

WORKING FOR MARCUS

QUICK REFERENCE

WORKING FOR MARCUS

SECONDARY, COLLEGE, AGES 13+, KS 3 & 4

ISSUES COVERED

CHILD SEXUAL EXPLOITATION, POWER AND CONTROL IN RELATIONSHIPS, ONLINE SAFETY

LEARNING OBJECTIVES FOR WORKING FOR MARCUS

"Clearly a well-researched and targeted production, with clear evidence that the programme works and is getting through" – Home Office

Attitudes and Values

- Young people have an increased awareness of what makes a good and bad relationship.
- Young people have an increased awareness of grooming/ online grooming, sexual exploitation and abuse of power and control in relationships, groups and gangs.
- Young people have increased empathy for young women involved in sexual exploitation.
- Young people have increased awareness of how easy it can be to get drawn into sexual exploitation and how hard it can be to get out.

Skills

- Young people have an increased ability to spot the signs of exploitation or abuse of power or control in relationships (including online relationships), groups and gangs.
- Young people have an increased confidence in seeking help and support about power and control in relationships (including online relationships).
- Young people have an increased ability to maintain their own personal safety and stay safe online.

Knowledge

- Young people have increased knowledge of the physical, emotional and financial implications of sexual exploitation.
- Young people have increased knowledge of relevant and appropriate services that can offer help or support to young people around sexual exploitation, e.g. Brook, Barnardos.

KEY FINDINGS FROM EVALUATION

- **85%** of learners said that the session had made them think differently about issues around sexual exploitation.
- **94%** said that as a result of Working for Marcus they felt 'confident' or 'very confident' in spotting signs of sexual exploitation / grooming.
- **42%** said they would now make changes to their life as a result of the performance
