway, swimming in a glacial lake, international sport days, going to fishing lakes, attending jamborees, camping activities and many more.

We ate some traditional Swiss foods such as fondue and engaged in activities like wildlife watching and wilderness challenges to get to know the area better. We were extremely fortunate to have this great experience, and it will be one we remember forever as a great time with friends, and we are very grateful to all our leaders that managed to organise the experience.

## Peripatetic Music Lessons at Alcester Academy

At Alcester Academy, we are proud to offer a wide range of peripatetic music lessons, giving students the chance to develop their musical skills and confidence with specialist tutors. Whether your child is a beginner or already plays an instrument, these lessons provide personalised one-to-one or small-group tuition tailored to their needs.

Learning an instrument not only builds musical ability but also supports wider learning by improving focus, discipline, and creativity. It's a fantastic way for students to grow in confidence, gain performance experience, and even work towards graded exams if they wish.

Our peripatetic programme currently offers lessons in guitar, ukulele, drums, base, vocals, piano, keyboard, woodwind instruments, and violin, with opportunities to join ensembles, bands, or the school orchestra as skills progress.

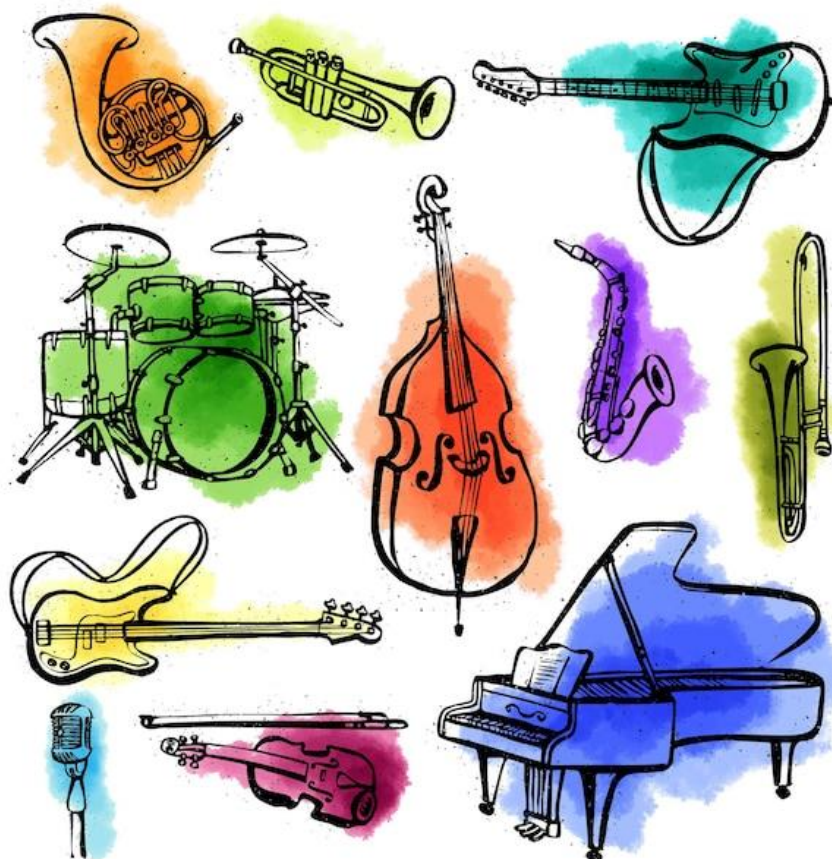

If your child is interested in starting lessons, or you'd like more information, please contact the office for details on availability and costs.

Music has the power to enrich every child's school journey, and we are excited to continue nurturing the next generation of Alcester Academy musicians.

Music lessons will begin next week. If your child is already signed up, please look out for an *Involve* email in your inbox with further details.

*Mr Hall*

## Grease—The Musical

We are thrilled to announce that our school show this academic year will be *Grease—The Musical School Edition*, taking place in November 2025.

We are proud that our school productions are inclusive and open to all students, and we would love to invite all of our new year 7s to get involved.

If your child is interested in finding out more or simply wants to see what it's all about, they are

warmly welcome to attend our first read-through of the script on: Tuesday 9th September at 3.30pm in the school hall.

This is a relaxed and informal opportunity to meet the cast, the production team, find out about the show, and get involved.

## Alcester Academy House System

We are delighted to (re)introduce the House System at Alcester Academy! Every student will proudly belong to one of our four Houses: Ragley, Oversley, Billesley, and Greville. Each House is represented by its own colour, and together they form a central part of life at our school.

In year 7, students will find out which House they belong to during assembly in the week beginning 15th September, where they will also be presented with their official House badge to wear proudly on their blazer.

Students can earn House Points for excellent work, positive contributions, and effort both in and outside the classroom. These points will contribute to weekly winners in tutor groups, year groups, and across the whole school—sparking friendly competition and celebrating success.

The House System will be embedded into many aspects of school life, from competitions to PRISM activities in tutor time for year 7 and year 8.

We are also excited to announce that each House will adopt a charity this year, with students leading the way in fundraising and community events.

The House System is about more than points—it's about building identity, pride, teamwork, and belonging. We can't wait to see the energy and enthusiasm our students bring to their Houses this year.

*Miss Sacco*

### **Save the date—Thursday 18th September Warwickshire SEND Services drop-in**

We will be hosting a morning drop-in workshop for parents and carers run by Warwickshire County Council where they will be offering tailored advice and support on navigating SEND services and other services that are available. They will be on hand to answer questions, demonstrate resources and offer one to one support using a relaxed and friendly approach. More information to follow in next week's bulletin. *Mrs Bush*

## Autumn Term Extra-Curricular Clubs

We are delighted to reveal the extra-curricular programme for this autumn term! Clubs will begin on Monday 15th September and will run for 5 weeks, pause for October half term, and then continue for another five weeks.

Next week, students will be given time in tutor to choose which club(s) they would like to take part in, and sign-ups will be completed through Student portal on Bromcom.

At Alcester Academy, we have high expectations that all students take part in at least one extra-curricular activity over the course of the year. Clubs are a crucial part of school life – they build confidence, allow students to explore new interests, develop teamwork skills, make new friends, and create lasting memories beyond the classroom.

The timetable will be refreshed again in the spring term, with some clubs continuing and exciting new opportunities being added.

## Attendance News

If your child is absent from school, please inform the Attendance Officer, Ms Louise Hatcher, of the reason, before 8.30am each day.

This can be done through SchoolComms, by calling 01789 762285, or by emailing [louisehatcher@alcesteracademy.org.uk](mailto:louisehatcher@alcesteracademy.org.uk).

Thank you, *Ms Hatcher*

**If a pupil is ten minutes late to school or lessons each day, they will miss seven days of learning over a year.**

**DfE data shows that pupils with more than 95% attendance achieve better GCSE results!**

## Notice for Parents

To comply with the School Attendance (Pupil Registration) (England) Regulations 2024 and Data Protection expectations, it is vitally important that Alcester Academy keeps accurate and up to date information relating to every pupil on roll.

The information we are required to record includes:

- Pupil's full legal name (and if appropriate, their preferred name).
- The name, address and contact details of every person known to the school/academy who is a parent\* to the pupil with whom the pupil normally resides (this is the address that has been used to register with their GP).
- The name, address and contact details of any additional parent\*.
- Any other emergency contact details.

In order to gather this information, every year we send out data collection forms. Parents are asked to complete the form with as much information as possible and then return to the school, signed and dated. We would ask that even where there are no amendments to the data collection sheet, parents return the form, signed and dated.

Alcester Academy requests that if you change your contact number, move home or there are any other circumstances which may impact your child, the school is notified as a priority.

N.B. \*The Education Act 1996 defines a 'parent' as a). any natural parent, whether married or not, b). any parent who, although not a natural parent, has parental responsibility as defined in the Children Act (1989) for a child or young person c). any person who, although not a natural parent, has care of a child or young person.

**If a pupil is ten minutes late to school or lessons each day, they will miss seven days of learning over a year.**

**DfE data shows that pupils with more than 95% attendance achieve better GCSE results!**

## LEAVE OF ABSENCE DURING TERM TIME

### UPDATED INFORMATION FOR PARENTS

The Supreme Court has clarified the law on unauthorised leave, including holidays, during term time (Platt v Isle of Wright 2017). The Supreme Court has made clear that attending school 'regularly' means that the children must attend school on every day that they are required to do so. As such, the parents of any child who is absent from school without authorisation for any length of time are likely to be considered as committing an offence under s444 of the Education Act 1996.

The law states a leave of absence may only be granted by a school if an application is made in advance and if it considers there are exceptional circumstances relating to the application.

Schools must judge each application individually considering the specific facts and circumstances and relevant background context behind each request.

A leave of absence is granted entirely at the school's discretion. Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance.

Where a leave of absence is granted, the school will determine the number of days a pupil can be absent from school.

When making an application for Leave of Absence parents are advised to give sufficient information and time to allow the Head teacher the opportunity to consider all the exceptional circumstances and to notify parents of their decision. The school may also request further information on the application and supporting documentation where appropriate.

It is advised that if the resident parent has not received notification or a response regarding the leave of absence application, it is the parents' responsibility to ascertain if the leave is authorised prior to the start of the leave.

The school can only consider Leave of Absence requests which are made by the 'resident' parent ie the parent with whom the child normally resides.

Where applications for leave of absence are made in advance and refused, the child is expected to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an unauthorised absence. Where a leave of absence is requested, but additional days taken either prior to or after the request may be considered as part of the leave of absence.

Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as 'unauthorised'.

All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service, part of Warwickshire County Council. Penalty Notices are issued in accordance with Warwickshire County Council's Code of Conduct for Penalty Notices and in the first instance, as an alternative to prosecution proceedings.

#### Leave of Absence taken in the academic year 2024-25

The law relating to Penalty Notices changed with effect from 19 August 2024. Therefore, Penalty Notices issued for Leave of Absence taken from September 2024 will be issued in accordance with the updated legislation.

- Penalty Notices are issued to each parent of each absent child, (for example 2 children and 2 parents, means each parent will receive 2 invoices – 4 in total).
  - First Leave of Absence offence: The Penalty Notice amount of £160 to be paid within 28 days, this is reduced to £80 each child if paid within 21 days.
  - Second Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): The amount of £160 paid within 28 days. No reduced amount.
- Payment plans will not be offered and/or payments received outside of the 28 day period will not be accepted. Where a penalty notice expires unpaid the matter will be referred to Warwickshire County Council's Legal Services to consider criminal prosecution.
- Third Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): A penalty notices will not be issued, and the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal prosecution proceedings under S444 of Education Act 1996.

### [ADVERT ON THE SCHOOL WEBSITE](#)

Alcester Academy is a small, oversubscribed school in South Warwickshire meeting the needs of 640 students in years 7-11. The school is a standalone Academy providing education for children in the local priority area. Alcester Academy has enjoyed securing extremely positive student outcomes over the last four years. This has placed the school in the top five percent of schools nationally and in a most favourable position in comparison to selective schools. This is a very exciting time for the Academy. Under new leadership, the school is looking to secure future development opportunities, and we are looking for an experienced, proactive leader for our site team.

The Academy is looking to recruit a Facilities Supervisor. This is an exciting opportunity for an individual to gain experience in facilities management, whilst managing Health and Safety compliance in a school environment. We are looking for someone who is fully committed to working in a front-line service role and providing excellent customer service to support the Academy.

The successful candidate will have experience of managing Health and Safety and of working within a facilities team. The candidate will also be experienced in undertaking minor project works from concept to completion. The ability to communicate effectively and confidently is essential to the post. This post requires the successful candidate to be flexible in their working approach in order to facilitate school lettings.
