1.30pm	<b>Maths</b> <i>Full calculator paper</i> <i>Equipment needed – black pen, pencil, rubber, calculator, ruler, protractor, pair of compasses</i>	1hr 30

Normal lessons will continue during this period so you need to pack your bag for all lessons except the ones during which you will be taking an exam.

A reminder that the exams will be run in exactly the same way as the external exams in the summer. All mobile phones, watches and revision notes are not allowed in the exam room

If you have an exam, please report to the Gym at either the beginning of tutor time or immediately after lunch, where you will find a seating plan detailing which room you will be taking your exam in. You do not need to register in your tutor room if you are sitting a morning exam.

You are allowed to bring a bottle of water into the exam but this must be a clear bottle with a small sports top.
