

Provider Access Statement

Introduction

This statement sets out the school's arrangements for managing the access of providers to students at the school for the purposes of giving them information about the provider's education or training offer.

Student Entitlement

At Alcester Academy we welcome a wide range of providers into our school to help support the Careers Education, Information, Advice and Guidance provision for all of our students. We have a range of established events throughout the school year to support students in different year groups and cohorts. We welcome new opportunities to work with existing and new external providers to develop innovative and exciting learning experiences for our children.

A provider wishing to request access should contact:

- Telephone: 01789 762285
- Email: paulahale@alcesteracademy.org.uk

Opportunities for access

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to students and/or their parents.

Premises and facilities

The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Coordinator or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Careers Zone, which is managed by the Career Coordinator. The Career Zone is available to all students at lunch and break times.
