TRUSTEES' REPORT
FOR THE YEAR ENDED 31 AUGUST 2016

The Trustees present their annual report together with the Financial Statements and Auditors reports of the Charitable Company for the year ending 31 August 2016. The annual report serves the purposes of both Trustees' report and directors' report under company law.

The trust operates an Academy for pupils aged 11-16 serving a catchment area in South Warwickshire. It has a pupil capacity of 650 and had 464 in the school census on May 2016.

The principal object of the Academy is:

- a) to advance for the public benefit education in the United Kingdom by establishing, maintaining, carrying on, managing and developing a school offering a broad and balanced curriculum and
- b) to promote for the benefit of individuals living in South Warwickshire and the surrounding area who have need by reason of their age, infirmity or disability, financial hardship or social and economic circumstances or for the public at large the provision of facilities for recreation or other leisure time activities in the interests of social welfare and with the object of improving the condition of life of the said individuals.

Structure, Governance and Management

Constitution

The Academy is a charitable company limited by guarantee which was constituted under a Memorandum of Association dated 11th July 2011.

The governance of the Trust is defined in the Memorandum and Articles of Association together with the funding agreement with the Department for Education.

The members of the company are the signatories to the Memorandum, any person appointed by the Secretary of State, the chairman of the Trustees, and any person appointed under Article 16.

Member Liability

Each member of the Charitable Company undertakes to contribute to the assets of the Charitable Company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Organisation structure

The strategic management of the Academy is the responsibility of the Trustees who are elected and co opted under the terms of the Articles of Association. The governing body comprises:

- Up to 1 Trustee appointed under article 50
- Up to 1 LA Trustee if appointed under article 51
- 7 Parent Trustees appointed under articles 53 58
- Up to 3 staff Trustees appointed under article 58a, not including the Head Teacher
- Up to 6 Community Trustees, appointed under article 58b
- Any additional Trustees, if appointed, under articles 62,62a or 68a
- The Head Teacher by virtue of office
- Any further Trustees, if appointed under articles 63 or 68a

The Academy may also have any co opted Trustees appointed under article 59.

The board of Trustees meet seven times a year. The Finance and Audit Committee are a sub-group who meet up to six times a year, and if necessary on special occasions. The other permanent sub-committees are Standards and Behaviour and Attendance. Also, there is an HR sub-committee who meet each half term and when necessary.

ALCESTER ACADEMY
(A company limited by guarantee)

Most members of the Board of Trustees are on one of the standing committees and the Head Teacher and chairman are ex officio members of all Committees.

Terms of reference exist for each committee and are reviewed annually.

Committees

F+A - Finance and Audit, Standards, B+A- Behaviour and Attendance, HR - Human Resources.

The operational running of the Academy is the responsibility of the Head Teacher and his Senior Leadership Team (SLT). The Head sits on all Trustee Committees; he is responsible to the Board of Trustees and reports to them regularly

Policies and procedures adopted for the induction and training of Trustees

Key considerations for appointment of Trustees include personal experience, professional and specialist skills. New Trustees undertake induction to the workings of the Academy. Training is offered to all Trustees and is provided through a number of sources. Trustees, with the exception of the Head Teacher, are appointed for a four year term. At the end of this period they can offer themselves either for re appointment or re election as appropriate.

Trustees' remuneration

No member of the board of Trustees received any remuneration in respect of their trustee duties during the year ended 31 August 2016. Mr Hyde, Miss Buckthorp, Mrs Evason and Mrs Black were remunerated as employees of Alcester Academy.

Trustees' indemnities

The structure of the Academy consists of a Board of Trustees (who act as the trustees for the charitable activities of Alcester Academy) and who are also the directors of the Academy for the purposes of the company. The Academy has insurance to cover trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on Academy business.

Decision making

The Board of Trustees has overall responsibility for the Academy. They ensure that grants from the EfA are used only for the purposes intended and that funds from sponsors are correctly recorded and used. They also approve the Academy's Strategic Plan and Annual Budget. They are responsible for the appointment of the Head Teacher. The Board of Trustees also empowers a number of sub-committees to carry out their responsibilities for governance, approval, monitoring and reporting in a number of specific areas e.g. the Finance and Audit Committee.

Pay Policy for Key Management Personnel

The directors consider that the Senior Leadership Team ("SLT") and the Board of Directors comprise the Key Management Personnel of the Trust in charge of directing and controlling, running and operating the Trust on a day to day basis. The SLT for 2015/16 was made up of 1 head teacher, 1 deputy head teacher and 1 assistant head teacher. No director receives any form of remuneration, unless they are appointed as a staff director.

The Board of Directors of the Trust have in place a pay policy which was adopted on 15th December 2016 and which is reviewed annually with the Executive head teacher. The pay policy states that the Board is committed to taking pay decisions in accordance with the principles of public life as listed in DfE guidance; objectivity, openness and accountability. The policy also notes that the Board recognises the legal requirements placed upon them by the Education Act 2002 and subsequent legislation together with the current School Teacher's Pay and Conditions document (STPCD) and the National and Local Conditions of Service for National Joint Council staff and the Education (School Teacher Appraisal) (England) Regulations 2012. The policy also reflects the Trust's responsibilities to staff under the Equality Act 2010, the Employment Relations Act 1999 and all other relevant legislation of which the Trust is aware.

The Board of Directors delegates to the Human Resources Committee the responsibility for approving decisions relating to performance pay progression in line with the pay policy.

The policy is based on a "whole school" approach to pay issues with pay decisions taken in the full consideration of the resources available within the overall school budget. This means that pay decisions relating to particular groups of staff are not taken in isolation.

All employees are paid in accordance with the statutory provisions of the STPCD and the "Burgundy Book" (teaching staff) or the National Joint Council "Green Book" conditions of service and NJC pay scales (support staff); and the pay ranges determined by the school. The IPR ranges of the head teacher or other senior leaders are not altered if they have reached the top of their individual pay range or to provide the equivalent of a pay award.

Pay progression of the head teacher, deputy and assistant head teachers is reviewed annually in line with the pay policy.

Support staff leadership payments are made in accordance with the National Joint Council for Local Government Services pay scales and allowances that are reviewed annually. Individual pay for posts within the Trust are assessed utilising the Job evaluation process that is detailed within the National Joint Council national pay and conditions of service, known as the green book

Objectives, Strategies and Activities

The Trust's objective for the year ending 31 August 2016 were outlined in the Mission Statement and Strategic vision below:

Mission Statement

Alcester Academy will become an outstanding academy through delivering a high quality curriculum which allows all of our students to fulfil their academic potential. Our students will become well-adjusted members of the community with high moral values and self-discipline. They will progress successfully into education, employment or training, holding a valuable combination of knowledge and skills for employment.

Strategic Vision

Alcester Academy will become:

- An academy with a diverse curriculum which 'best fits' the desires of the students
- A place where students of all abilities fulfil their academic potential
- A place where students thrive as a result of excellent teaching
- An academy with a well-developed pastoral support system which offers a high level of care
- A place where behaviour does not inhibit the learning process
- An academy with a positive outward face

ALCESTER ACADEMY
(A company limited by guarantee)

In addition to this the following business strategies were adopted:

- To provide value for money for the funds expended
- To conduct all business in accordance with the highest standards of integrity, probity and openness

Public Benefit

The Trust will promote for the benefit of inhabitants of Alcester and the surrounding area the provision of facilities for education, recreation or other leisure time occupation of individuals particularly, but not exclusively, young people.

The Academy Trustees have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers or duties and its supplementary guidance on education.

Strategic Report

Risk Management arrangements

The Board of Trustees are responsible for the management of the risks faced by the Academy. The Academy has in place a formal risk management process to assess risks. The risk register is reported to the Board of Trustees at least annually so that they can be satisfied that there are systems in place to remove or mitigate any exposure to those risks.

A formal review of the risk management process is undertaken on an annual basis and key controls in place include:

- Formal agendas for all committee activity
- Terms of reference for all governing body and delegated committees under the direction of the governing body.
- Pecuniary interests of Trustees reviewed at each meeting
- Comprehensive budgeting and management reporting
- Established organisational structure and clear lines of reporting
- Formal written policies
- Clear authorisation and approval levels
- Vetting procedures as required by law for the protection of the vulnerable

The Trustees carried out their most recent review in September 2016. It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately managed.

Achievements and Performance including Key Performance Indicators

The performance of the Academy is monitored against the aims and objectives. This is carried out initially by the Head teacher and the SLT, but at a higher level monitoring and governance is exercised by the Trustee sub-committees and the Board of Trustees'.

There are a number of performance measures and key performance indicators which are used in the school and they form an important part of the management reporting framework. They are used to enable the SLT and various trustee sub-committees to actively monitor performance and take corrective action. They mainly cover the pupils, teaching staff and the schools finances; Academic indicators for example track the exam attainment of the pupils within the school and also against external league tables; the progress of the pupils, particularly those with SEND (Special Educational Needs and Disability) and those for whom Pupil Premium is received; also the number of students leavers on the NEET register (Not in Employment, Education or Training).

Teaching staff have annual performance appraisals linked to pupil performance with relevant objectives and targets.

Financial indicators include budget targets, income and costs per pupil, the pupil to teacher ratio, and the staff cost and supports cost overhead ratios.

Review of Academic Activities:

The academy continues to build on the successes of 2014-15 where we were named as one of the highest performing state funded non-selective schools in England.

In 2015-16, 77% of students achieved a good pass in English and Mathematics; this is significantly above the national average and one of the highest results achieved of any non-selective school in Warwickshire. Our Progress 8 figure for this cohort was above the national average 0.00, being 0.05.

We have achieved this two year improvement in performance through considered curriculum changes and a rigorous intervention programme. The academy offer high level of support for students with an average of 12 additional hours of learning each week being offered per week. We are able to provide such a high level of support through lunchtime classes, afterschool classes and by opening the academy on a Saturday for our highly valued Saturday School. We believe that this extra provision, which is provided at no additional cost is exceptional.

Wider measures show a narrowing of the progress and attainment gap for disadvantaged students. Our students supported by the Pupil Premium scored a Progress 8 score of 0.0 (Raise 2016), which was the same figure as returned nationally for all students.

Attendance at the academy has further improved to 96%, well above the 95% government target. Our students supported by the Pupil Premium have also met this target, being at 95%. This is reflective of our determination to ensure every child accesses a high quality education. It is also reflective of the fact that students value highly the quality of provision that they receive and as a result want to attend as often as they can.

The academy recognises the importance of preparing students for the next phase of their education. We offer a broad careers programme as well as a highly focused programme for those at risk of not securing a place in education, employment or training. As a direct consequence of this the vast majority of students take up places in sixth form or college education, studying level 3 course. A small number of students take up apprenticeships.

As a result of our determination to be the best that we can be, the academy was judged as Good by Ofsted in October 2016. The inspection team did initially judge us as Outstanding, but found their written evidence base would not support this judgement when implementing their quality assurance process. We did retain an Outstanding judgement for Behaviour and Leadership, We believe this is a firm bedrock to build on as we strive to secure the Outstanding judgement during our next inspection.

Whole school improvement priorities for the year 2015-16 have been identified as:

Achievement:

Raise attainment in those few subjects not yet above the national average such that attainment in all subjects is above National Averages

Continue to narrow the gap between Pupil Premium and non-Pupil Premium students.

Inspire students of all abilities to aim high and secure transition into post 16 education/training.

Teaching and Learning:

Further improve the quality of Teaching and Learning such that lessons always result in students making Outstanding progress

Improve the quality of home learning completed by all students

Behaviour and Attendance:

Further improve behaviour through the promotion of independence within lessons

Develop a culture of success through reward

Develop student leadership and student voice

Leadership and Management:

Continue to promote the 'outward face' of the academy

Adapt to national changes in developing a curriculum that is cost effective and caters for the needs of students of all abilities

Going concern

After making appropriate enquiries, the governing body has a reasonable expectation that the academy has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements.

Equal Opportunities

The trustees recognise that equal opportunities are an integral part of good practice within the workplace. The academy has established equal opportunity in all areas of its activities including creating a working environment in which the contribution and needs of all people are fully valued.

The average number of employees at Alcester Academy during the accounting period was 86. Alcester Academy recruits widely and encourages applications from all for any vacancy that exists in the Academy and is aware of the requirements placed upon it by both the Equality Act 2010 and the Disability Equality Duty in the Disability Discrimination Act.

Employee Consultation

Arrangements to provide information and consult employees on matters affecting them are in place principally through regular staff meetings. In addition, 'Staff Voice', a body which includes representatives from all main elements of the staff base, meets every term to discuss various matters in relation to the academy, and feedback from this meeting is presented to the Board of Trustees.

Financial Review

Movement on reserves

The Statement of Financial Activities (page 21) and Note 16 Funds (page 37) show the movements on funds. The Funds are the Restricted General Fund (which includes the General reserve and the Pension reserve), the Fixed assets fund or reserve and the Unrestricted General Fund.

Excluding the pension reserve deficit, the general reserve in which the educational activities are accounted shows an income of £3,105,000 and expenditure of £2,808,000 hence a net surplus of £241,000 for the year; and has a cumulative balance of £1,555,000. This balance will be used to finance the academy over the coming years if pupil numbers decline.

The unrestricted reserve is where fund raising and non-educational activities are accounted. This has a surplus of £7,000 and a carry forward balance of £24,000, mainly as a result of interest earned on bank deposits. This unrestricted reserve can be used for any purpose.

The fixed asset reserve is where the capital activities of the academy are accounted. The movement represents capital grant income, capital purchases and depreciation of fixed assets. The net movements for the year were a £301,000 surplus with a carry forward surplus of £8,406,000. This surplus is £401,000 higher than the net asset value this represents EFA grants awarded mainly for the renewal of windows.

Finally, the pension reserve represents the value of the Local Government Pension Scheme (LGPS) which is in deficit. In the year, the deficit increased by £626,000 and the reserve now has a negative balance of £1,670,000. The academy has no influence over the pension reserve which is subject to an annual independent actuarial valuation.

Financial Performance

Overall, the academy has performed very well this year to achieve a surplus before pension actuarial losses of £241,000 on the general restricted reserve. This is despite a 6.6% reduction in grants income, due to falling pupil numbers. The Academy has continued to reduce its cost base successfully during the year through staff planning and tight budgetary control. Next year's Grant income is budgeted to fall by a further 9.7%. The Academy have set a realistic budget which will utilise a small amount of the carry forward.

ALCESTER ACADEMY
(A company limited by guarantee)

Reserves Policy

The Academy's reserves policy is to maintain the General reserve at a sufficient level to sustain operations during the years when EFA grant funding may not be sufficient to cover annual costs. The Unrestricted reserve is to be used for financing any potential commercial opportunities.

Investment Policy

The Academy's policy is to ensure funds that are not immediately required to cover anticipated expenditure are invested to maximise the Academy's income but with minimal risk. Presently approximately 50% of the Academies reserves are held on fixed interest bank deposits for terms between 3 and 12 months. The Academy does not consider the investment of surplus funds as a primary activity, rather as an act of good stewardship as and when circumstances allow.

Financial monitoring

The principal financial management policies adopted continue to be regular financial reviews, of income and expenditure through the analysis of actuals, budgets, forecasts and plans. These are conducted regularly with the Head teacher and at the Finance and Audit Committee meetings.

Financial Plans for the future

The Academy has a five year Strategic Plan in place. This Plan is based on achieving a number of academic and financial targets. The Academy's site capital requirements are continuously reviewed and in 2016 the Academy learnt that it had been awarded a further significant Capital Maintenance Fund grant of £533k for the replacement of windows and a further £140k for the replacement of drains. This, following a grant received last year for the replacement of the roof. This work was nearly complete at yearend. These recent grants will extend the useful life of the school buildings.

There is also an ongoing Staff Development programme in place to ensure the teaching staff are well supported and assisted to enable them to achieve good academic results.

Principal Risks and Uncertainties

The Academy has a Risk Management Policy, a risk register and risk review process. The objective is to, where it is considered necessary put in place measures of control and mitigation in order to effectively manage risk.

The principal risk facing the Academy is the medium term demand for the Academy's services. There are falling pupil numbers in South Warwickshire and hence a drop in the grant funding. This risk is being managed through the implementation of a five year rolling financial plan, which involves regular monitoring and forecasting. The overall aim of which is to build up reserves to enable the Academy to sustain itself until pupil numbers recover. Associated with the principle risk are the secondary risks which would harm the medium term demand such as an unfavourable Ofsted report, competition for pupils from other local schools and other competing demands for EFA and Local Authority funding.

In addition there are the usual risks of accidents and natural disasters and the need to maintain standards across the Academy. Control measures are in place to address all the above risks and to continue to monitor the internal and external environment for new potential risk.

Funds Held on Behalf of Others

The Academy operates School Fund accounting records for the purpose of managing income and expenditure for trips, activities and other events undertaken for students. The School Fund income and expenditure and creditor balances are included in the year end accounts of the Academy for the period ending 31 August 2016.

Provision of information to Auditors

Each of the persons who are Trustees at the time when this Trustees' report is approved has confirmed that:

- so far as that the Trustee is aware, there is no relevant audit information of which the charitable company's auditors are unaware, and
- that Trustees has taken all the steps that they ought to have taken to make themselves aware of any relevant audit information needed by the charitable company's auditors in connection with preparing their report and to establish that the charitable company's auditors are aware of that information.

Auditors

The auditors, Smith Cooper Limited, have indicated their willingness to continue in office. The Trustees will propose a motion re appointing the auditors at a meeting of the members of the company.

The Trustees report incorporating a strategic report was approved by order of the board of trustees and the company directors on 13th December 2016 and signed on its behalf by:

Mr P Hyde, Head Teacher
Governor and Accounting Officer

Mr M Dean
Chair of Trustees

GOVERNANCE STATEMENT

SCOPE OF RESPONSIBILITY

As trustees, we acknowledge we have overall responsibility for ensuring that Alcester Academy has an effective and appropriate system of control, financial and otherwise. However such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The governing body has delegated the day-to-day responsibility to the Head Teacher, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Alcester Academy and the Secretary of State for Education. They are also responsible for reporting to the governing body any material weaknesses or breakdowns in internal control.

GOVERNANCE

The information on governance included here supplements that described in the Trustees' report and in the Statement of Trustees' responsibilities. The governing body has formally met 7 times during the year. Attendance during the year at meetings of the governing body was as follows:

Trustee	Meetings attended	Out of a possible
Ms H Allen (appointed 10 September 2015)	6	7
Miss K Buckthorp	7	7

GOVERNANCE STATEMENT (continued)

REVIEW OF VALUE FOR MONEY

As Accounting Officer, the Head Teacher has responsibility for ensuring that the Academy delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how the Academy's use of its resources has provided good value for money during each academic year, and reports to the governing body where value for money can be improved, including the use of benchmarking data where appropriate. The Accounting Officer for the Academy has delivered improved value for money during the year by:

Alcester Academy Trust achieved record GCSE results in Mathematics in 2015/16.

- 77% of students achieved A* - C in English & Maths.
- Progress rates in English and Maths are well above the national averages.
- Our Progress 8 and Attainment 8 results are above the national averages.
- The Trust has invested its Pupil Premium allocation over the last year into interventions; resources and staffing that specifically target barriers to learning such as behaviour, punctuality and attendance. As a result of this focussed practice, our Pupil Premium students achieved a Progress 8 measure of 0 which compares very favourably against the national picture.

NEET (Not in employment, education or training)

- The Trust prides itself that for the last 2 years it has achieved NEET figures well below national averages and Warwickshire averages. This is a significant achievement given the current economic climate and is another measure that demonstrates that the Trust invests its money in curriculum delivery, interventions, vocational courses and careers guidance effectively.

To ensure that standards are continually raised the Trust also:

- Operated a programme of lesson observations linked to teacher appraisal throughout the academic year;
- Operated a programme of departmental monitoring, evaluation and review throughout the academic year;
- Continuously assessed the progress for students at KS2 to KS3, KS2 to KS4;
- Implemented a weekly Raising Achievement Meeting chaired by the Head Teacher

The Trust ensured that the staffing structure was deployed to support an improved curriculum. Most recent examples of this are:

- Improved focus on the progress of the most vulnerable groups of students
- Improved and increased intervention at KS4 via one-to-one tuition and assertive mentoring.
- Employed additional staff in English and Maths to further drive up standards
- Implementation of a Saturday School programme to offer an additional 3 hours per week of focussed support for individuals.

The Trust also invested funding in a number of key areas to benefit individual and groups of students as follows:

- Investment in behaviour & engagement strategies aimed at students at risk of exclusion.
- Intervention strategies including one-to-one, small group work and assertive mentoring

Most Able

The Trust also had an active programme to support its most gifted and talented students with partnerships with a number of organisations.

- 32.3% of the cohort 2016 achieved 3 or more A* and A.
- 57.3% of the cohort 2016 achieved 1 or more A* and A.

GOVERNANCE STATEMENT (continued)

Support beyond Alcester Academy

The Trust provides support for other educational establishments through:

- The Head Teacher is the Chair of the South Warwickshire Education Partnership
- The Head Teacher sits on the Warwickshire Education Challenge Board
- The academy has led reviews in other schools, including reviews of Mathematics and Pupil Premium.

THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of Academy policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Alcester Academy for the year 1 September 2015 to 31 August 2016 and up to the date of approval of the annual report and financial statements.

CAPACITY TO HANDLE RISK

The governing body has reviewed the key risks to which the Academy is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The governing body is of the view that there is a formal ongoing process for identifying, evaluating and managing the Academy's significant risks, that has been in place for the year 1 September 2015 to 31 August 2016 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the governing body.

THE RISK AND CONTROL FRAMEWORK

The Academy's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the governing body;
- regular reviews by the Finance and Audit Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing guidelines.
- delegation of authority and segregation of duties;

The Academy has a set of operational policies and procedures in place which are kept up to date.

The board of trustees appointed external consultants to undertake a support role and to perform checks. During the year internal control checks included; payroll, credit cards, submissions to the EFA, purchases, expense claims, bank and cash, and control reconciliations.

The appointee's role includes giving advice on financial matters and performing a range of checks on the Academy's financial systems.

GOVERNANCE STATEMENT (continued)

REVIEW OF EFFECTIVENESS

As Accounting Officer, the Head Teacher has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the Finance and Audit Committee
- the work of the external auditors;
- the work of an external financial consultant
- the finance sections ongoing internal control checks;
- the work of the managers within the Academy who have management control responsibilities

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Finance and Audit Committee and a plan to ensure continuous improvement of the system is in place.

Approved by order of the members of the governing body on 13 December 2016 and signed on their behalf, by:

STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 AUGUST 2016

The Trustees (who act as governors of Alcester Academy and are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Strategic report, the Trustees' report and the financial statements in accordance with the Annual Accounts Direction issued by the Education Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2015 and the Academies' Accounts Direction 2015 to 2016;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from the EFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by order of the members of the governing body on 13 December 2016 and signed on its behalf by:

STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE

As Accounting Officer of Alcester Academy I have considered my responsibility to notify the academy trust board of trustees and the Education Funding Agency of material irregularity, impropriety and non-compliance with EFA terms and conditions of funding, under the funding agreement in place between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2015.

I confirm that I and the academy trust board of trustees are able to identify any material irregular or improper use of funds by the academy trust, or material non-compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academies Financial Handbook 2015.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and EFA.

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF
ALCESTER ACADEMY**

We have audited the financial statements of Alcester Academy for the year ended 31 August 2016 which comprise the Statement of financial activities incorporating income and expenditure account, the Balance sheet, the Statement of cash flows and the related notes. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Academies Accounts Direction 2015 to 2016 issued by the Education Funding Agency.

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members, as a body, for our audit work, for this report, or for the opinion we have formed.

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND AUDITORS

As explained more fully in the Statement of Trustees' responsibilities, the Trustees (who are also the directors of the Academy for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Academy's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Trustees' report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

OPINION ON FINANCIAL STATEMENTS

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2016 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2015 and the Academies Accounts Direction 2015 to 2016 issued by the Education Funding Agency.

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF
ALCESTER ACADEMY**

OPINION ON OTHER MATTER PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion the information given in the Trustees' report, incorporating the Strategic report, for the financial year for which the financial statements are prepared is consistent with the financial statements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

**INDEPENDENT REPORTING AUDITORS' ASSURANCE REPORT ON REGULARITY TO ALCESTER
ACADEMY AND THE EDUCATION FUNDING AGENCY**

In accordance with the terms of our engagement letter dated 4 September 2014 and further to the requirements of the Education Funding Agency (EFA) as included in the Academies Accounts Direction 2015 to 2016, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Alcester Academy during the year 1 September 2015 to 31 August 2016 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Alcester Academy and the EFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Alcester Academy and the EFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Alcester Academy and the EFA, for our work, for this report, or for the conclusion we have formed.

**RESPECTIVE RESPONSIBILITIES OF ALCESTER ACADEMY'S ACCOUNTING OFFICER AND THE
REPORTING AUDITORS**

The accounting officer is responsible, under the requirements of Alcester Academy's funding agreement with the Secretary of State for Education dated 1 August 2011, and the Academies Financial Handbook extant from 1 September 2015, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2015 to 2016. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2015 to 31 August 2016 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

APPROACH

We conducted our engagement in accordance with the Academies Accounts Direction 2015 to 2016 issued by the EFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

ALCESTER ACADEMY
(A company limited by guarantee)

**INDEPENDENT REPORTING AUDITORS' ASSURANCE REPORT ON REGULARITY TO ALCESTER
ACADEMY AND THE EDUCATION FUNDING AGENCY (continued)**

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy's income and expenditure.

The work undertaken to draw our conclusion includes:

- consideration on a sample basis of whether all activities of the Academy are in keeping with the Academy's framework and charitable objectives;
- confirmation on a sample basis, that expenditure does not contravene the funding agreement;
- understanding the internal control framework and testing on a sample basis the regularity and propriety of purchases;
- a review of minutes of applicable committee meetings;
- testing on a sample basis, that the use of credit cards and expense claims adheres to the Academy's internal control principles; were not used to procure items for personal benefit and that there were no improper transactions;
- reviewing records for indications of transactions with related parties and consideration as to whether any such transactions are in accordance with the Financial Handbook
- enquiry to ensure that extra-contractual payments to staff have been made in accordance with the Financial Handbook;
- enquiries of the trustees and testing where appropriate, as to the existence of any borrowing agreements, leases or land and building transactions to ensure that they were in line with the funding agreement and Financial Handbook;
- a review to ensure any debt write offs over 1% of total income or £45,000 (whichever is smaller) have been approved by the Secretary of State.

CONCLUSION

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the year 1 September 2015 to 31 August 2016 have not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2016

1. ACCOUNTING POLICIES

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation of financial statements

The financial statements of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2015 to 2016 issued by EFA, the Charities Act 2011 and the Companies Act 2006.

Alcester Academy constitutes a public benefit entity as defined by FRS 102.

Details of the registered office are provided in the Reference and Administrative Details.

First time adoption of FRS 102

These financial statements are the first financial statements of Alcester Academy prepared in accordance with Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (FRS 102) and the Charities SORP 2015 (SORP 2015). The financial statements of Alcester Academy for the year ended 31 August 2015 were prepared in accordance with previous Generally Accepted Accounting Practice ('UK GAAP') and SORP 2005.

Some of the FRS 102 recognition, measurement, presentation and disclosure requirements and accounting policy choices differ from previous UK GAAP. Consequently, the Trustees have amended certain accounting policies to comply with FRS 102 and SORP 2015.

Reconciliations to previous UK GAAP for the comparative figures are included in note 25.

1.2 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the Department for Education where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder and include grants from the Department for Education.

ALCESTER ACADEMY
(A company limited by guarantee)

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2016**

1. ACCOUNTING POLICIES (continued)

1.3 Income

All income is recognised once the Academy has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities incorporating income and expenditure account on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of financial activities incorporating income and expenditure account in the year for which it is receivable and any abatement in respect of the period is deducted from income and recognised as a liability. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended. Unspent amounts of capital grant are reflected in the balance in the restricted fixed asset fund.

Donations are recognised on a receivable basis where there is certainty of receipt and the amount can be reliably measured.

Other income, including the hire of facilities, is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Charitable activities and Governance costs are costs incurred on the academy trust's educational operations, including support costs and costs relating to the governance of the academy trust apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

1.5 Going concern

The Trustees assess whether the use of going concern is appropriate, i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Academy to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

ALCESTER ACADEMY
(A company limited by guarantee)

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2016**

1. ACCOUNTING POLICIES (continued)

1.6 Tangible fixed assets and depreciation

All assets costing more than £1,000 are capitalised.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of financial activities incorporating income and expenditure account and carried forward in the Balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of financial activities incorporating income and expenditure account. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of financial activities incorporating income and expenditure account.

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use.

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is not charged on leasehold land. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, on a straight line basis over their expected useful lives on the following bases:

Long Term Leasehold Buildings	-	4%
Fixtures, fittings and equipment	-	20%
Computer equipment	-	20%

1.7 Operating leases

Rentals under operating leases are charged to the Statement of financial activities incorporating income and expenditure account on a straight line basis over the lease term.

1.8 Taxation

The Academy is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Academy is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.9 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Academy; this is normally upon notification of the interest paid or payable by the Bank.

ALCESTER ACADEMY
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2016

1. ACCOUNTING POLICIES (continued)

1.10 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.11 Cash at Bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.12 Pensions

Retirement benefits to employees of the Academy are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes and the assets are held separately from those of the Academy.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. As stated in note 20, the TPS is a multi-employer scheme and there is insufficient information available to use defined benefit accounting. The TPS is therefore treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of financial activities incorporating income and expenditure account and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses

ALCESTER ACADEMY
(A company limited by guarantee)

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2016**

1. ACCOUNTING POLICIES (continued)

1.13 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Academy anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.14 Financial instruments

The Academy only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

1.15 Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 20, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2013 has been used by the actuary in valuing the pensions liability at 31 August 2016. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Critical areas of judgement:

The trustees have elected to use the valuation of land and buildings which took place on conversion to an academy as the deemed cost under FRS102.

10. TRUSTEES' REMUNERATION AND EXPENSES

One or more Trustees has been paid remuneration or has received other benefits from an employment with the academy trust. The Principal and other staff Trustees only receive remuneration in respect of services they provide undertaking the roles of principal and other staff members under their contracts of employment, and not in respect of their role as Trustees. The value of Trustees' remuneration and other benefits was as follows:

		2016	2015
		£000	£000

During the year, no Trustees received any reimbursement of expenses (2015 - £NIL).

11. TRUSTEES' AND OFFICERS' INSURANCE

The academy trust has opted into the Department for Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business, and provides cover up to £10,000,000. It is not possible to quantify the trustees and officers indemnity element from the overall cost of the RPA scheme.

20. PENSION COMMITMENTS

The Academy's employees belong to two principal pension schemes: the Teacher's Pension Scheme for England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Warwickshire County Council. Both are Multi-employer defined benefit pension schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2012 and of the LGPS 31 March 2013.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations (2010) and, from 1 April 2014, by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis – these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

Not less than every four years the Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury. The aim of the review is to specify the level of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2012 and in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014. The valuation report was published by the Department for Education on 9 June 2014. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 16.48% of pensionable pay, including a 0.08% employer administration charge (currently 14.1%)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £191,500 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £176,600 million giving a notional past service deficit of £14,900 million
- an employer cost cap of 10.9% of pensionable pay will be applied to future valuations
- the assumed real rate of return is 3.0% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.75%. The assumed nominal rate of return is 5.06%.

During the previous year the employer contribution rate was 14.1%. The TPS valuation for 2012 determined an employer rate of 16.4%, which was payable from September 2015. The next valuation of the TPS will be as at March 2016, whereupon the employer contribution rate is expected to be reassessed and will be payable from 1 April 2019.

The employer's pension costs paid to TPS in the period amounted to £189,000 (2015 - £180,000).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (www.teacherspensions.co.uk/news/employers/2014/06/publication-of-the-valuation-report.aspx).

Under the definitions set out in FRS 102, the TPS is a multi-employer pension scheme. The trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The trust has set out above the information available on the scheme.

20. PENSION COMMITMENTS (continued)

Local Government Pension Scheme

The LGPS is a funded defined benefit scheme, with assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2016 was £124,000 (2015 - £113,000), of which employer's contributions totalled £100,000 (2015 - £103,000) and employees' contributions totalled £24,000 (2015 - £25,000). The agreed contribution rates for future years are 14.0% for employers and 7.0% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

Principal actuarial assumptions:

	2016
Discount rate for scheme liabilities	2.10 %
Rate of increase in salaries	4.10 %
Rate of increase for pensions in payment / inflation	2.10 %
Commutation of pensions to lump sums	50.00 %

The current mortality assumptions include sufficient allowance for future improvements in mortality rates. The assumed life expectations on retirement age 65 are:

	2016	2015
Retiring today		
Males	22.4	22.4
Females	24.4	24.4
Retiring in 20 years

The remaining capital commitments with AA Projects are to complete the work on the boiler and heating system improvement has a value of £365,000 This is fully funded by a grant from the Condition Improvement Fund.

23. RELATED PARTY TRANSACTIONS

Owing to the nature of the academy's operations and the composition of the board of governors being drawn from local public and private sector organisations, transactions will occasionally take place with organisations in which a member of the board of governors may have an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the academy's financial regulations and normal procurement procedures.

There have been no transactions with related parties during the period.

24. MEMBERS' LIABILITY

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £NIL for the debts and liabilities contracted before he/she ceases to be a member.

25. FIRST TIME ADOPTION OF FRS 102

It is the first year that the Academy Trust has presented its financial statements under SORP 2015 and FRS 102. The following disclosures are required in the year of transition. The last financial statements prepared under previous UK GAAP were for the year ended 31 August 2015 and the date of transition to FRS 102 and SORP 2015 was therefore 1 September 2014. As a consequence of adopting FRS 102 and SORP 2015, a number of accounting policies have changed to comply with those standards.

The policies applied under the Academy's previous accounting framework are not materially different to FRS 102 and have not impacted on funds or net income/expenditure.
