

Blended learning offer in the event of a student bubble closure

For parents/carers:

- Students will attempt to follow their normal daily lesson timetable from home
- Initially, teachers may lean on BBC Bitesize and Oak Academy lessons. These must be specifically identified in order to fit in with the subject long term plans
<https://www.bbc.co.uk/bitesize>
<https://www.thenational.academy/>
- Long term plans for each subject area are on the website under 'Quality of Education' by subject (scroll to the bottom) <https://www.alcesteracademy.org.uk/quality-of-education>
- Email addresses for Heads of Subject and teachers can be found in the same area of the website
- We will move to Google Classroom lessons as quickly as possible and your child/ren should have new codes for this academic year already. Please check. If you require a code please direct this to the distance learning email address
- We will try our best to deliver live lessons where possible
- We have developed a parent/student training area on the website ('how to' videos). Children may have had these videos shown in school. We hope that this provides further self-help with any Google related issues. <https://www.alcesteracademy.org.uk/life-at-alcester-academy/coronavirus--covid-19->
- The distance learning policy can be found at <https://www.alcesteracademy.org.uk/life-at-alcester-academy/policies---statements>
- For IT issues contact Lourdes IT (help@lourdesit.org.uk) or Distance Learning Queries distancelearningqueries@alcesteracademy.org.uk
- Your child should not return to school until the date designated specified by the school; this is most likely to be in a separate communication to you. The school will stay in close contact with you over the next 14 days
- You must inform me if your child is tested positive for Coronavirus within the 14 days please head@alcesteracademy.org.uk

Yours sincerely

Sarah Mellors
Headteacher
