Alcester Academy Weekly BULLETIN

7th November 2025

Dear parents and carers,

Good afternoon. I hope that you had a super half term break. We are heading into a very busy half term at school, concluding as ever in our Save The Children Christmas Jumper Charity Day on Friday 19th December.

Hopefully, that gives you all plenty of notice to get some spectacular jumpers ready! Please pay particular note to the key dates within this edition in order to help your planning.

This week

We held a very informative Parent Forum on Tuesday for year 11s as they head into their first set of mock examinations in just a few weeks. If you missed this, you can find a recording on the website at: www.alcesteracademy.org.uk/academy-information/parent-forum

This was followed then by a year 11 conference for all students, in order to help them focus on the importance of the next few months at school. This is the first time that we have done this and I thank the staff for organising both of these preparation opportunities, and our alumni who returned to talk to some of the students.

What's inside this week

Mr Hollis was busy yesterday taking new photographs around the school that will eventually be added to the website to give it a well needed update. It has been many years since we did this. Here are a few of fabulous shots for you.

And, our Gloucester Rugby coach began his work this half term on Wednesday with many of our PE groups. Thanks to Mr Moffatt for arranging this for the students.

On Wednesday, our year 10s embarked on a personal development day with the RAF, and today our year 8s visited Cheddar Gorge for their geography curriculum trip.

School assemblies discussed the start back to this half term. I led a whole school assembly on Monday during which we celebrated attendance successes and what has been going well across the school. Miss Buckthorp then led further assemblies to reflect Anti-Bullying Week.

New Curriculum Review

Curriculum and Assessment Review Final Report - GOV.UK

The long awaited curriculum review was published on Wednesday. Schools have until 2028 to implement any key changes regarding this. I have included the link for you if you wish to read around this topic.

Thank you HOW College, Redditch

We were pleased to host Redditch College today for an important talk in assembly with year 11s about Post 16 routes.

Charity Fund Raising

Last half term, we raised £128.26 for the Dementia Café from our coffee morning, and £135.80 for Breast Cancer Awareness.

At the last count, this week, we had raised £458.50 for the Alcester Division of the Royal British Legion. With huge thanks. This was tallied up on Tuesday and so I'm optimistic that this has now increased.

KS3 Palettes

Our KS3 Curriculum Palettes were formally launched this week. Miss McKenzie, Assistant Headteacher wrote to parents about these. I do hope that you find these extremely useful for knowing more about what your child is learning and the sequence of their curriculum.

You can find these on the website:

www.alcesteracademy.org.uk/quality-of-education/ks3-curriculum-palettes

KS4 palettes will be published very soon.

Where can I find my child's work?

Mr Cooke is just updating this link for you all so that you can keep track of how your child is doing. www.alcesteracademy.org.uk/quality-of-education/teaching--learning---assessment/where-can-i-find-my-child-s-work-

School Uniform

Price and Buckland continue to be our recommended uniform supplier currently. Their service to parents is exceptional. They are now offering a 'free into school' service in order to save parents £4.50 postage charges on orders. Please note, that this is a term time only service and will only be twice a month.

Once orders arrive in school, your child will be alerted to collect these from LSU. We do not have staff capacity to telephone you and arrange a personal collection, I'm afraid. Hopefully, this will be a useful feature for you all.

Safeguarding—Smart Phone Update

School heads call for blanket ban on smartphones

We continue to endorse that there is no need for our year 7s to have a smart phone for secondary school life. This will grow to include year 8s next academic year. You may be interested in the recent article that was in *The Times* outlining the Open Letter that was sent to Bridgett Phillipson about this important topic. It was sent from many headteachers, including myself on behalf of the Academy, who have been concerned about the growing exposure to harmful online content for our youngsters through smartphones.

'*We call on you to introduce a statutory ban of smartphones in schools until the end of year 11 to ensure every child is afforded the benefits and safety of a smartphone-free school day. The guidance published in February 2024 was helpful but did not go far enough. "No see, no hear" policies are impossible to implement because mobile internet-enabled smart devices cannot be monitored, and expose children to serious safeguarding risks. We call on the government to ensure that children up until the end of key stage 4 do not have access to personal internet-enabled mobile devices when they are under a school's care, except where they are needed for medical purposes.'*

We are still working alongside www.smartphonefreechildhood.org to support this cause.

Parent View—Ofsted

Thank you to those parents who found time to complete Parent View this week as requested. There is still time to do this. Give your views | Ofsted Parent View

At the point of writing the bulletin, 48 responses had been submitted with the following results:

My child is happy at this school
92% of parents either agreed or strongly agreed

My child feels safe at this school
90% of parents either agreed or strongly agreed

The school makes sure its pupils are well behaved
91% either agreed or strongly agreed

My child has been bullied and the school dealt with it quickly and effectively
71% of parents said that their child had not been bullied, then a further 23% either agreed or strongly agreed with this statement

The school makes me aware of what my child will learn during the year
96% of parents either agreed or strongly agreed

When I have raised concerns with the school they have been dealt with properly
35% of parents have not had to raise concerns. Then a further 57% of parents either agreed or strongly agreed.

My child has SEND and the school gives them the support to succeed
53% of parents either agreed or strongly agreed and 13% ticked 'don't know'.

The school has high expectations for my child
96% either agreed or strongly agreed.

My child does well at this school
90% either agreed or strongly agreed.

The school lets me know how my child is doing
86% either agreed or strongly agreed.

There is a good range of subjects available to my child at this school
94% of parents either agreed or strongly agreed.

My child can take part in clubs and activities at this school
96% of parents either agreed or strongly agreed.

The school supports my child's wider personal development
83% of parents either agreed or strongly agreed. 7% said that they did not know. Our PD curriculum plans are on the website Personal Development Curriculum

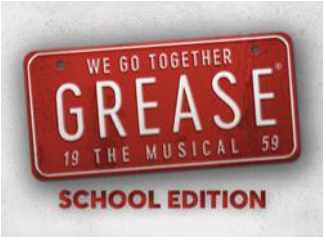
I would recommend this school to another parent
90% of parents agreed, 10% did not

Obviously, I would prefer that far more parents had completed the Parent View in order to give the school a better idea of your views. I urge you to complete this over the weekend if you can. The results remain live for you to see as these responses grow. And, please reach out to school if you feel dissatisfied with any area noted on this survey.

Cooler weather

We do still ask students to be outside at break and lunchtimes during the cooler months. A blast of fresh air has many benefits for them during a long working day. As such, please be sure that students have coats if needed. There are also areas that students can be in to stay warm such as the hall area, or the LRC or HW Club if they want to continue working. There are also many clubs and opportunities that run during lunchtimes especially. We do make sheltered provision for students if it rains.

This weekend



School life never ceases on a Friday and our Grease cast are in school tomorrow with our dedicated staff team, rehearsing for the forthcoming show. It's getting close now! Please get tickets to avoid disappointment. The Friday performance is already sold out! The same goes for our Rock Academy concert being held on 25th November. Do buy tickets sooner rather than later.

And, we are looking forward to seeing many students in Alcester on Sunday in order to mark Remembrance. I'll be asking for photos next week if your child is representing any organisations outside of Alcester so that we can applaud this commitment in next week's bulletin.

In memory

This week marked the anniversary of the Warwickshire firefighters who lost their lives in 2007 at a warehouse blaze. We reach out to their families with our deepest thoughts and love at this difficult time. Two of the firefighters were from Alcester.

Wishing you a relaxing weekend. I'm certain that Sunday will be a poignant day for many families.

Year 10 Thrive in Inspiring RAF Training Day

On Wednesday, our year 10 students participated in an exciting RAF Personal Development Training program at Alcester Academy, led by Sgt Andy Chambers and Sgt Kahmeel Spence.

The training focused on key skills such as:

- Teamwork and collaboration—students engaged in group activities designed to build cooperation and problem-solving abilities.
- Leadership development—interactive challenges encouraged students to take initiative and develop confidence in leading peers.
- Communication skills—activities emphasized clear communication, active listening, and working effectively as part of a team.
- Resilience and personal growth—students explored strategies for overcoming challenges and staying motivated.

The sessions were highly engaging, and students responded enthusiastically, showing excellent participation and interest throughout the day. Feedback from students highlighted how much they enjoyed the hands-on activities and learning from experienced RAF personnel.

We sincerely thank Sgt Andy Chambers and Sgt Kahmeel Spence for delivering such inspiring and educational sessions. Experiences like these provide valuable insight into career opportunities and personal development beyond the classroom.

Help Us Stock Our Shelves: The School Library's Amazon Wishlist!

Our Learning Resource Centre School Library (LRC) is a vital hub for learning, imagination, and discovery, but keeping our collection fresh, diverse, and up-to-date is an ongoing challenge. We want to ensure every student can find a book that sparks their curiosity and supports their studies, but our budget can only stretch so far.

Why a Wishlist?
We've created and are continuing to add to a special Amazon Wishlist filled with titles that our librarian, teachers, and students will be excited about! This list includes:

- Bestsellers and New Releases:
  Books that students are buzzing about and requesting now.
- Diverse Voices:
  Stories that reflect the rich diversity of our school and the wider world.
- Non-Fiction Resources:
  Up-to-date materials to support classroom assignments and independent research in science, history, and more.
- Graphic Novels and Manga:
  High-interest items that help engage reluctant readers.

By using the Wishlist, you can purchase a book that goes directly to the school library. It's a simple, transparent way to know exactly what your donation is providing for our students. Every book donated becomes a shared resource for the entire school community for years to come!

How You Can Help?
Supporting the library has never been easier!

Here's how you can make a difference today:

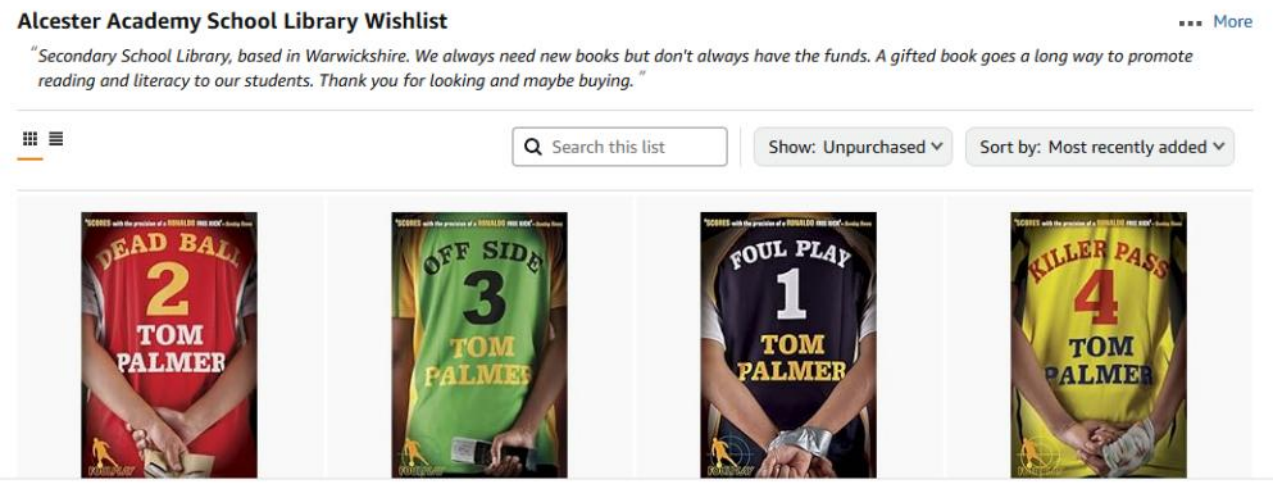
- Find the List: You can access the Wishlist by visiting: www.amazon.co.uk/hz/wishlist/ls/3EPAIJEMK3OSC?ref_=wl_share
- or by searching for '**Alcester Academy School Library Wishlist'** on Amazon.
- Pick Your Book: Browse the items and choose a book, or several, that you'd like to donate.
- Check Out: When purchasing, select the school's address, often listed as the 'Gift Registry Address' during checkout, so the book is shipped right to us.
- Don't forget to include your name in the gift message if you'd like a thank you note!

Even purchasing a single paperback can make a significant impact on our collection and put a smile on a student's face.

For more information, please contact the LRC Manager: juliehands@alcesteracademy.org.uk

Thank you in advance for helping us nurture a lifelong love of reading and learning in all our students!

Mrs Hands—LRC Manager



National Odd Socks Day—Monday 17th November

On Monday 17th November we are asking all students and staff to come to school wearing a pair of odd socks—the brighter and odder the better!

Odd Socks Day is a fun and light-hearted event that encourages people to embrace individuality and celebrate differences. On this day, participants are encouraged to wear mismatched socks as a symbol of uniqueness and to promote acceptance of diversity.

Odd Socks Day was initiated by the Anti-Bullying Alliance, a coalition of organisations and individuals in the United Kingdom committed to stopping bullying and creating safer environments for young people.

Odd Socks Day is a fantastic opportunity to raise awareness about important social issues, including bullying and prejudice and we will be raising awareness through our Assembly Prism Programme with the key focus on equality, diversity & Inclusion.

It is a day to truly embrace and celebrate each others differences.

Biffa Fruit Trees Donation

We are hugely grateful to Biffa for donating three beautiful fruit trees to plant on our school grounds. Our Sustainability Ambassadors will be taking good care of them and we very much look forward to seeing them grow.

Unifrog Training Enhances Careers Education at Alcester Academy

At Alcester Academy, we are committed to helping every student make informed and ambitious choices about their future. To support this, we use Unifrog – an award-winning online platform designed to help students explore their interests, plan their next steps, and develop the skills they need for life beyond school.

On Monday, we were delighted to welcome Elizabeth Tomlin from Unifrog to Alcester Academy. Elizabeth delivered an engaging staff training session focused on how to embed Unifrog into the curriculum, ensuring that all subject areas can contribute meaningfully to students' understanding of careers and future pathways. Teachers and I, as Careers Leader, also use Unifrog to guide students, monitor progress, and provide tailored advice as part of our careers education, information, advice, and guidance (CEIAG) programme.

This training has equipped our staff with practical tools to help students make connections between what they learn in lessons and how those skills apply in the world beyond school. As a result, Unifrog will continue to be used across a wide range of subjects, helping students see the relevance of their learning and plan confidently for the future.

Unifrog brings all career, university, apprenticeship, and college information into one place, helping students to:

- Discover different career pathways and subjects that match their strengths and interests
- Explore universities, colleges, and apprenticeships both in the UK and abroad
- Access reliable information about entry requirements, courses, and labour market trends
- Build a record of achievements, CVs, and personal statements for applications
- Set personal goals and track progress throughout their time at school

Students also use Unifrog during PSHE lessons, form time, and career guidance sessions. Each student has their own login, giving them access to a personalised dashboard. They can explore potential career paths, research qualifications, and record key experiences such as volunteering, work experience, and extracurricular achievements.

All students have access via www.unifrog.org.

LEAVE OF ABSENCE DURING TERM TIME

UPDATED INFORMATION FOR PARENTS

The Supreme Court has clarified the law on unauthorised leave, including holidays, during term time (Platt v Isle of Wright 2017). The Supreme Court has made clear that attending school 'regularly' means that the children must attend school on every day that they are required to do so. As such, the parents of any child who is absent from school without authorisation for any length of time are likely to be considered as committing an offence under s444 of the Education Act 1996.

The law states a leave of absence may only be granted by a school if an application is made in advance and if it considers there are exceptional circumstances relating to the application.

Schools must judge each application individually considering the specific facts and circumstances and relevant background context behind each request.

A leave of absence is granted entirely at the school's discretion. Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance.

Where a leave of absence is granted, the school will determine the number of days a pupil can be absent from school.

When making an application for Leave of Absence parents are advised to give sufficient information and time to allow the Head teacher the opportunity to consider all the exceptional circumstances and to notify parents of their decision. The school may also request further information on the application and supporting documentation where appropriate.

It is advised that if the resident parent has not received notification or a response regarding the leave of absence application, it is the parents' responsibility to ascertain if the leave is authorised prior to the start of the leave.

The school can only consider Leave of Absence requests which are made by the 'resident' parent ie the parent with whom the child normally resides.

Where applications for leave of absence are made in advance and refused, the child is expected to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an unauthorised absence. Where a leave of absence is requested, but additional days taken either prior to or after the request may be considered as part of the leave of absence.

Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as 'unauthorised'.

All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service, part of Warwickshire County Council. Penalty Notices are issued in accordance with Warwickshire County Council's Code of Conduct for Penalty Notices and in the first instance, as an alternative to prosecution proceedings.

Leave of Absence taken after the a19th August 2024.

The law relating to Penalty Notices changed with effect from 19 August 2024. Therefore, Penalty Notices issued for Leave of Absence taken from September 2024 will be issued in accordance with the updated legislation.

Penalty Notices are issued to each parent of each absent child, (for example 2 children and 2 parents, means each parent will receive 2 invoices – 4 in total).

First Leave of Absence offence: The Penalty Notice amount of £160 to be paid within 28 days, this is reduced to £80 each child if paid within 21 days.

Second Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): The amount of £160 paid within 28 days. No reduced amount.

Payment plans will not be offered and/or payments received outside of the 28 day period will not be accepted. Where a penalty notice expires unpaid the matter will be referred to Warwickshire County Council's Legal Services to consider criminal prosecution.

Third Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): A penalty notices will be not be issued and the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal prosecution proceedings under S444 of Education Act 1996.

Your child's progress academically as well as socially is our shared priority.

Notice for Parents

To comply with the School Attendance (Pupil Registration) (England) Regulations 2024 and Data Protection expectations, it is vitally important that Alcester Academy keeps accurate and up to date information relating to every pupil on roll.

The information we are required to record includes:

- Pupil's full legal name (and if appropriate, their preferred name).
- The name, address and contact details of every person known to the school/academy who is a parent* to the pupil with whom the pupil normally resides (this is the address that has been used to register with their GP).
- The name, address and contact details of any additional parent*.
- Any other emergency contact details.

In order to gather this information parents are asked to review the data collection form on MCAS. If you need to make changes, please do so via MCAS or email admin@alcesteracademy.org.uk.

Alcester Academy requests that if you change your contact number, move home or there are any other circumstances which may impact your child, the school is notified as a priority.

N.B. *The Education Act 1996 defines a 'parent' as a). any natural parent, whether married or not, b). any parent who, although not a natural parent, has parental responsibility as defined in the Children Act (1989) for a child or young person c). any person who, although not a natural parent, has care of a child or young person.

Alcester Academy

If a pupil is ten minutes late to school or lessons each day, they will miss seven days of learning over a year.

Alcester Academy

DfE data shows that pupils with more than 95% attendance achieve better GCSE results!

Alcester Academy Sport Student Spotlight

Congratulations to Jude and Ben in year 9 who made debuts for the Warwickshire Schools' County U14 team. The boys put in a fantastic performance contributing to a 1-0 victory for Warwickshire against a strong Shropshire Schools County team. Well done on this impressive first result and we wish you and the team the best of the luck in upcoming fixtures.

Sport Roundup

Year 9 South Warwickshire Basketball Tournament

Our year 9 boys had their District Basketball Tournament this week where they competed against the other schools within South Warwickshire. Some impressive performances were shown on court with 4 wins and a draw across the 5 matches played resulting in Alcester Academy winning the tournament overall. This is a fantastic achievement for the school and congratulations to Noah, Ben, Jude, Henry, Ethan and Freddie on your superb performances on court.

Year 10 Girls South Warwickshire Football Tournament

Our year 10 girls had their 7-aside South Warwickshire Football Tournament at the end of this week, a match report will follow in next week's bulletin.

Gloucester Rugby coaching

We have a fantastic opportunity for students on a Wednesday, to receive coaching from Gloucester Rugby who will be running our after-school club. The club is open to all year groups and abilities. There is no need to register you can just show up on a Wednesday after school. A brilliant first session this week was had by students who attended.
