

Pupils will complete a variety of assessments at both KS3 and KS4. These will test both the content of the course as well as the 4 individual skills (listening, speaking, reading and writing). At KS3, assessments will be termly as time is allowed for an assessment in the second language, German. At KS4, assessments are on the completion of each module and are composed of GCSE exam style questions to ensure rigour and exam skill practice. Students and teachers record assessment results. At KS3, students will be given a level descriptor and at KS4, a GCSE grade. Parents will receive these grades as part of the school reporting process. Data is used to inform future teaching, to identify gaps and to ensure appropriate intervention is put in place for GCSE students. All year groups will complete an end of year exam as per the school calendar. This exam will consolidate all topics and skills taught that year up until the exam date.
